JOHNSTON COUNTY CLUB PROGRAMME.

The Johnston County Club of the University of North Carolina purposes to accomplish the following things during the session 1912-1913.

1. To present the University and its unparalleled opportunities for securing a higher education to the people of Johnston County, and to bring them to realize that, as a state University, it is their University.
2. To increase the influence of the University in Johnston County through paper correspondence and personal work.
3. To show the people of our county the value of a higher education.
4. To get into personal touch with each male graduate in our county so that we may persuade him to enter the University.
5. To unite the Public, Public High and Graded schools of our county in one great educational system.
 - A. By uniting representatives from each school into an effective county club, thus uniting interest.
 - B. By forming a Debating Union of the Public High and Graded Schools of our county and giving a medal to the winner of the final debate.
 - C. By sending a representative of the Club to the County Field Day Exercises, thus uniting the University and the County Schools in one celebration.
6. To hold a Banquet at the County Seat during the Christmas Holidays, and thus unite the County Club with the University Alumni, in order that we may work together for the upbuilding of our county.
7. To create a feeling of unity and fellowship among the boys attending the University from our county.
8. To discuss the problems of our county and to help work out solutions for them.

JUNIORS WIN IN FIRST CLASS GAME.

The Juniors defeated the Sophs Tuesday in a close, well contested game, the final score being 6 to 0. Both teams did excellent work considering that it was the first game of the season. The Sophs were weak on interference and were slow in breaking up forward passes. De Vane, Left Half, gained consistently on end runs. Oates received three and Strong one forward pass, only two attempts failing. The Sophs excelled the Juniors in gains through the line. Twice they carried the ball down to the Juniors' goal line, only to lose the ball on fumbles by Fuller and Michael. Mebane made a forty-yard run with a clear field, but was overtaken. The Juniors' one touchdown came in the third quarter after a long forward pass to Oates and a line kick by "Red" Allen. They failed to kick goal.

OATES AND CHAMBERS WIN IN TENNIS.

The Varsity tennis tournament has at last been finished. Malcolm Oates and Lenoir Chambers, who composed the team last year will again represent the University. Oates, by virtue of beating Chambers in the finals, becomes captain of the team, a position he occupied last year.

Sixteen men entered the tournament, which was started the first week in October, but was delayed by the weather. Oates and Chambers worked their way up to the finals, where Oates was victorious, 6-0, 6-3. Chambers then went back through the men Oates had put out and succeeded in defeating all of them. The class tournaments are being played now.

The first meeting of the Greater University Council will be held in the Y. M. C. A., Monday night, November 4th. All members are urged to be present.
