NINETY HIGH SCHOOLS ON WOMAN SUFFRAGE

The Btg Question Discussed From Waynesville to Elizabeth City

WHOLE STATE APPLAUDS DEBATING UNION

The Sixteen Schools Which Won Both Debates Will Come to Chapel Hill for the Final, March 7

Wide-spread interest was taken throughout the State in the high school debates, held under the auspices of the Debating Union of North Carolina, last Friday night. "Woman Suffrage" was discussed in ninety high schools, ranging from Waynesville in the west to Elizabeth City in the east, and from all reports it was discussed with intense enthusiasm.

Sixteen schools have reported to the committee as having won both of their debates. These will compete in the Final Contest for the Aycock Memorial Cup, which is to be held Friday, March 7th, at Chapel Hill. They are the schools of Durham, Stoneville, Philadelphia, Haw Fields, Concord, Morganton, Liberty, Harmony, Mt. Pleasant, Lumberton, Hendersonville, Oxford, Cooleme, Holly Springs, Stem, and Pleasant Garden. The debaters for these schools will arrive in Chapel Hill on Thursday, the 6th, and the preliminary contest, in which two teams will be selected, will be held Friday morning. Friday night in Chapel these two teams will debate each other for the award of the cup. On the cup will be engraved the name of the debaters winning out, together with the school they represent. The debaters, while here, will be entertained by the different county clubs. The societies and the county clubs will spare no effort to make their stay here a pleasant one.

No other movement started by the University in recent years has so been stamped with the approval of the State as has this debating union, which is the creation of the Di and Phi Societies. It is endorsed strongly by high school students, principals, and superintendents, the press and the general public the State over. Supt. A. S. Webb, of Concord, writes the committee thus:

"We wish to again express our appreciation to you and the Societies of the University for what you have done for the schools of the State. We feel that it is the greatest thing that ever happened to our school. Our boys will be proud to make the trip to the University for the Final."

This letter is typical of many that have been received. Supt. E. C. Ruffin, of Lenoir, writes that although his school lost one debate they are still there, and in the Union "will be heard from along the fighting line." The *Winston-Salem Journal* of Feb. 22nd has a leading editorial on the debating union, in which it throws a bouquet "of unusual beauty and fragrance" at the Societies for starting such a movement.

The success of the Union is already large—nothing that can be done is being left undone in the effort to make the Final on March 7th a fitting event.

CAROLINA vs. CARLISLE

Tar Heels to Meet Indians in Indoor Relay Race

Carolina will meet the Carlisle Indians in a relay race at Washington Saturday night. This has been definitely decided by the track department. The team will be composed of Captain Patterson, Spence, Whiting, and Hazel Patterson.

An effort was made to get the race with Virginia, but the plans did not materialize and the Indians were taken on instead. The race will be at the indoor meet in Convention Hall given by Georgetown University. Virginia, Johns Hopkins, Georgetown, Washington and Lee, scores of smaller colleges and prep schools, and possibly some of the bigger Northern universities will be represented at the meet. The distance will be two miles, each man running a half mile. The Red Skins are worthy opponents, but the Tar Heel team is an exceptionally good one. Captain Patterson and Spence are stars and can negotiate the half in fast time. Whiting was in several meets last spring and has improved wonderfully of late. Hazel Patterson is a brother of Captain Patterson and seems to have the family ability to run.

BARNETT REPORTS PROGRESS IN CHINA

The following extract is from a letter by Eugene F. Barnett:

"The National Convention of the Y. M. C. A., which was held in Peking last month, was an epoch-making event in the history of the Y. M. C. A., and of the Christian church in China. There were 440 delegates present from 15 provinces. Cities as remote as Chengtu sent a delegation which was on the road one month each way. The convention lasted three days and one night. The flower of the Christian church of China was there. Christian students, teachers, business men, preachers, editors and officials composed the gathering.

"One of the striking features of the convention was the reception accorded the delegates by Yuan Shik Kai and the words of strong endorsement and encouragement he spoke in behalf of the Y. M. C. A. at that time. The Christian church has perhaps never received such official recognition and endorsement before during its history in China. The Premier, the Minister of Justice, the Minister of Commerce and Industry, Vice-Minister of the Bureau of Foreign Affairs, the President of the National Assembly and others occupying similar places of influence and power in the nation attended the meeting and took part in the program."

PLANS MADE FOR A NEW DINING HALL

Committee From Trustees and Faculty Selects Site for Building

THE COST WILL BE \$40,000

Will Seat 600 People on Ground Floor and Capacity May be Doubled if University's Growth Demands

The committee appointed by the Board of Trustees of the University to make plans for the new dining hall met in Chapel Hill Tuesday, selected a site for the building, and made tentative arrangements for the construction of it. The committee is composed of Josephus Daniels, Chairman; J. S. Carr and A. M. Scales, from the trustees; F. P. Venable and A. H. Patterson, from the faculty.

The site selected is the plot of ground in the center of a triangle made by the University Inn, the Alumni Building and the Episcopal Church. The dining hall will face towards the Gymnasium. It will be so placed that a drive way from the kitchen to the street will not pass over but very little of the campus.

According to the plans the new building will be an ideal dining hall, fitted with the most modern system of cooking, baking, refrigerating, and cleaning. It will be large enough for six hundred people on the ground floor, with three hundred more in the balcony, and it will be so constructed that it may be doubled if the growth of the University demands it. The cost will be \$40,000, the funds coming from the sum of \$200,000, appropriated by the Legislature two years ago, out of which Caldwell Hall and the Battle-Vance-Pettigrew Dormitory have already come.

Walter Stokes, President of the Web School Club has received a letter from Senator W. R. Webb, of Tennessee accepting an invitation to pay a visit to his Alma Mater some time during the spring and to address the student body. Senator Webb is the head of the well known Webb School of Bell Buckle Tennessee. His visit here will be eagerly looked forward to.

Mebane Wins Contest Over Busby and Petteway

Banks Holt Mebane won out in the preliminary contest for the Peace prize on George Washington's birthday. His speech on "Peace and Progress" was favored by the judges over those of the other contestants, J. C. Busby and W. R. Petteway. Busby spoke on "Peace and the Scholar" and Petteway on "Peace and Arbitration". The judges were Dr. C. L. Raper, Dr. J. F. Royster, and Rev. Mr. Moss.

By virtue of winning this preliminary contest Mebane becomes the University's representative at the State contest in Raleigh, Saturday, March 1. He will there meet men from the other State colleges and the winner of that contest will meet other State champions to decide who shall represent this section of the United States in the Final Contest. The winner of the State contest wins a prize of \$75.00. The whole series of contests are held under the auspices of the Lake Mohonk Peace Conference, which is thus making an effort to scatter all over the country the ideals of peace and arbitration.

A. & M. FARMERS PLAY A GREAT GAME

Best Carolina in Basketball Before an Enormous Crowd in Raleigh

THE FINAL SCORE WAS 26 TO 18

Mason, Sumner, and Terry Play a Fine Game, Mason Shooting Five Field Goals and Sumner Three

The largest crowd that ever attended a basketball game in the State saw A. & M. beat Carolina at the Raleigh Auditorium Saturday night by the score of 26 to 18. It was the first athletic contest, with the exception of track meets, in which the two state institutions had met in seven years and close to 2,500 people were present.

The game itself was fiercely fought. The play was fast and the crowd was kept continuously in uproars at brilliant features. The Farmers showed better form than they have exhibited before and clearly deserved the victory. Carolina guarding was off color.

A. & M. shot several goals which they should never have been allowed to make. Carolina also missed many easy shots. In the first half the basket was fairly bombarded, but the ball would not drop in.

The early stages of the game were marked by close guarding and careful play. Each team seemed to be watching the other. A. & M. however, had the upper hand and led 9 to 6 at the close of the half.

Both teams played more roughly and took more chances in the second half. The play was faster. Many long shots were made which brought cheers from the crowd. Mason shot a number of goals, most of which were easy. Long and Carrington both made long shots and Sumner dropped one in with a long distance backward throw over his head. A. & M. kept its lead and the most desperate efforts of the Carolinians could not overcome it. Toward the end, with each team fighting desperately, the crowd almost lifted the roof with cheers. Homewood was substituted for Redmon, but he could not keep Mason from shooting one more goal, thus bringing the score to 36 to 18.

Long's foul shooting was above the average. He made 6 out of 9 goals. Carrington's playing against a bigger and heavier man was first-rate.

Mason, Sumner, and Jeffery played best for A. & M.

The line up:

CAROLINA	A. & M.
Long	Mason
Tillett	Sumner
Carrington	Terry
Chambers (Capt.)	Jeffery
Redmon, Homewood	Phillips

Field Goals: Mason 5, Sumner 3, Terry 2, Long 2, Chambers 2, Carrington 1, Phillips 1, Redmon 1. Foul Goals: Long 6 out of 9; Sumner 4. Referee, Cheshire, of Sewanee. Umpire, Young.

W. T. Ragland has been initiated into the Beta Theta Pi fraternity, Zack Whitaker into the Kappa Sigma fraternity, F. D. Conroy into the Sigma Alpha Epsilon fraternity and W. Speight Beam into the Alpha Tau Omega fraternity.
