· FORTY-FIVE TO NOTHING!

Last Saturday's Game Between Carolina and Oak Ridge Results in a Walkover for Carolina.

The Carolina-Oak Ridge foot ball game Saturday was not so much a glorious victory for Carolina as it was for Oak Ridge a pitiable defeat. Carolina gained nearly nine hundred yards, while Oak Ridge did not gain a yard. The Varsity so completely outclassed the visitors that there was no good game from a practical point of view. No doubt, however, the students were pleased to see the Varsity execute her plays so effectively. The two good tackles, however, that were made by Oak Ridge men were things that everybody was glad to see; and if some other remarkable thing had been done by Oak Ridge, everybody would have been still more pleased. That might have made the Varsity feel more at liberty to increase her score.

As it was the ball was in play only 20 minutes, and in that time Carolina made 45 and Oak Ridge 0.

In a few words the game was something like this: Varsity's quarter would call the signals; then there would be a few rushes, and next some Varsity man, after a little dodging, would chase down the gridiron for a touch down. In detail, however, the game is somewhat harder to describe, it being a series of such long runs that it is hard to use specific language and preserve accuracy. The following report is as correct as possible.

THE GAME IN DETAIL.

Oak Ridge kicks off from the western end of the gridiron for 30 yards.

Newton catches the ball and advances 10 yards. Jacocks makes 3 yards; Mann 8 yards; Donnelly 15 yards; Mann 5 yards; Jacocks 1 yard, and Newton 5 yards. Jacocks makes a "beauty" circle around Oak Ridge's right end for 30 yards. The ball is now within about 10 yards of goal posts. And Mann is given the ball which he carries around Oak Ridge's left end for a touch down. The ball has been in play 3 minutes. Jacocks kicks goal. Score: Carolina 6; Oak Ridge 0.

Carolina kicks off from the west for 23 yards. Oak Ridge catches but makes no advance. She attempts to gain again but fails, since left end Towasend runs behind the line and downs the man with the ball. The ball goes to Carolina.

Jacocks makes another long run of about 30 yards around Oak Ridge's right end and makes a touch down. The ball has been in play only one minute and 20 seconds since the last touch down. Jacocks kicks a second goal. Score: Carolina 12, Oak Ridge 0.

The Oak Ridge men station themselves in the western end of the field and kick off 30 yards to Mann, who attempts to pitch to Jacocks, but Oak Ridge gets the ball.

After twice attempting to advance without success, Oak Ridge kicks the ball 10 yards.

Jacocks advances four yards. Engle makes 25 yards on a pretty trick play around left end. Jacocks punts ball about 35 yards and Cox falls on the ball, which is about 15 yards from the goal. Mann carries the ball over for a third touch down.

Time of play since last score, 3 minutes and 50 seconds. Jacocks kicks goal. Score: Carolina 18, Oak Ridge 0.

Oak Ridge kicks off 25 yards from the east.

Mann catches and advances 12 yards. Donnelly goes through the line and makes a long run more than half the length of the field, making a fourth touchdown. Time since last score, 30 sec. Jacocks kicks goal, making the score: Carolina 24; Oak Ridge 0.

Oak Ridge kicks off 30 yards.

Mann catches and advances 10 yards. He is stopped by a very pretty tackle on the part of an Oak Ridge man. Next Jacocks takes the ball and runs around Oak Ridge's left until within 20 yards of the goal, but is called back 50 yards, on account of a foul play on the part of some Varsity man. This delayed the next touch down only a little bit. The very next play Donnelly went between left tackle and left end on down the field until he laid the ball down behind the goal. Time, 1 minute and 50 seconds. Jacocks fails to kick goal. Score, Carolina 29; Oak Ridge 0.

Oak Ridge chooses to kick off again. Donnelly catches and advances 20 yards. Carolina kicks 25 yards.

An Oak Ridge man catches the ball but makes no gain, because of Townsend's pretty tackle. Oak Ridge then punts.

Engle catches and advances 15 yards. Jacocks makes 10 yards. Mann goes through the line for 5 yards. Jacocks goes around right tackle for 10 yards. The ball is now within a short distance of the goal, but time for this half is almost up. So Jacocks attempts to kick a drop 20 yards from goal and succeeds. Score: Carolina 34; Oak Ridge 0. Time is up.

SECOND HALF.

Carolina takes the western end of the gridiron and kicks off 45 yards. An Oak Ridge man catches and Rose makes a quick tackle. Oak Ridge makes two futile attempts to advance the ball, and finally the ball goes to the Varsity.

Engle attempts drop kick but fails to score. Oak Ridge lines up on the 25 yard line. Rose catches the ball and advances 10 yards.

Newton goes around Oak Ridge's right end for another long run. An Oak Ridge player tries to tackle but is prevented by Berkeley, who throws himself in his way, thereby thwarting the man in his purpose. So Newton goes on unmolested and makes a touch down. The ball has been in play 1 minute and 55 sec-

onds. Roberson kicks goal. Score: Carolina 40; Oak Ridge 0.

Oak Ridge kicks off from the west 20 yards to Fisher, who advances 15 yards. And on the next play Berkeley makes some rabbit-like dodges and runs down the field for one more touch down. Time of ball in play, 36 seconds. Roberson fails to kick goal. Score: Carolina 45; Oak Ridge 0.

Oak Ridge kicks off 35 yards. Fisher catches and advances 10 yards. Newton makes another long run for 30 yards. Newton makes no gain. The ball is about 15 yards from Oak Ridge's goal.

It is necessary for the visitors to make the afternoon train and time is called. The ball has been in play only 6 minutes of this half.

Gridiron Gossip.

Yale's great rival, Harvard, complains of a lack of heavy men, but has material enough on the gridiron to make the best of them hustle can be taken for granted. Hard work is being done.

Harvard's team was given a big upheaval Wednesday when three of last year's players were shifted to new positions, which they seem likely to hold throughout the year.

Pennsylvania has another eligibility problem on her hands, in the shape of Captain Gardiner, of last year's red and blue eleven. Gardiner, though this is practically his fifth year in foot ball at Pennsylvania, maintains that he is eligible this year.

The first serious accident this year on the foot ball field occurred at Carlisle, Pa., when Samuel Sannok, the center of last year's Indian team, broke his leg while practicing.

West Point and Wesleyan are the only teams that are on both the Harvard and Yale schedule.

Dr. Charles Baskerville went down to the Capital City Saturday to remain over Sunday.

ON TO RICHMOND!

The Fifteen Most Faithful Scrubs Will be Given a Free Trip to Richmond November 26.

From an interview with Coach Olcott today, we quote the following:

"I desire," said he, "that you mention in the Tar Heel, and under heavy head lines, that the faithful scrubs who play for the practice of the Varsity until the close of the season will be given a free trip to Richmond on Thanksgiving Day, November 26."

Dr. Venable expressed the desire that the Athletic Association do this much for the Scrubs and has appointed Coach Olcott and Manager Smith to say who the faithful few will be. The Varsity will carry eighteen men as usual, and from the scrubs remaining, fifteen of the most faithful ones will be given their railroad fare.

This is gratifying to the whole student body as to the scrub players. It is from the scrubs that the Varsity gets its strength. A strong scrub team means a strong Varsity and a strong Varsity means success for Carolina.

Let there be no lack of men, to practice the Varsity, but let every man who is physically able come out and show his interest in Carolina's success. Last year was a record breaker for Carolina in athletics. Now let everybody rush together and make this a banner year as well as the last one. We cannot go backwards.

The excursion train to Richmond on November 26, will be run as it was last year, and under the direction of the students. The railroad fare will be the same, if not less.

T. N. E. Initiation.

Last Friday and Saturday the Sophomore Fraternity of Theta Nu Epsilon held its annual initiation.

Friday night in accordance with the custom the new men were given a banquet. Ramsey made the address of welcome to which Staton, in behalf of the initiates, ably responded.

Saturday morning from 10:30 until after the foot ball game much amusement was afforded by the fantastic appearance of the neophytes, who strolled around the campus and athletic field dressed in all sorts of different combinations.

The following are the initiates: H. C. Jones, Jr., R. B. Engle, M. C. Staton, T. B. Cheshire, P. F. Faison, Walter Clark, Jr., E. S. Burwell, W. Winborne, B. H. Perry, A. D. Browne, L. Sheep, E. Hobgood, J. G. Wood, A. McMillan, C. L. Pemberton, D. Fowle.

T. S. Fuller, Law '03, from Raleigh, was on the Hill a few days this week. He has formed a partnership with Jas. H. Pou, at Raleigh, and will practice at that place.
