

**HERE AND THERE.**

Mr. C. E. Toy, ex-'98, has entered the law class.

Mr. T. C. Quickel, ex-'98, is back taking the medical course.

"Kid" Bryson, '96, is back taking medicine.

Mr. J. W. Norwood, ex-'98, has returned to take the law course.

The best debater in the Phi. last Saturday night was Mr. Abbott.

Miss Maude Hackney of Durham is visiting Miss Rena Pickard this week.

The additions to '98 this year are Messrs. W. R. Thompson and J. F. Webb, ex-'96, and Mr. J. E. Webb, ex-'97.

Messrs. F. Craige and J. K. Dozier, both old '98 men, are back, after having been out two years.

We were glad to see on the Hill last week Mr. Pugh, '94, who played on the 'Varsity foot ball teams of '93 and '94.

What is the matter with the shower bath? The foot ball men, as well as all others, are deprived of this luxury.

Rooms No. 1 and 2, New West, have been transformed into a neat and well equipped pharmaceutical laboratory.

The summer house over the well in front of New West is about completed. When painted it will add much to the appearance of that part of the campus.

The water supply has been increased by the old well near the New West building being cleaned out and made larger. It is hoped this will be sufficient even in cases of prolonged drought.

Mr. Willie Austen the Salisbury giant,—225 avoirdupois—standing six feet ten, arrived last Saturday, and was the center of attraction for the time. He did not remain long on the Hill, but returned home Monday.

The Glee Club held its first meeting of the session last Monday night. Several members of the old club were present, also several promising candidates. All who wish to apply for the club are requested to do so at the earliest possible date, in order that active work may begin at once. The manager is contemplating several extended tours during the coming season, and a successful year is expected.

It is interesting to note the fact, that the University has about reached the highest enrollment in its history. Some time between 1850 and 1860, there were 452 students enrolled. At the time of this writing, 448 have registered and several reported on the Hill, who have not done so. This does not include the Summer school, which, if counted would make nearly 700. Before the close of the session there will be 500 students actually on the Hill.

**Co-Education.**

The session of 1897-98 marks the beginning of the history of the University as a co-educational institution. Four young ladies have taken advantage of this opportunity, and have registered.

Miss Dixie Lee Bryant, S. B. Massachusetts Institute of Technology, is pursuing an advanced course in Geology.

Miss Stockard, A. B. Guilford College, will study English, Greek and Pedagogy.

Miss Dodd is pursuing courses in Mathematics and Pedagogy.
