

HERE AND THERE.

Twenty one new seats have been placed in the Chapel.

M. Frank Page, ex-'98, was on the Hill this week.

Miss Margaret McCall left on Monday for Greensboro.

Mr. Henry Gilliam, '88, has recently been on the Hill.

William Donald Carmichael, of Durham, was here Sunday.

Mr. Walter Brem '96 is in New York attending a Theological Seminary.

The best debater in the Phi. Society Saturday night was Mr. Broadhurst, in the Di., Mr. Bowie.

Mr. F. B. Dancey, '83, spent Sunday in Chapel Hill as the guest of Dr. Battle.

Mr. L. Joyner was in the village Tuesday and Wednesday, representing T. J. Lamb of Durham.

Mr. Pat Hardy, ex-'96, was here last Saturday at the game of ball, the guest of the S. A. E. Fraternity.

Mr. Moore Parker, of Raleigh, spent Saturday last on the Hill and witnessed the A. & M.-Varsity game.

Miss Alla Webb, of Tennessee, sister of Mr. W. R. Webb '96, is in town, the guest of Miss Dot Manning.

Miss Watkins, of Virginia, has taken up post-graduate work in the Varsity. She is at Mr. R. S. McRae's.

Tom Vanderford, of Salisbury, law '97, has returned to college to complete his studies in that department.

Prof. Cobb returned Monday from Round Knob, where he has been studying the relation of the engineering problem there to geology.

We understand that plans are being considered for a handsome dome soon to be erected over the well in front of the South Building. A new entrance to the South Building is soon to be erected also.

There will be an important meeting for students in the Chapel Sunday afternoon at 2:45. Subject: "The Bible and Bible Study." All are invited to come.

Dr. Alderman goes to Raleigh Tuesday to attend a meeting of the building committee of board of trustees. The contract for erecting the alumni building will be given out at that time.

Capt. Joel Whitaker has gone to New York to study dentistry and will play quarter back on the Orange Athletic Association Foot Ball team. Mr. George Stevens, '95, is right half back on this team.

Much enthusiasm has been shown in getting men to join the two Societies. This bespeaks the good of these important adjuncts to the University. About thirty-five men joined the Phi and 40 the Di last meeting.

Messrs. W. H. Anderson, S. Anderson and Jack Gibbons, all of Trinity College, were on the Hill last Saturday to see the A. & M.-Varsity game.

Lemly, manager and Daggett, full back, on the A. & M. team, were brothers of ex-members of the Varsity, Lemly '98 and Daggett '99.

Quite a party of Trinity students and Durhamites came over to witness the Varsity-A. & M. game last Saturday. Our Trinity friends are always welcome visitors.

Col. John W. Hinsdale, one of the University's most distinguished alumni, was on the Hill Sunday visiting his son, John W. Hinsdale, Jr. '00.

Mr. E. C. Henderson of Columbus, Ohio who was here in the week representing D. Ould, fraternity jeweler, has gone to Richmond and Charlottesville.

Mr. Jones Fuller spent Sunday in Durham.

P. D. Whitaker has been elected Leader of the Fall German, to be given by the German Club on Oct. 12th. Geo. D. Vick and C. B. Buxton have been appointed Floor Managers.

We are glad to learn that Mr. J. D. Parker, who went home a few days ago on account of sickness, is convalescing, and will probably be able to return to the Hill the latter part of next week.

The second of the series of public lectures by members of the faculty will be given in Gerrard Hall next Thursday evening at 7:30 by Prof. Cain. His subject is The Kalevala (the Epic Poem of the Finns) and What it May Teach Us.

The ladies of the Baptist Church gave a reception at Patterson's Hotel last Friday night to the new students and those students who have no church in the village. Miss Simms of Durham delighted the guests with her superb elocution. Mr. Mechling gave some fantastic indian-club exercise. Refreshments were served, and the evening was greatly enjoyed by all.

Those of the village people having rooms to let would do well to advertise them now. Never before in Chapel Hill have rooms been in greater demand. The bulletin board in South Building is open to the use of all, and advertisement in the Tar Heel would prove even more valuable in securing tenants.

Tuesday's News and Observer contains an interesting write-up of the University and the town of Chapel Hill. It gives an excellent cut of Dr. Alderman. There are also cuts of the buildings, including the "New Alumni Building," and of several of the prominent business men of Chapel Hill.

NO CURE--NO PAY.

That is the way all druggists sell GROVE'S TASTELESS CHILL TONIC for Chills and fever and all forms of malaria. It is simply Iron and Tonic in a tasteless form. Children love it. Adults prefer bitter nauseating Tonics. Price 50c.

TO CURE A COLD IN ONE DAY

Take Laxative Bromo Quinine Tablets. Druggists refund the money if it fails to cure. 25c.
