### Resolutions of Respect.

The Faculty of the University of North Carolina record with deep sorrow and profound sense of loss the death of their honored colleague the Hon. John Manning, LL.D., professor of law 1882-1899.

A long, noble and useful life has ended, and another great servant of the University has passed to his rest. Dr. Manning rendered distinguished service in his State as a lawyer, a legislator and jurist.

He wore about him the graces of a gentleman, the charm of a cultured mind, and the flower of high Christian manhood. He was a good father and husband, a good citizen and a loyal friend and wise counselor. As a teacher he was patient in preparation, orderly in arrangement, strong and lucid in exposition, and never-failing in sympathy. His fame as a teacher of the law will longest endure for it was his greatest as well as his last service of this kind. His conception of the teacher's office was one with that of Mark Hopkins, the Storys and Arnolds of the world; he held personality to be greater than method. He loved his pupils and he loved the law and his work, while beyond the text-book, the lecture, the class room, stood his clean, wholesome, upright, unselfish life, impelling men to obedience, and winning them to love.

The University mourns his loss as a lifetime friend and a devoted servant who reflected honor upon her teachings and whose highest desire and whose happy fate it was to serve her faithfully and well to the end.

E. A. ALDERMAN,  
K. P. BATTLE,  
J. C. Biggs,  
Committee.

### Meeting of Tar Heel Editors.

A meeting of the board of editors of the TAR HEEL was held in the chapel last Friday afternoon at 2:30. The resignation of Mr. E. D. Broadhurst, '99, of the exchange department was accepted, and Mr. James E. Latta, '99, was elected to fill the vacancy.

Mr. H. M. London, '99, accompanied by Tom Worth, '02, and R. S. Hutchinson, '02, spent the Easter holidays at his home in Pittsboro.

A game of base ball played near here on Monday afternoon between the coon teams of Chapel Hill and Durham proved a walk over for Chapel Hill. The Durham team was vanquished by a score of 38 to 11. The features of the game were the heavy batting of the Chapel Hill team and the abundance of errors by the Durhamites.

Dr. Thomas Hume will leave Saturday for Winston where he delivers Monday morning a lecture on the "Relation of a Library to the Public" the occasion being the opening of the the Graded School Library of that town. He will also deliver a lecture before the Literary Club of Winston that evening.

## A Wonderful Invention.

Zoology teaches that the hairs of the head are hollow, and contain an oil that gives them life. In clipping the hair with scissors, this hollow is left open, and the hair loses its life-giving properties. I have a Machine named the Singeing Machine, which removes the hair and at the same time closes up the hollow, causing the hair to retain its life-giving properties, and therefore stopping the hair from falling out or dying, and giving it a soft growth. Call and examine this machine and have your hair singed. Special attention given to dressing Ladies' hair. Cutting done with exquisite and artistic skill by the old University Barber of twenty years' experience. The singing machine is highly recommended by scientists throughout the country.  
Very Respectfully,  
T. D. DUNSTAN  
Professor of Tonsorial Art.
