## GUILFORD DEFEATED

### The First Game of the Season Goes to Carolina—The Game in Detail.

The Guilford-Carolina foot ball game last Saturday resulted in a score of 15 to 0 in favor of Carolina. The playing began at 12.35 o'clock, and in three minutes Carolina made a touch-down, and after two minutes more she made another five points. Then Guilford revived to such an extent that the Varsity did not score again until she made her last touch-down about the middle of the last half. In the meanwhile the Quakers, aided mainly by Farlow, Dook and Thornburg, made some considerable advances. The visitors as a whole might have made the game at least a little more interesting if the man who did the kicking, for them had not almost always punted the ball either straight up in the air or back over his head. As it was, the punts only added to the long gains which were every now and then made by Donnelly, Jones, Jacocks and Newton.

#### THE GAME.

The game in detail is as follows:

Guilford chooses to defend the east goal, and receives kick-off from Carolina. Jacocks kicks 30 yards, and Guilford catches and advances 10 yards. On first down Guilford gains 2 yards. Next Guilford punts 10 yards.

The ball is caught by Newton, and advanced 5 yards. Roberson goes over centre for 5 yards. And then through same place Jacocks takes ball for another 5 yards. Newton attempts to make a circuit around right end but is thrown back. Jacocks takes ball through the line for 3 yards. On attempting this play a second time Jacocks fumbles the ball but Cox falls on it like a flash. Next, Newton takes the ball, fumbles and loses it. In the shuffle Jacocks regains the ball, and crawls for some two or three yards "kinder" like a snake until he touches the ball down behind the goal posts. Time, 3 minutes. Roberson tries to kick goal but hits one of the posts and the ball bounces back. Score: Guilford 0; Carolina 5.

Our team now takes the eastern half of the gridiron to receive the visitors' kick-off. Captain Dixon punts the ball 25 yards for the Quakers. Singletary catches and advances 15 yards. Jacocks carries ball around left end for 15 yards. Next, by means of a very artistically executed fake play, Newton makes 20 yards. In the following down Guilford gets the ball on account of a fumble.

Guilford on first down loses 2 yards on account of our centre, Stewart, breaking through the Quakers' line, and tackling their runner, almost before he can get started. This forces Guilford to

kick. For once she makes a punt for 20 yards.

Jacocks catches the ball and advances 10 yards. Roberson goes over the line for 5 yards. Newton takes the ball by Guilford's left guard and tackle and lopes down the field for a most sensational gain, which culminates in a second touch down.

The contest has now been waging only 5 minutes.

Roberson fails again to kick goal, and so the score is: Guilford 0; Carolina 10.

The Varsity takes the lower half of the gridiron and receives Guilford's kick-off of 35 yards. Donnelly advances 20 yards. Jacocks fails to get around left end, but Newton tries around right end and makes 5 yards. Now Jacocks edges his way through right guard for 5 yards. Roberson makes 3 yards through center, but the referee calls our men back 5 yards because of some one of the team's off-side play. Newton takes the ball 3 yards over left tackle. The ball is now kicked to Guilford's 15 yard line. A Guilford man catches, and is tackled on the spot.

Guilford is beginning to do her best playing. Farlow bucks through our left guard for 3 yards. The visitors next make distance over our right guard. Now they fail to make gain over Donnelly. Around left end they make 4 yards. They kick ball 2 yards, and one of their men gets the ball. On their first down they make 2 yards, and on their second down they make 3 yards. Farlow pushes ball through the Varsity line for 1 yard. Guilford kicks one of her backward kicks and loses 5 yards.

But Jacocks offsets this by loosing 8 yards. The Varsity punts the ball 25 yards. Guilford makes a free catch, and makes place kick from the spot.

Roberson, on catching the ball, advances 15 yards to the middle of the field. Donnelly makes a good effort and gains 10 yards over right tackle. There is only a minute and a half to play. Newton makes 5 yards, Jacocks 3 yards and Roberson 5 yards. N. C. kicks the ball and Guilford catches it. Townsend tackles Guilford's man with ball 10 yards from their goal.

Time is called for relaxation.

Guilford, upon resuming position, takes the western end of the field and seems more determined than before to get into the game. The Quakers kick off to Jacocks on Carolina's 10 yard line.

Jacocks advances 15 yards. Mann also makes 15 yards around left end. Donnelly gains 5 yards, and Newton 3 yards. Mann makes 5 yards. Roberson makes 1 yard through center. Mann fails to gain, but Jones, H. M., makes 8 yards. Roberson again tries to buck centre and makes 3 yards. Jones, H. M., gains 10 yards. Newton fails to carry ball because of Guilford's man Thornburg.

Roberson again goes by centre for 5 yard gain. Mann, trying his old-time twisting and turning, makes a beautiful advance of 5 yards against strong defense. Newton is given the ball and he places it over another chalk mark. And now we see the prettiest feature of the game. Donnelly with the ball and with perfect interference, with Carolina men clustered all about him, is carried between the goal posts.

The men have been playing 4 1-2 minutes. Guilford has been doing her utmost, but the Varsity is down hard at work.

Roberson fails to kick goal, and Guilford prepares to kick off from the eastern half of the field.

They kick 35 yards to Jacocks who advances 25 yards. Mann makes an 8 yard run but is called back by referee 10 yards, due to off side play. Jacocks kicks 25 yards.

Dixon catches and advances 10 yards. Farlow goes through the line for 1 yard. Guilford kicks the ball, which hits the teams in line and bounces back 20 yards. Mann grabs the ball and advances 10 yards. Roberson goes over the line for 5 yards. Mann makes no gain. Newton is kept from making gain by Farlow. Newton makes 3 yards. Ball goes over to the Quakers.

Thornburg makes one yard and Snipes gains a yard. Guilford advances 1 yard between Jones and Singletary. The ball goes to Carolina.

Jacocks makes no gain. Newton gains 1-2 yard.

Time is called with the ball in Carolina's hands on Guilford's 25 yard line.

#### LINE-UP.

GUILFORD.		CAROLINA.
D. Couch	C.	Stewart
Dixon (Capt)	Q.	Engle, R.
Thornburg	F. B.	Roberson
Snipes	R. H.	Newton
Farlow	R. G.	Singletary
Pritchett	R. T.	Jones, H.
Lindsey	R. E.	Cox
Clark	L. H.	Jacocks
Dood, B.	L. G.	Hester
Millikan	L. T.	Donnelly
Dook H.	L. E.	Townsend

At the end of the first half Fisher took Left End, Jacocks Quarter and Mann Left Half-back.

The substitutes were as follows: for Guilford: L. Hobbs, Newlin, Watson, Cathey; for Carolina: Parker, Fowle, Smith and Ross.

Cox was Acting Captain for Carolina. White and Wilson are Manager and Coach, respectively, of Guilford's team, while Smith and Olcott are respectively Manager and Coach of Carolina. Timekeeper, Wm. Dunn; Umpire, J. McRae; Referee, Dr. Joe Whitaker.

Dr. Thos. Hume conducted services morning and night in the Baptist church at Hillsboro, last Sunday.

## A NEW GYMNASIUM

### The Gift of Judge W. P. Bynum, as a Memorial to his Grandson, W. P. Bynum, Jr.

It is with pleasure that THE TAR HEEL announces to the students and alumni of the University, the generous gift of \$25,000 from Judge W. P. Bynum, of Charlotte, to be used for the erection of a gymnasium. When the announcement was made in the chapel yesterday the students gave voice to their appreciation in vigorous and prolonged applause.

The new building is to be a memorial to Judge Bynum's grandson, W. P. Bynum, of the class of 1903. He was a student at the University for two years; but his life was cut off before he could fully equip himself for it. He was a member of the Dialectic Society and was a diligent student, making an average of 95 per cent. on his studies. His personal character was exemplary. He was a generous friend and a noble Christian. His death was a loss to his State and to his Alma Mater. It is very fitting therefore, that a building should be erected to his memory on the University campus.

The gift supplies a much-felt want, and comes at the right time. The building will probably be placed on the old athletic field. Work will begin on it soon, so as to have it completed by next year, if possible. This and the new Y. M. C. A. building will make excellent additions to the campus.

#### Radium and Kunzite.

Several of the New York papers of late have had articles on the work done on the Morgan-Tiffany collection of gems the last summer by Dr. Kunz, of New York and Dr. Charles Baskerville. The latest is the New York Herald, which has an illustrated article this week on Kunzite, the new gem, which was discovered by Drs. Kunz and Baskerville during the course of their investigations, by the action of radium. It was named Kunzite by Dr. Baskerville in honor of Dr. Kunz. It is said to be a most beautiful gem, belonging to the Hiddenite species. It will interest Chapel Hillians to learn that the only sample of this beautiful stone outside of Tiffany's is owned by Mrs. Baskerville, to whom it was presented by Dr. Kunz.

Dr. Baskerville has recently had in his possession a sample of radium which came from the Societe Centrale des Produits Chimique. It weighed only a gram but was worth \$200. He recently shipped this to a physician in New York City who was enabled by it to treat successfully a malignant case of sarcoma on the jaw.

D. M. Swink, '00, was recently appointed Manager of the City Electric Light and Power Company, Newark, N. J.
