YACKETY YACKS

REACH THE HILL

The Volume for 1913 Is a Thing of Beauty and a Joy Forever

BUT HAVE YOU PAID YOUR BILLS

Many Interesting New Features. Over 700 Pictures in the Book. Individual Juniors. Characteristic Senior Pose

The first volumes of the 1913 Yackety Yack have come from the press and are in the hands of the editors; and every one who has seen them swears that they are the best ever. The main distribution will not take place yet a while, the business managers being too busy answering complaints about the size of the bills. The chances are that you can get your copy about the middle of May.

The book is a beauty. It is distinctive in many features from the ordinary run of Yackety Yacks. The cover is of flexible cowhide, with the usual group of buildings stamped on it, the South, the Old East, and the Old West with the well in the center. It is dedicated to Junius Parker of New York, attorney for the American Tobacco Company.

The entire volume is divided into six books. The first concerns the University; the second, the undergraduate classes; the third, the professional school; the fourth, athletics; the fifth, the organizations; and the sixth, college life which contains the humor department. On every page a gray-tinted sky-line view of the campus is carried. Instead of having the usual cartoon besides the individual Senior picture, there is a small kodak picture of a characteristic pose. This same idea is extended to all the organizations, each of which has an informal character-picture in addition to the usual formal ones. The Junior class has been honored with individual pictures, a distinctly new feature.

The humor department, in many respects the most interesting in the whole book, it is different from past years in that no one is severely butted. The editors have been charitable and whenever they did not know what else to do, they put in a bunch of pictures. The result is most pleasing. The entire volume is especially noteworthy for the large number of pictures of every sort. In all over 700 have been used.

The literary features include a history of the principal progressive movements of the college year, written by S. R. Winters; and a sketch of the interesting places around Chapel Hill, by Dr. Battle.

The sooner you pay your bills, the quicker you'll get a peep at this treasure. It is worth while from every stand point; and will rank with the best in the country.

SIGMA UPSILON INITIATES

The Sigma Upsilon (literary) Fraternity, of which the old Odd Number Club is a chapter, has initiated George W. Eutsler, W. G. Guthrie and Lowrey Axley. Dr. Archibald Henderson was present after the initiation and spoke informally.

MONOGRAMS AWARDED

Athletic Council Awards Basket Ball and Gym N. C.'s

At a recent meeting of the Student Athletic Council basketball stars were awarded to Chambers, Tillett, and Carrington. Monograms were awarded to Mebane Long and Redman.

At the same meeting the matter of awarding monograms to the gymnasium men came up. It was decided to award these although the gym men had not had a meet as is required by the rules of the Athletic Council before they may be considered for monograms. Their failure to comply with this rule was due to the fact that the team tried to obtain meets, but owing to the few similar teams in this section and to a scarcity of finances they could not. Cognizance was also taken by the council of the failure of the gym team to have present as a judge at their tryout the Athletic Directors, as required.

F. W. Morrison, Peyton Smith, L. L. Shamburger, E. J. Lilly Jr. and C. L. Isley were awarded gymnasium monograms.

TRACK TEAM OFF

Coach Nat Cartmell, Manager Walter Stokes, and twelve track athletes, the best that the State can produce, left Thursday morning for Baltimore for the South Atlantic Intercollegiate Track Meet. The men are Captain Patterson, Spence, Cobb, Sears, Woolcott, Strong, Homewood, Whiting, Ranson, H. Patterson, DeVane. All of them are in good condition and something big in the way of results is looked for. Cobb has about recovered from an injured leg and Captain "Pat" has rested for the past two weeks in preparation.

All the important colleges in this section will be represented including Virginia, Hopkins, V. P. I., Washington and Lee, Georgetown, A. & M., etc. Hopkins won the meet last year with Carolina second.

SENIORS DEFEAT FRESHMEN

By defeating the Freshmen by a score of 12 to 5 Friday the Seniors gave the Sops another chance at the class championship. Kennedy, the standby of the Seniors, went in the box and pitched an air tight game excepting in the ninth. In the first eight innings only 27 men faced him. In the last frame the Freshmen started a rally on some Senior miss-cues and a little hitting that was headed only after three men had crossed.

The Seniors did all their counting in the first part of the game with Hancock pitching. They got two in the first four in the third and nobody knows how many they would have got in the fifth if Hancock had not been pulled and Huske substituted. Huske found three on and one down. He let those on score and then shut down. There wasn't a thing doing in that line for the rest of the game. He got in one or two tight holes but always pulled out in spite of the demoralized team behind him.

Kenneth Tanner; 11, spent Sunday on the Hill with friends.

CAROLINA WINS

STATE TRACK MEET

For Third Consecutive year She Is Champion Of The State

THEREBY WINS LOVING CUP

Beats nearest rival by 17 1-2 points Strong beats state record. While Team did great work in field events

With only one man in each of nine events and only two in each of the other four events, Carolina scored 53 1-2 points against 36 for A. & M., 28 for Wake Forest, and 24 for Trinity, taking 8 out of 13 possible first places and winning the prettiest relay ever seen in North Carolina.

Sears as usual was there with the goods, winning the 100 and 220 from Tyner of Wake Forest. Tyner was good, too, but "Baby" had too much for him on the finish. "Little Pat" came back in the quarter and beat Nichols, the A. & M. man who won in the dual meet. In the half Whiting and Ranson won easily, Whiting leading. Spence had things all his own way in the mile, while Cobb, after a splendid burst of speed, came in only inches behind Smith of A. & M. in the two mile.

The high hurdles came to Carolina easily. In the low hurdles Struthers came out a few inches in the lead, but was disqualified for stepping out of his lane.

Woolcott won the high jump, while Strong broke the State record by vaulting 11 feet flat.

After these events came the relay the climax of Carolina's glory. Mc Duffie lead off and, after a fine race, came in only a few yards behind the leader. Taylor followed Mc Duffie. The big Freshman football star turned himself and, in the prettiest race ever made, overtook his man and gave Spence a lead of 7 yards. Langston of Wake Forest, with a tremendous dash of speed, caught up with Spence, on the first curve and passed him on the straightaway. Spence stuck right there, however and on the home stretch the Carolina man passed the leader and touched "Big Pat" off 10 yards to the good. Patterson, fresh and strong after staying out of the mile and two mile, walked away from the others, winning easily the annual relay.

Thus Carolina for the third year in succession has won the State meet in Raleigh and is thereby the possessor of the beautiful loving cup offered by the Raleigh Chamber of Commerce.

The following is the list of events and runners.

100-yard dash—Sears, Carolina, first; time 10 2-5 seconds; Tyner, Wake Forest; Potter, A. & M.

120-hurdles—Woolcott, Carolina, first; time 18 2-5 seconds; Horne, Wake Forest; Nichols, A. & M.

220-hurdles—Brown, Trinity, first; time 29 3-5; Herring, Wake Forest; Potter, A. & M. Carolina was disqualified.

Quarter-mile—H. Patterson, Carolina, first time 54 seconds, Nichols

ALUMNI REVIEW OUT

The April Number Lives Up To High Standard

The April number of the Alumni Review, which has just been mailed to subscribers from the Observer house in Charlotte, is filled with interesting matter. The School of Education gets a large share of attention, because of the dedication of the new Peabody Building and the High School Conference. Dr. Wilson points out what shall be the policy of the University in making this school, under the leadership of Dean Noble, a completer head of the state's school system.

Interesting write-ups are given of two distinguished alumni—Josephus Daniels Secretary of the Navy, and Hannis Taylor, famous writer on government and law. An account is given of the recent high school debate in Chapel Hill. An interesting review of Dr. Battle's "History of the University" is given by J. K. Wilson, '05.

The athletic department is well edited, as it also the alumni department. Base ball and track are especially noted in the athletic line, and in the alumni department much interesting information is given of the doings of the older Carolina men.

WAKE FOREST GAMES ARRANGED

Graduate Manager McLendon announces that arrangements have finally been completed for the postponed Wake Forest games. There will be two games, with possibly a third in case of a tie. The first game will be played in Durham, May 5, and the second in Raleigh May 9. The third, if there is need of a third, will be played in Raleigh on May 10. All chances of deciding the Virginia series seem to have gone glimmering. Conflicts with the Carolina League make it hard to get a date and the two managements have not been able to agree on financial matters.

PHIS WIN FRESH-SOPH DEBATE

The annual Fresh—Soph Debate, held in Gerrard Hall, Wednesday, April 30, was won by the Phi Society debaters, H. G. Hudson, '16, and Wade Kornegy, '15. The losing Dime men were J. O. Dysart, '16, and Graves Martin, '15. The query was Resolved, That Government Interference in the Affairs of Corporations Should not Go Beyond Requirement of Full Publicity in the Transaction of the Corporations. Professors Patterson, Bain, and Wagstaff acted as judges. M. R. Dunnegan presided and W. P. Fuller acted as secretary.

COBURN PLAYERS TO PERFORM

Tickets for the two performances by the Coburn Players on May 12 will be placed on sale, Monday, May 5 at Eubanks Drug store. These players will present "A Comedy of Errors" in the afternoon and "Romeo and Juliet" at night. In past years their open-air performances have always delighted large audiences and their work this year will no doubt be fully appreciated. The stage will be in the usual place, back of the Alumni Building.

A. & M. CAPTURES BASE BALL GAME

Carolina Puts Up Great Uphill Fight But Can't Overcome Lead

CAROLINA 6, A. M. & 7

Before 1500 People the University team Fight Manfully to down the Fatal First inning, only to lose in the ninth.

In one of the greatest games ever seen in this state A. and M. took the big end of a 7 to 6 score from Carolina Wednesday in Raleigh before 1500 people. Facing a lead of five runs picked up in the first inning on rotten playing, Captain Edwards' boys settled down and showed what up hill fighting is. They counted once in the fourth, drove three more across in the seventh, and tied the score in the ninth by clean hitting, only to have A. and M. win the first base ball contest between the two state institutions in years by slipping one over in the last half of the ninth. It was a hard game to lose.

That first inning was enough to break anybody's heart—three hits and five runs. Farmer led off with a clean single and Aycock messed up Correll's bunt. Patton tried to sacrifice, but Farmer was caught at third. Winston hit safely and the whole Carolina team started throwing the ball around loosely, and letting it roll away, particularly Hart. When the dust settled three runs had been scored. That wasn't all. Terry walked and Page was safe on an error. Passed balls and wild throws allowed both to score.

After that disaster Aycock and Hart were jerked out and Craven and Knowles took up the burden. Craven's underhand ball was always effective, though he allowed one run in the fourth. Carolina drew her first blood in that frame on Correll's muff of the easiest fly ever hit.

Along about the seventh Russell began to let down and things began to happen. Williams beat out a bunt and "Shag" Thompson lifted a long fly into right field bleachers. It looked good for a homer, but ground rules held him at second. Williams on third. Hubert Bailey came through with a single to center and both scored. The Carolina rooters went wild. Bailey himself scored a minute later on Karl's safety.

Carolina had a great chance in the eighth, but Russell rose to the occasion and struck out two men, leaving runners on second and third. In the ninth they were not to be denied. Zollicoffer, substituted for Craven, beat out a high bounder and Bailey followed with a double to the bleachers. With all Carolina imploring him, Jimmie Leak slapped a hard single to center and the score was tied. Leak went to third on Edwards' sacrifice, but again Russell rose up and struck out Johnson and caused Thompson to pop to the infield.

A. and M. won the game in the last half of the ninth. Graves hit Patton, the first batter. Winston
