

**HERE AND THERE.**

Dr. Battle spent Easter in Raleigh.

Miss Rachel Simms, of Durham, spent Easter at Mr. H. H. Patterson's.

Prof. Cobb went with the geology class to Egypt coal mines Easter.

Prof. Williams was called away from College last Thursday on business.

Miss Jennie Patterson, who is at school at Salem Female Academy, spent Easter with her parents here.

The order of Gimghouls are building a Lodge at the end of Rosemary Street just beyond the Episcopal Rectory.

Dr. Dinwiddie, Principal of Peace Institute, Raleigh, spoke at the Presbyterian Church Sunday morning and evening.

Miss Watkins, one of our popular co-eds, has been secured by Dr. Dinwiddie to teach Mathematics at Peace Institute next year.

Dr. Hume, who was Chaplain of the 3rd Va. Infantry and Post Chaplain in the Siege of Petersburg, has been invited to deliver one of the addresses in the Chaplains' Symposium during the Confederate Veteran's Reunion in Atlanta in July.

The game of base-ball between the coon teams of Chapel Hill and Durham, played on the Chapel Hill grounds Monday afternoon, resulted in a score of 22 to 2 in favor of the home team. The principle feature of the game was the systematic rooting of the town coons.

We held over this issue of the TAR HEEL expecting to get a report of the Johns Hopkins and Pennsylvania games. Our reporter failed to send in anything from some cause unknown to us, and so we are unable to say more in regard to these games than that we defeated Johns Hopkins by a score of 20 to 0, Carolina playing an errorless game; and that the Pennsylvania game was called during the first inning on account of dissatisfaction with the Umpire, the score standing 4 to 0 in favor of Carolina.

On reference to the official score book it was afterwards found that the Umpire was right.

**A Card of Thanks.**

We desire to thank the faculty and students of the University and people of Chapel Hill for the kindness shown us and the valuable assistance rendered by them during the recent illness of Edwin Whitehead. No words of ours can fully express our gratitude towards them for their help in a time of trouble.

**Success for our Co-eds.**

As a result of the admission of women into the University we have the pleasure of seeing one of our young lady students appointed to a prominent position. Miss Watkins, who has been in the University since October making a specialty of mathematics has received an appointment as teacher of higher mathematics, in Peace Institute, Raleigh.

This is a compliment to the University as well as to Miss Watkins. It shows that there are places of importance awaiting the young women who prepare themselves by thorough courses of study at the University.

That is the way all druggists sell GROVE'S TASTELESS CHILL TONIC for Chills and fever and all forms of malaria. It is simply Iron and Tonic in a tasteless form. Children love it. Adults prefer bitter nauseating Tonics. Price 50c.
