## THE UNIVERSITY MAGAZINE.

### An Appeal to Its Friends for Subscription and Support.

The newly elected Editors of the University Magazine met in the Registrar's Office on Tuesday afternoon and perfected the new organization and plan of the Magazine.

It will be printed by the University Press and the first number of the Magazine may be expected by the first of December. Subscriptions at the rate of one dollar for the current college year will be received by the Business Manager, W. S. Wilson, from this time forth; and advertising rates will be furnished promptly upon application.

We call upon our alumni and the former friends of the Magazine to aid in its re-establishment by their immediate subscription and support. Formerly the University Magazine had many friends and warm supporters who were much interested in its success and deeply regretted the suspension of its publication. To such as these we extend the assurance of an earnest conviction that the Magazine is here to remain with us permanently.

The old advertisers of the Magazine would do well to renew their relationship at once. The University now presents a larger and more abundant field for advertising than at any previous time in its history.

Below is given the organization of the working force of the Magazine:

S. S. Lamb, Editor-in-Chief, Phi. Di.  
J. G. McCormick, J. K. Pfohl,  
R. D. W. Connor, E. K. Graham,

Mr. B. H. Kirkpatrick, of last year's Law Class, has returned to take the second year course.

## MEDS VS. JUNIORS.

### The Warm Game Between the Doctors and Juniors.

Wednesday afternoon at 2:30 the Meds. and Juniors met to play the second Inter-Class championship game. The game was hotly contested from start to finish, without a score, both teams being well matched and playing almost faultless ball from a class stand point. The Juniors lead off with steady gains for several minutes; but the Meds. were just as effective when the ball went their way.

The revolving mass play of the Juniors was their strong point. It was successfully worked for five yards at a time with one exception. They would mass on tackle, transform themselves into a whirligig and shoot their half back out with a momentum equal to a spring gun.

The Meds. made most of their gains in end plays, the ten yard shoot of Kornegay between tackle and guard being the only notable exception to this.

The inability to score was not the result of poor playing on either team, but rather excellent playing. This good work was very gratifying to admirers of foot ball, who see a rapid development along this line, the result of class team work.

For the Juniors Davis, Pearson and Winston, and for the Meds. Kornegay, Tate and Bryson did the best work.

### FIRST HALF.

The Juniors win the toss and choose left goal. Play is called. Roy Williams leads off with a kick for 30 yards to Winston who advanced the ball 10 yards. Pearson makes 15, Davis 5, Pearson 10, Davis 3, then 10, and ball goes over on a fumble.

Kornegay breaks around right end in a star play for 40 yards; the Meds. lose 3, Bryson fails to gain, and Kornegay failing to make line, the ball goes over. The Juniors rush for  $\frac{1}{2}$  yard, Davis makes 3, Pearson 2, (Pearson is hurt, but after some little delay plays on). Donnelly makes 5; but ball goes to the Meds. on off-side play. They rush for 3, Kornegay shoots through line for 10, and Bryson gains 4; but an off-side play loses the ball to the Juniors. Davis gains 5, Donnelly 8; but Pearson can't make it. Donnelly 2, 2 again, Davis 5, Pearson 1, then 3, Donnelly 3, Davis 3; but Pearson loses  $\frac{1}{2}$  yard. Davis is hurt, but continues playing. Donnelly takes the ball for end play but time is called, the ball about the centre of the field.

### SECOND HALF.

Winston kicks for 30 yards to Bryson who returns 15; Kornegay advances 5, Bryson can't make it. Kornegay again gains 5, Bryson 4. The ball is passed to Kornegay who makes 15 yards round left end. He tries it again, but fails to gain.
