We learn that baseball games have been arranged with Cornell, Virginia and Georgia, with the latter two there will be a series of three games. They will both draw large crowds. We are glad that our manager is at work arranging his schedule and not waiting till the spring when all the colleges have already arranged schedules.

Several students will accompany the team on their southern trip. They will be quite an encouragement to the team. But let them not forget that there are about four hundred of us back here with them in spirit if not in body. Play hard. Vanderbilt refused to give us a chance to redeem last year's defeat either on our own or their grounds. But Georgia has defeated Vanderbilt. Now let us show our superiority to Georgia and so beat Vanderbilt indirectly.

What's the matter with the class teams? Will the higher classes leave it to the Soph. and Fresh. classes to keep up this important phase of foot ball? These have set the ball rolling. Let the others now take it up and keep it going. The class teams should receive more encouragement from the authorities. We would then have better teams and more interest. Can't something be done?

Nearly all of our college exchanges abound in patriotic songs and yells for their important foot ball games. Why can't we have something of the sort? We have plenty of talent among us, plenty of enthusiasm and a good team to inspire enthusiasm, then why not the songs? If only, some of our poets would overcome their false modesty a little and contribute something of this sort, it would do much good in helping the team on the victory. Our big games are to begin this week and we need all the encouragement of any nature to urge the team to their best. Let somebody come forward and help us out. Let's have the next issue of the TAR HEEL full of inspiring songs.

Several of our college papers are complaining of weak scrub teams. The scrub team is next to the Varsity the most important athletic or-

ganization in college. It makes the Varsity. we have a good, strong scrub and will not make any complaint of them, for they have worked hard, sacrificed much and get little praise generally. But still there can be improvement, and if only the good men would come out and even at the last hour fight for places on either team, great good would result. Its a hard job, but there's honor in holding a place on the scrub team, for they give strength to the Varsity.

The foot ball team leaves Thursday for its first game away from the hill. At this game however there will be mostly friends and friendly rooting. But in a few days they leave for their southern trip, to play Georgia and Alabama. Let us get behind them more than ever now and give them a send off not by gathering in a mass meeting in the chapel and saying a lot of meaningless words, but by an every day gathering on the field. They are working hard now. Let's show them that we know it and appreciate their efforts, so that when they are on foreign gridirons they may feel they are still fighting for the college and that we are still behind them.

The foot ball team must have some revenge next Friday in the Blacksburg game.

Remember last year's score and wipe it out so thoroughly that it may never be mentioned again. An alumnus from Winston writes us that if the team crushes Blacksburg to the earth, Winston will send a large delegation to Richmond Thanksgiving day. We need that delegation and must have it.

As announced in another column, Davidson College will send a foot ball team over to Charlotte to play our boys next Saturday. We welcome Davidson on the gridiron. We are glad she has thrown aside her old isolation and decided to mix with us. We trust that we shall be able to furnish them such amusement Saturday as to give them reason for remaining in the field.

Decidedly foot ball is regaining its proper place in the State.

## New Foot-ball Games.

Games have been arranged with Davidson College and the University of Maryland. The Davidson game will be played in Charlotte on Nov. 5th. and the Maryland Game will be played here after the team returns from the Southern trip.

Two old Varsity players are with Maryland playing ends. They are Tom Green and Joel Whitaker. If the others are as good we shall have to look to our laurels. After this game the team goes into its usual hard training for the Thanksgiving game.

## William Bingham-Horner Game.

The William Bingham School and Horner School foot ball teams will play here next Saturday Nov. 5th. Let's turn out a good crowd to see the game and encourage the players. By helping these Preparatory Schools teams, we help ourselves.

Messrs. J. P. Bunn and Clarence Swindell went home last week to register.

## Interesting Lecture Series.

The students doubtless will be glad to know that some efforts are being made to secure several good lecturers during this winter.

Just a word in advance; in the first place, we want none but the best and in the next place we have got to school and cultivate our taste for this sort of thing as well as for our daily resitation. Surely our education would be lacking in much were we to go through the University without hearing and studying some of the best lecturers in America. We hope that when the opportunity comes, the students will make good use of it.

Again we hope no one would be disappointed should the lecturer fail to cater to some little whimsical desire of his.

There is always inspiration and impetus towards higher ideals to be gained from listening to and coming in contact with such a man as Hamilton W. Mabie, whose books are now in the best libraries not only of America but of most of the foreign countries. Viewed in this light one is always repaid and too there is a feeling of pleasure in having seen and heard men who are becoming famous in our midst, and who soon will be known to all cultured people. When such men appear in our halls everybody should hear them and thus add to their store bits of knowledge without which their training here would be incomplete.

## The Old Folks at Home.

Don't go to the theater, concert or ball,

But stay in your room to-night;

Deny yourself the friends that call,

And a good, long letter write—

Write to the sad old folks at home,

Who sit, when the day is done,

With folded hands and downcast eyes.

And think of the absent one.

Don't selfishly scribble, "Excuse my haste,

I've scarcely time to write,"

Lest their brooding thoughts go wander-

ing back,

To many a bygone night

When they lost needed sleep and rest,

And every breath was a prayer

That God would lead their delicate babe

To their tender love and care.

Don't let them feel that you've no more

Of their love or counsel wise;

For their hearts grow strongly sensitive

When age has dimmed their eyes:

It might be well to let them believe

You never forgot them quite,

That you deem it pleasure when far away

A long letter home to write,

Don't think that the young and giddy

friends

Who make your pastime gay,

Have half the anxious thought for you

That the old folks have to-day.

The duty of writing do not put off,

Let sleep or pleasure wait,

Lest the letter for which they looked and

longed.

Be it a day or an hour too late.

For the sad old folks at home,

With locks fast turning white,

Are longing to hear from the absent one—

Write them a letter to-night.

Mr. S. L. Davis '92 was on the "Hill" Tuesday visiting his brother Mr. L. H. Davis '99. He is engaged in the furniture manufacturing business at High Point.

Communications from Macon tell us that the people of that city are looking forward eagerly to the Georgia-Carolina foot ball game to be played there on the 12th. The city authorities have taken charge of the athletic park and putting it

in the best possible shape. Look out for Carolina that day. She'll be there in full force.

Dr. J. H. Pratt Mineralogist of the North Carolina Geological Survey came to Chapel Hill Tuesday, where he will spend the winter. He has been at work during the Summer in Western North Carolina.

Mr. E. W. Myers of the Survey away from the "Hill" several days last week visiting river gaging stations in this state and in S. C..

Dr. Hume has been invited to deliver his well known lecture on "Shakespeare and the Bible" in Washington D. C., this month. This is the lecture which he delivered at Knoxville Tenn., before the Southern Biblical Assembly last June. As he will not be able to go to Washington he will send a copy to be read.

## Junior Soph Inter-Society Debate.

The Societies have arranged another Junior-Soph debate to take place in November. The Phi. has elected Messrs. Frank Bryan and T. Johnston to uphold their end.
