UNIVERSITY FIELD DAY.

Many Records Broken at Contests Held Saturday.

Field Day was a record-breaking day, and that's all there is to it. Men who expect to wear the N. C. sweater hereafter because of a record on the track team will have as hard time getting the privilege as those who try through the foot ball and base ball teams. It shows what work will do; it showed none the less the intense enthusiasm of our gymnasium director, Mr. Calder; he has been untiring in his efforts to arouse interest in track athletics, and unstinted praise is due him. Captain Kornegay also deserves much credit. He has kept things lively since his election and all the "go" and "vim" we saw in the races Saturday were due to his efforts. As for the record-breakers themselves, "the men behind the guns," too much praise cannot be given. They smashed previous College records unmercifully, and five new men are proud possessors of N. C. sweaters in consequence.

The weather was ideal and other conditions favorable. Several events were closely contested and only in two or three was the winner's superiority well marked. Osborne's stumble in the 100 yards dash was unfortunate; he would have given Kornegay a close race otherwise. Reynolds broke the college record for putting the shot and also for throwing the hammer. Osborne was again unfortunate in the high hurdle race tho he succeeded in winning easily from Whitaker by one and a fifth seconds.

Davis and Brem were the only contestants in the pole vault, and Davis succeeded in breaking the college record by five inches.

All the records were good, and sufficiently so to warrant our immediate entrance into an inter-collegiate meet. We have the material now, the incentive has been given, and nothing remains for us, but to enter the Southern Association where we shall have no slight chance of complete victory.

The summary follows:

100 Yards Dash.

First heat—Won by Kornegay; Osborne, second. Time, 10 2-5 s.

Second heat—Won by Woodson; Hearn, second. Time, 11 2-5 s.

The race was against time so no final heat was run.

120 Yards High Hurdle.

First heat—Won by Osborne; McIver, second. Time, 20 2-5 s.

Second heat—Won by Whitaker; Branch, second. Time, 21 3-5 s.

In this race Osborne unfortunately tripped a hurdle so the record goes to Whitaker, tho Osborne won first prize.

220 Yards Hurdle.

First heat—Won by Kornegay;

Osborne, second. Time, 29 4-5 and 30 s.

Second heat—Won by Woodson; McIver, second. Time, 32 2-5 s.

440 Yard Run.

First heat—Won by Kornegay; Whitaker, second. Time 58 3-5 s.

1 Mile Run.

First heat—Won by Hearn; Branch, second. Time, 5 minutes 55 4-5 s.

High Jump.

There were only two contestants and Kellam won easily from Brem by a jump of 5 ft. 5 in. Kellam has had very little practice and can improve on this we venture to predict. This feat entitles him to a sweater.

Running Broad Jump.

Won by Brem, 18 ft.; Kellam, second, 17 ft. 1 in.

Pole Vault.

Won by Davis, 9 ft. 3 1/2 in. Brem, second.

Putting 12 lb. Shot.

Won by Reynolds, 40 ft. 6 in.; McIver, second, 34 ft. 3 in.

Hammer Throw.

Won by Reynolds 90 ft. 11 in.; Hearn, second, 64 ft. 5 in.

FOOT BALL.

The Schedule of Games that has been Arranged for the Season of '99.

It is always pleasant to look forward from one year to the next and enjoy the pleasure of anticipation. Hence it will no doubt be of interest to all interested in our athletics and especially to our alumni to know what may be expected next fall in foot ball circles.

Manager Jones has been working hard this spring to arrange for games next season and so far has succeeded in making many important dates. A game with Princeton University has been definitely scheduled and this promises to add much interest to the work of next fall's team.

During the first part of the season games will be played with North Carolina schools and colleges. Already four of these games have been arranged for.

Then a game will be played on Oct. 27, at Chapel Hill, with University of Maryland.

On Nov. 8th the team will arrive at Princeton, N. J. and play the team from that place on their own grounds. Three days will then intervene for rest before the 11th when our team will meet the University of Maryland team in Baltimore.

The date with University of Georgia has been made for Nov. 30th and Manager Jones is now in correspondence with other southern colleges trying to make other dates for the southern trip. It is hoped that Tulane University will agree to play us on this trip. Negotiations for this are now being made.

All together next season promises to be the most interesting in the history of our athletics. The schedule of games is already a good one and promises to be better.

W. A. Reynolds will return to coach the team once more. Upon this point we congratulate ourselves.

There is no reason why we should not even put out a team that will make a record surpassing our victorious record of last fall if such a thing were possible.

The list of games thus far arranged definitely for the season '99 is as follows:—

- Oct. 7th A.&M. College, at Chapel Hill.
- " 14th Guilford College, " " "
- " 16th Bingham School, " " "
- " 21st Davidson College, at Charlotte.
- " 27th U. of Maryland, at Chapel Hill.
- Nov. 8th Princeton, at Princeton, N. J.
- " 11th U. of Maryland, at Baltimore.
- " 30th U. of Georgia, at Atlanta, Ga.

The base ball season being over we look forward to next year's foot ball team.

From the present indications athletic spirit has never been aroused to the point of enthusiasm which next year promises to bring. The schedule is being rapidly completed. The North Carolina teams will be played first and when it is remembered that except the team from Virginia, no college in the South made a better stand against us than our State college teams these games will be of no small interest. Prospects are altogether bright and we can not but expect a winning team with Coach Reynolds once more at its head.

Class Day Song of '99.

What merry group so blithe and gay?
Is this the Class of '99?
What means this bright array to-day
Ye merry lads of '99?
To-day our tasks are passed away,
To-day our farewells we must say,
Alas, to-day is our last time
To meet, this Class of '99.

For four long years we've studied well,
We gallant boys of '99
But now we say our fond farewell,
We hearty chaps of '99.
No more of Math. and English Three,
No more of Greek and History,
No more of study, that is fine
For lazy of boys '99.

For future cares we take no thought
We jolly boys of '99,
The victory's won, the battle's fought
By valiant sons of '99.
And though our studies all are o'er
And we are college boys no more,
Our hearts and deeds are ever thine,
Dear Alma Mater, '99.

To-day will be forever dear
To loyal hearts of '99
If hope be faint and life be drear,
We'll fondly dream of '99.
Then thrice three "Rahs" pray let us give
And ne'er forget it while we live
To love cherish, ever mind,
The memories of '99.

THE BASE BALL SEASON OF '99.

A General Review of the Season's Work.

The base ball season has now closed and become a thing of the past, a chapter in the history of athletics at the University of North Carolina. We read this chapter with much interest and no small degree of pride. The record made this year has been a good one.

Of the fourteen games played twelve were won and two lost, one to the University of Maryland by the close score of five to six, and the first game with Lafayette. As the second game with Lafayette was won by our team, we may say that we divided honors with this worthy rival.

Much praise is due Capt. Winston for his untiring effort to make the team do its best. His own work on first base or when he was called upon to fill the box has proved very satisfactory.

A list of batting and fielding averages of the team is given below. These figures speak for themselves and require no comment.

So here's to the Base Ball Team of '99 may she ever receive honor and praise and the tokens of esteem so well deserved!
