ST. MARY'S SCHOOL,
Raleigh, N. C.

Manager of the Athletic Dept.

We thought that perhaps you might like to know of the success of "Basket Ball" at St. Mary's as you had a very interesting article on that game in last week's TAR HEEL.

One of our teachers introduced it here, she played the game at Cornell, so we have full benefit of her instruction.

We have four teams and play almost every evening.

Yours very sincerely,

"The Forward" on Team 3.

The Southern Trip.

The Team arrived on the hill Tuesday evening. The fellows are loud in their praise of their hosts both in Macon and Auburn, and take this means of thanking the Georgians and Alabamians for the kindness and courtesy shown them while in their midst. The only disagreeable feature of the trip was the persistency of the Auburn boys rushing out on the field causing Captain Rogers to call time several times in order to clear the grid-iron. We feel sure however that this was entirely unintentional on their part but that carried away by enthusiasm they were unable to restrain themselves.

Bingham School of Mebane vs. A & M. College here Saturday.

This will be an exciting game and we hope to see a large crowd out to witness the contest.
