## EXCURSION TO RALEIGH FOR GAME TO BE RUN BY SOUTHERN RAILWAY

Special Train Leaver Chapel Hill at 11 O'clock Saturday Morning. Leaves Raleigh at 9 at Night. Round Trip Fare \$1.25

Final arrangements have been made for a special train to Raleigh for the V. P. I. game. It will leave Venable at 11 o'clock Saturday morning. Coming back it will leave Raleigh at 9 P. M. The round trip fare is \$1.25.

The news of this special will be received gladly by the scores of students who wish to see the V. P. I. game. Negotiations have been in progress for some. The Southern Railway will run the train and will assume entire responsibility for the excursion.

It is hoped that large numbers of students will take advantage of this unusual opportunity to see the first of Carolina's big games. Exceptional interest is attached to this game because Branch Bock, who coached here last year, is now coaching V. P. I. Old Carolina men know what a thorough coach he is, and they are expecting a hard game. V. P. I. has been running up large scores in her minor games, and it is a noteworthy fact though beaten by Princeton 31 to 0, she held Princeton to her smallest score this year. Burrus, the captain, is one of the best tackles in the South Atlantic states. Other stars are Legge, Hodgson, Lefebre, and Pick.

Carolina has made wonderful progress during the past week.

The Bingham game was a revelation to the student body and even greater things are looked for Saturday. Moore, the best defensive half on the squad, has recovered from his injury and will add strength to the backfield. The end positions and full are not settled. Applewhite's rushing against Bingham would seem to assure him the fullback position. From tackle to tackle the line will remain the same. Captain Tillet and Wakeley will be seen in the backfield.

Dr. C. L. Raper was called away from the Hill last week by the illness and death of his sister, Mrs. N. O. Smith of Forsyth county. Dr. Raper left on Monday, and after attending the funeral returned to the University on Thursday.

At the regular meeting of Amphoterother Thursday afternoon the club discussed the things that must be taken into consideration in deciding upon life work. As the members see it a person in deciding upon a life work must consider himself, his fellowmen, and the search for truth. The purpose of his work must be to contribute something to the world as it now is.

## DR. LAY PREACHES UNIVERSITY SERMON

Large Congregation Hears Head of St. Marys in First University Sermon

HIS THEME THE SOLIDARITY OF TRUTH

All Truth Is One and All Branches of Truth Are Reconcilable. Town Ministers Assist in the Services.

The first of the University sermons was preached in Gerrard Hall Sunday Morning by Dr. George W. Lay, President of St. Mary's College. Dr. Lay's theme was The Solidarity of Truth. His text is found in the 102nd Psalm: "Thou, Lord, hast laid the foundation of the world, and the heavens are the work of thy hand. They shall persist but thou shall endure, yea, all of them shall wax old like a garment, as a vesture shalt thou change them and they shall be changed. But Thou art the same, and thy years shall have no end."

"All truth," said Dr. Day "is one. There must be just one body of truth. This is recognized in science in the uniformity of law. I emphasize, all law is uniform. No two parts of truth, when we understand them, are contradictory.

"God has revealed his truth in two ways, first in the revelation of works. This revelation deals with the affairs of time. But there are things that go beyond time, and those God has revealed in the revelation of his word.

## THE TAR-HEEL TROT

Tune: "Everybody's doin' it."

Carolina's doin' it. Doin' what? Gettin' hot;  
Carolina's doin' it. Doin' what? Gettin' hot.  
Old Virginia's at us with a boun';  
See big Jones there, standin' like a moun';  
Hold your breath, boys! Lordy, look aroun'!  
It's a down! It's a down! It's a down!  
Abernathy's blockin' it, knockin' it, sockin' it;  
Garrison's huggin' it, luggin' it, pluggin' it;  
Guards and tackles crumplin' up their line,  
Ends and backfield hangin' to 'em fine.

Come! Come! Come! Come! Everybody "jine"  
Carolina's holdin' 'em now.

Carolina's doin' it. Doin' what? Gettin' hot!  
Carolina's doin' it. Doin' what? Gettin' hot!  
See our full-back buttin' out a hole?  
Get your specs; you're as blind as a mole.  
He's off like a shot. Oh, Lordy! Bless my soul!  
It's a goal! It's a goal! It's a goal!  
Cap'n Tillet's crawlin' it, haulin' it, maulin' it;  
Applewhite is rushin' it, squshin' it, crushin' it;  
The rest of the bunch we've played pretty well;  
But the U. V.—A we're playin' like hell.

Come! Come! Come! Come! Everybody yell!  
Carolina's beatin' 'em now.

## PLANS FOR CLASS FOOTBALL

Cartmell Hopes To Develop Men From Lower Classes

Class Athletics are beginning to tell the benefit of our newly adopted system of coaching. Here-to-fore the coaches have thought principally of the team for the one year only. Now with a head coach who is looking ahead for the coming years class athletics will receive that attention which they deserve, and will become a more important part of college athletics. This is the beginning of a movement which it is hoped will result in a special coach for the class teams and a regular schedule for the Freshman team.

As the result of the recommendations of Head Coach Cartmell the class Football Managers have arranged a schedule differing widely from former ones. Each class is to play a series with the other classes instead of one game as here-to-fore. A series of three seemed a little too heavy so the following provisions have been made. Excepting the Fresh-Soph games, each team will play a series of two before Thanksgiving. Those after Thanksgiving will be dependent upon the results of the two preceding games in each series. If any two teams, say for example the Fresh-Juniors, have tied in their series, they will play it off on December 7th. If there is no tie the game will be dropped.

All Fresh-Soph games will come after Thanksgiving so as to allow the members of these teams to receive as much training as possible. Coach Cartmell suggested this plan as he intends to watch these teams especially, for possible future Varsity material.

In deciding the class championship the following plan will be followed. Each series will be figured separately and the team having the highest average gains the series.

The schedule follows:

Oct. 25	Soph-Junior.
Nov. 1	Soph-Senior.
Nov. 2	Fresh-Junior.
Nov. 5	Junior-Senior.
Nov. 8	Soph-Junior.
Nov. 11	Fresh-Senior.
Nov. 15	Soph-Senior.
Nov. 16	Fresh-Junior.
Nov. 20	Fresh-Senior.
Nov. 25	Junior-Senior.
Dec. 3	Fresh-Soph.
Dec. 4	Junior-Senior. (If necessary)
Dec. 7	Fresh-Junior. (If necessary)
Dec. 10	Fresh-Soph. (If necessary)
Dec. 13	Fresh-Senior. (If necessary)
Dec. 14	Fresh-Soph. (If necessary)
Dec. 16	Soph-Senior. (If necessary)

The Halifax County boys have revived their county organization which has fallen into neglect for the last few years. Impelled by the historical associations of their county, they intend to have as special features of their meetings, papers on the various historical happenings of their county.

They elected officers as follows: Hunt Parker, Pres; C. T. Smith, Vice-Pres; Louis Meyers, Sec; A. M. Atkinson, Business Mgr.

## WINSTON'S BINGHAM TEAM SLAUGHTERED

Varsity Shows Improvement And Makes Biggest Score in Many Years

TILLET, WAKELY, APPLEWHITE, "AB" STAR

Scrub Team Goes in the Game and Has Lively Tussle with the Prep School Boys. Forward Pass Successful

Bob Winston's bunch from Bingham fell before the attack of an awakened Varsity on last Saturday and the biggest score of years was rolled up, the final count being 47 to 0.

Those who saw Bingham hold Carolina scoreless for three quarters last year and who saw the Wake Forest game last Saturday, could hardly believe their eyes as touchdown after touchdown was made. For the first time this year interference appeared and the Bingham ends were covered effectively, so that Wakeley and Tillet swept around them for long gains. From Wakeley's 30 yard run on the first play there was never any doubt that Carolina had improved wonderfully and it was only a question of how large the score would be.

The defensive work was not so impressive. Angier, Preas, and Webster all made long gains and Webster once got by every man except Tillet. Bock's familiar formations were used effectively for a time. While the Varsity was in, Bingham was never within scoring distance. In the second quarter, however, Coach Martin sent in his entire scrub team, and Bingham woke up. The Scrubs, who outplay the Varsity nearly half the time, were a little too anxious at first and were forced back to their 10-yard line. There they rose up and hurled back the prep school boys. The Varsity went back in the second half.

Carolina scored in the first three minutes. The kick-off was carried back to the center of the field. Wakeley got away behind real interference for 30 yards. Four rushes brought the ball to the 7-yard line where Tillet shot over. Tillet scored again in this quarter and once in the third quarter. After the Scrubs got in there was no scoring. In the third quarter Foust picked up a fumble and loped some 40 yards for a touchdown. Again Applewhite, whose rushing outside tackle was the best seen this year, forced his way for what seemed to be a touchdown. Referee Henderson declared he had crawled however, and brought the ball back. Bingham braced and Wakeley and Applewhite were unable to batter their way. Applewhite came back strong in the final quarter and smashed his way over, flinging tacklers behind him.
