Alpha Theta Phi.

The Alpha Theta Phi society met in the Chemical Lecture hall on Saturday at 12:30 to hold its annual initiation. The number of initiations this year was larger than usual, the number of men from the Junior class being larger than any previous year in the history of the society.

- The initiates were as follows:
 P. Cobb, '01.
 J. C. B. Ehringhaus, '01
 I. F. Kewis, '02
 D. P. Stern, '02
 D. C. Ballard, '02
 R. R. Williams, '02
 R. N. Duffey, '02
 R. Stevenson, '02
 B. S. Drane, '02.

After the initiation a committee was appointed to direct the efforts of the society towards securing a charter from Phi B. K. A. D. Phi was organized with this end in view and it is working hard to secure it. We have several Phi B. K. men in our faculty and each of these has promised assistance in securing a charter.

Measures were also discussed for making some arrangement whereby Alpha Theta Phi Seniors should be distinguished from other Seniors at Commencement. A committee was appointed to look after this matter also.
