den's place, Schull remaining in the game. Kerner off side and the ball went over.

Capt. Curran tried to gain, but Martin tackled hard five yards behind the line. Capt. Curran gained five and one-half yards, but Martin, by another beautiful tackle behind the line, caused the ball to go over to Carolina.

Osborne fumbled, Buxton gained ten yards, Martin four. Buxton again walked around for ten and then for two. Martin advanced the ball to the five yard line and Buxton went over for the last touchdown. Graves missed goal. Time ten minutes.

The last five minutes of play was notable. Only Schull and Morton were retired from the game on account of injuries. The second half was called with the ball in the middle of the field.

Score—U. N. C. 40, A. and M. 0.

The Varsity received liberal applause in the game on last Saturday whenever a deserving play was made and too it was a pleasure to hear the cheers that were awarded the Farmer Boys when a successful attempt

A Wonderful Invention.

Zoology teaches that the hairs of the head are hollow, and contain an oil that gives them life. In clipping the hair with scissors, this hollow is left open, and the hair loses its life-giving properties.

I have a Machine named the Singing Machine, which removes the hair and at the same time closes up the hollow, causing the hair to retain its life-giving properties, and therefore stopping the hair from falling out or dying, and giving it a soft growth.

Call and examine this machine and have your hair singed.

Special attention given to dressing Ladies' hair. Cutting done with exquisite and artistic skill by the old University Barber of twenty years' experience.

The singing machine is highly recommended by scientists throughout the country.

Very Respectfully,
T. D. DUNSTAN,
Professor of Tonsorial Art.

to gain on the Varsity was accomplished.

The men should not think that they have become, at this stage of the season, leaders in the football world but rather should feel that they have taken only the first step and that fairly well.

The Varsity were better on aggressive play than on defensive and the interference in the first half was notably commendable. There was a slight inclination on the part of some men at times to play to the grand stand and have the honors of the game thrown upon individuals rather than the Varsity as a unit.

The student body watched the game with great interest and were pleased with the snappy work of the team this early in the season. The game was a short one, it is true, but there was little slow work done and every man seemed to work conscientiously.

The losses the team has realized by the departure of Capt. Whitaker and the injuries which have put several men out of the game have hurt the Varsity to no small extent, yet, if the proper spirit is displayed on the part of the student body as well as the candidates for the Varsity, Coach Reynolds will be able to send such a snappy, gritty and plucky set of Tar Heels to Richmond as will be too gaily for the boys from the Old Dominion.

Let all Tar Heel students lay aside any differences which may heretofore have existed and meet upon the gridiron as a common ground and there in a right noble way uphold the "White and Blue" and urge on and encourage the defenders of our University.

Mr. P. H. Lybrook, Chief Marshal of the State Fair, has appointed the whole Senior Class as Marshals at the Fair next month.
