MR. PERRY WRITES AGAIN

Continued from First Page.

It is this. Those that are to blame are indignant at the justness of the accusation, those that are innocent are indignant at the injustice of the accusation.

Hereafter when the editor is on a campaign of criticism and runs across anything that "seems unjust" let him look at it good, turn it over and inspect it, turn it around, forward and backward and gaze at it and see if he can't come to the conclusion that it is unjust and throw it in the waste basket. Let him take these precepts and ponder over them and pump them into his cranium and profit by them.

Your obedient servant,

E. J. P.

Pennsylvania—The eighteenth annual intercollegiate and interscholastic relay carnival is to be held April 27, at the University of Pennsylvania. It is open to all schools, colleges and universities in this country and Canada. There will be the mile, two-mile and four-mile intercollegiate championships, and the preparatory and high school championships. The prizes will be a silk banner to the winning college, and cups to the members of the various teams. In the championship races each member of the first team to cross the line will receive a gold watch. In addition to the relay races there will be a series of events open to all college men, either graduate or undergraduate. These will be the 100-yard dash, 120-yard hurdles, broad jump, high jump, pole vault, shot-put, hammer throw, and discus. These events will give former stars an opportunity to compete with those of to-day.

Minnesota—Coach Grant of the track team at Minnesota will discuss the lessons of the Bible as a part training. The theory of the coach is that the man who leads Christian life will be the best athlete.

Woodrow Wilson—In a straw vote for President of the United States, recently taken in Indiana University, Woodrow Wilson received a good majority. A similar result followed the straw vote taken at Ohio State last week.

California—The Pacific Coast Intercollegiate Track Meet this year will be bigger than ever before. Efforts are being made by Graduate Manager Farmer to secure entries from all the western universities.

Advice to those trying out for baseball: If you don't succeed at first, try second or third.

Velvet

THE
SMOOTHEST
TOBACCO

It goes equally well with the Moonlight Sonata or Rag—The leaf, the selection of experts—aged hanging in the warehouse for two years. A maturing that is seldom accorded any leaf. What happens—all harshness gradually vanishes—it becomes a leaf of rich mellowness—a flavor as seductive as the strains of good music—too smooth to bite the tongue.

The true art of producing smoking tobacco is manifested in Velvet—it takes time—takes patience—the making expense is more. But—Velvet is Velvet. At your dealers.
