Tar Heels Cannot Stand Line Plunging and Forward Passes of Virginians

CAPTAIN TILLET STARS AS USUAL

Carolina Shows Only Fair Form in Last Game Before Thanksgiving, but Washington and Lee Has One of the Strongest Teams in the South Atlantic States.

Washington and Lee proved too much for Carolina in Greensboro Saturday, the Tar Heels going down before what is probably the second strongest team in this section, 31 to 0. Four touchdowns, as many goals by Miller, and a field goal from the 47 yard line by Miller turned the trick.

Carolina never seriously threatened the enemy's goal, though the Chapel Hill rooters were made frantic by the spectacular runs of Captain Tillett, or when he would dive into the Virginia runners, throwing them in many instances after a clear field had been gained.

Taylor at right half did good work, while Holmewood, Huske, and Strange played rattling good ends. Big Jones stopped up the center position, but Buhring tore his way through the guards.

Washington and Lee's backfield smashed away at the line most of the time. Raferty and Francis worked the forward pass to perfection and frequently put their team in a position to score through the successful manipulation of this play. Buhring's line plunging was terrific and seldom did he drive at the line, especially on Miller's side, but that gains ranging from 5 to 15 yards were made.

The first quarter ended without a score, but in the second Washington and Lee went over twice. Forward passes and line plunging were responsible. In the third quarter Miller, after failing on a field goal from the 40-yard line, dropped back to the 47 yard line and put the ball squarely between the posts. In the last quarter Raferty and Buhring each carried the ball over for a touchdown after hard line work.

Fifteen hundred people, including many students from the State Normal and G. F. C., witnessed the game.

The line-up:

BUSBY AND PETTEWAY WIN DEBATE

J. C. Busby, '13, of the Di Society, and H. C. Petteway, '13, of the Phi Society, have been chosen to represent Carolina in the Carolina-Washington and Lee debate, which is to take place about December 14th, at either Lynchburg, or Lexington, Va. The preliminary contest was held last Tuesday night in the Phi hall.

Both of these men have had considerable experience in debating. Busby won the Bingham medal in last year's commencement debate, and Petteway was one of the Phi's representatives in the same contest. They should uphold well Carolina's record in debate.

Those trying out in the preliminary were J. C. Busby, H. C. Petteway, W. R. Petteway, and S. W. Whiting.

ANOTHER PATTERSON STARS IN TRACK

Hazel Patterson, '16, brother of Captain E. V. Patterson of the track team, won the milerun Wednesday afternoon, time 4:58.3-3 and became the possessor of a handsome medal.

The race was held by the track department in order to stimulate general interest in fall training and more particularly to start practice for the cross country run with A. & M. which is to take place in December. Seven men entered the race, Patterson, Ransom, Strong, Beckwith, Scott, Johnson, Lambeth. Letter men were ineligible. Patterson jumped into the lead at the start, closely followed by Beckwith and Ransom. That order was maintained until the last lap, when Patterson opened up and finished with a ten-yard lead. Ransom came in second. Beckwith, who had shown rather poor head work by running wide all the way, was passed on the straight-away by Strong. The others did not finish.

GREATER COUNCIL ON A FIRM BASIS

At Second Meeting Organization Committee Makes Its Report

SIZE OF THE COUNCIL REDUCED

Will Be Composed Of University Council, Two Men from Each Academic Class, and One Man from Each Professional School and the Graduate Department.

Last Tuesday night in the Y. M. C. A. Mission room, the Greater University Council held its second meeting. The only business that came up before the Council was the report of the Committee on organization. The report was accepted in full. The most salient features of it are as follows:

1. The organization shall be known as the Greater Council.
2. The organization shall consist of the members of the student council, two members from each academic class, one member from each of the professional schools, and one from the Graduate department.
3. The members from the various classes and schools shall be elected by the organizations of which they are members.
4. The Secretary shall keep minutes of the meetings of the Greater Council, and shall notify each member of each meeting.
5. The treasurer of each class and each school shall be instructed to pay the secretary of the Council \$1.00 or more if necessary which funds shall be used for bearing the expense of the Council.
6. The purpose of the organization shall be as follows:—

The Greater Council seeks to be a conference between the student council and committees from every class in college to take council together for the general good. This conference will be open to any student who has a policy, idea, or grievance which concerns his life or the life of the college. It is the purpose of this conference that no constructive idea or wholesome interest of a single student or fine mood of all the students will be allowed to pass unheeded for the lack of a common council to conserve them for the larger life of the University.

The next meeting will be on Monday night, Nov. 25th.

U. N. C. WINS IN TENNIS

Oates and Chambers Defeat Trinity Representatives.

Carolina defeated Trinity in tennis on Nov. 15. Malcolm Oates and Lenoir Chambers, representing the University, won from N. I. White and A. R. Anderson, of Trinity, respectively, in singles. The doubles match was called on account of darkness when the score was tied. Carolina won the meet, however, by virtue of winning both matches in singles.

Oates defeated White, the Trinity captain, 2-6, 6-3, 6-2, and Chambers won from Anderson in two straight sets, 6-4, 7-5. The doubles match was played in the afternoon before a large crowd. Cold weather and a strong wind rendered good play impossible; but every game was bitterly fought. The Trinity team showed much better form in doubles than in singles. Carolina won the first two sets, 7-5, 6-3, but Trinity came back strong and by steady playing took the next two 6-1, 7-5. Oates and Chambers seemed to let down considerable. The deciding set was close and at one time Trinity had a big lead. At 5 games all, however, it became too dark and by mutual agreement the match was called.

FORWARD PASSES WIN FOR THE JUNIORS

Forward passes were too much for the Freshmen in the game against the Juniors Monday. Allen, Strong, and Prevatt made pass after pass, while occasionally, for a change, Allen would go around left end for anywhere from five to fifteen yards. Of the three touchdowns two were made by Strong; one in the first quarter, on a short pass after the Juniors had recovered the Freshmen's fumble on the ten yard line; the other, in the second, from the forty-five yard line with a forward pass. In the third quarter the Juniors very nearly scored again after recovering their own kick and rushing the ball to the one yard line. They failed to make first down, however, and the ball went over. The last touchdown was made on a forward pass to Prevatt, and two end runs by Allen. As the Juniors failed to kick goal on all of their touchdowns, the game ended with the score 18 to 0.

The work of the Freshmen was very poor. They did not seem to have any pep and showed a woe-lack of teamwork. They are not playing as good ball now as at the first of the season.

Allen did the best work for the Juniors, his forward passes being especially noteworthy. Strong also did good work.

The line-up:

FRESHMEN	POSITION	JUNIORS
Royall	L. E.	Strong
McLean	L. T.	Barrier
Garrett	L. G.	Holmes
Norris	C.	Darden
Huske	R. G.	Gentry
Craig, Myer	R. T.	Ferguson
Bourne	R. E.	Prevatt
Fore	Q.	Allen
Hoover, Craig	L. H.	Lord
Parker	F.	Pitt
Reid	R. H.	Grimsley

Quarters, 8 and 8. Garrison, referee. Biggers, umpire. Little, head linesman.

EUGENE E. BARNETT WRITES FROM CHINA

Carolina's Missionary Representative Tells of His Work There

WAS Y. M. C. A. SECRETARY HERE

The Leaders of the New Republic Are Men Educated in the West and They Are Most Favorable to Christianity.

The following letter is from Eugene E. Barnett, missionary representative of the University of North Carolina in China. Mr. Barnett was for two years secretary of the Y. M. C. A. here. While here he took an active part in college life, being an intercollegiate debater. His work in China has been most successful. The student body here annually contributes \$500 towards his support.

It has been a good while since I sent you a message. The all absorbing interest in the meanwhile, however, has centered in the stirring events in the Revolution and of the young republic to which it has given birth, and these events have been chronicled fully in your daily newspapers. Things have happened fast since I arrived in China, so much that the faith of China's most optimistic friends and well wishers have been surprised to the point of bewilderment. It is indeed a marvelous privilege to have "come into the kingdom at such a time as this."

It has been gratifying to note the attitude of the new government to the Christian forces of the city. One of the first acts of the provisional government was to tender a public reception to the foreign community, which is overwhelmingly missionary. At this reception an elegant feast was served and ringing speeches were made by representatives of the Province, of which Hangchow is the capital, who expressed a desire for closer and more sympathetic relations in the future. At least two members of the provincial cabinet have been former members of the Young Men's Christian Association. I have become well acquainted with both
