Vanderbilt Letter.

To the Tar Heel;

Your last letter was received some days ago and enjoyed much. The plan we have inaugurated seems to give much satisfaction at this end of the line and trust it is as agreeable to you.

Since our last letter to you, we have had our annual 22nd of February contest in oratory between the two Literary Societies to decide who shall represent Vanderbilt in the Southern Intercollegiate Oratorical Contest. Mr. D. K. Lambeth of the Delta Kappa Epsilon fraternity, representing the Philosophic Literary Society was chosen to be the representative. After the Oratorical Contest, there was a promenade, moistened with *frappe*. It was quite a success and we expect to have large crowds from this on at our public exercises.

Baseball practice has begun in dead earnest and our prospects for a good team are most flattering. There are several applicants for every place on the team and we will be strong at every point. There was some doubt as to the pitcher but several men are showing up well for this place. Henry Ashford, a former professional player, who is attending the Dental department of the University is coaching the team.

Regular work has not been begun yet by the Track Team, but with continued weather such as we are having now, there will be a start made soon. "Dad" Moulton, who coached our victorious team last year, will be with us again this year. He will be here about the 1st of April.

We have had several distin-

guished men with us lately, among them being Rev. Roland Dwight Grant of Boston and Dr. Jenkins, father of our French professor, of Philadelphia.

S. A. Johnson, Ex-Ed. Hustler.

Tennis Association.

There will be a meeting of the Tennis Association in the Chapel on Tuesday at two o'clock. Every tennis player in college is a member of the Association and all are urged to attend.

If the lovers of tournament wish a tournament, a full attendance would insure one early this spring. Kemp P. Lewis, President.

Virginia plays her first game of base ball on March 19, and her last on the 19th. of May. About nine tenths of the games will be played at Charlottesville.

"College Slang" is to be the title of a book by Dr. Babbett of Columbia University.

In the second annual debate between Michigan and Pennsylvania, the latter was defeated last week. Pennsylvania had the affirmative of the query: Resolved, That the formation of Trusts should be opposed by legislation.

The Board of Athletics of Wisconsin has offered a three years contract to Phil King, at a salary of \$3500 a year to coach the foot ball and base ball teams.
