

CLASS FOOTBALL TEAMS BEGIN WORK

DeWitt Kluttz, Formerly of Woodberry Forest, Is Coach.

FRANK GRAHAM WILL ASSIST.

Large Squad Answers First Call. Those Canned From The Varsity Squad Will Swell Number.

This year a much better opportunity than usual for development in class athletics is offered since we have as class coach Mr. Kluttz, who has so successful as head coach at Woodberry Forest School. Mr. Kluttz issued a call for men who were trying for the Fresh. and Soph. football teams to report at the class field on Monday, September 22. Thirty freshmen and about a dozen Sophs. took advantage of the opportunity and reported. In the bunch there is some good material for class ball, and unless the other teams get busy the Freshmen will walk away with the loving cup.

A schedule of the class games which will include some games off the Hill will probably appear in the next issue of this paper.

On Tuesday about twenty men were "canned" off the varsity squad and ordered to report on the class field. This will strengthen the squad already out.

Frank Graham is to have charge of the upper classes. From present indications they will have teams above the average. The ease with which the "also good athletes" got positions as teachers last year may influence some to come out now as they will be assured of competent coaching.

STUDENT COUNCIL FORMS

Boushall and Woolcott from Student Body

The election for councilman at large was held in chapel last Thursday morning. The following is the result of the first vote. T. C. Boushall 153; J. E. Holmes 115; D. H. Carleton 69; B. L. Field 60; Total 397. No candidate received a majority of the votes cast. Consequently, on Monday morning another ballot was cast on Boushall and Holmes, which resulted in the election of Mr. Boushall.

Mr. Philip Woolcott was chosen as the member from the old council by the council itself. This makes the council consist of the following men:

Oscar Leach, President - President of the Senior Class, W. P. Fuller, Secretary - President of the Junior Class, T. C. Linn, President of the Sophomore Class, J. S. Cowles, Representative from the Law School, K. A. Kirby, Representative from the Pharmacy School, W. A. Smith, Representative from the Medical School, T. C. Boushall, Representative at large, P. Woolcott, chosen by the council.

COUNTY CLUBS ORGANIZE

Much Enthusiasm Manifested in This Activity.

Spurred on by a speech of President Graham the County Clubs have begun to organize as never before. From two to four have met every night this week. Assuming that all will be organized by Friday, a meeting of the Local Club Presidents will be held on that afternoon. Plans will then be laid for the year's work. Many counties are organizing for the first time.

At the meeting of the Gaston-Lincoln County Club, officers were elected, and plans discussed for the coming year. This is one of the Twin Clubs which is made up of two counties too small to organize singly. J. W. McIntosh was elected President, and on the suffragette ticket Miss Anna Puett was elected Vice-President and Miss Miller, Sec. and Treas. Two corresponding secretaries, one for each county were elected: G. B. Crowell for Lincoln and W. K. Reid for Gaston. J. A. Capps was made Historian. His duty is to keep a record of work accomplished during the year and the method used in solving difficulties that arise. This Twin County Club intends to give a High School prize in further evidence of its progressiveness.

The Wayne County Club organized Tuesday night with the following officers: K. C. Royal, President; P. C. Darden, Vice-President; E. W. Norwood, Secretary; M. E. Robinson, Treasurer. The club is planning to have a representative team from Goldsboro to enter the High School football meet to be held here. A big feed is planned for the near future.

The Surry-Yadkin County Club, another Twin County Organization, held its first meeting Tuesday night and elected J. I. Dobbin, President; C. B. Waltz, Vice-President; M. R. Dunningan, Secretary and L. V. Scott, Treasurer. G. A. Morton, W. R. Harding and O. K. Merritt were appointed on a Program committee to look up records of both counties and have them discussed. Yadkin county this year for the first time has had sufficient representation to warrant organization. Meetings will be the first Friday in each month.

Fifteen old and six new students from Alamance county met Tuesday night and elected the following officers: J. A. Holmes, President; D. L. Bell, Vice-President; S. F. Scott, Recording Secretary; R. W. Holmes, Corresponding Secretary R. M. Homewood. This Club meets the 1st Monday in each month.

The Granville County Club organized Wednesday. They have eighteen members. Their officers for the year are: A. W. Graham, Jr., President; F. W. Hancock Jr., Vice-President; H. Hester, Secretary; J. P. Stedman Jr., Treasurer. Hester's election was contested on the grounds that he was not a "Jr". A smoker will be held October 8.

ALL CLASSES HOLD MEETINGS

Seniors Decide For Smoker. Juniors--Standard Pin. Sophs Assess.

ALL MEETINGS SHOW GOOD SPIRIT

Boushall gets \$100 from the two lower classes for the High School--Class series of Baseball.

The past week has been eventful in that it has witnessed the meetings of all the academic classes and the law class. The Seniors led off with a meeting Friday afternoon in Gerrard Hall. President Graham made a brief talk at the opening of the meeting, after which the class adjourned to the Y. M. C. A. The class of '14 is following in the footsteps of their elder brothers of '13 by resolving to have a smoker sometime in the immediate future. The matter of senior hats was taken up and a committee appointed to consider the matter. After discussing the senior stunt, the class adjourned.

The Juniors held a brief session on Monday. The discussion of pecuniary matters prevailed, and an assessment was levied on each member. This is to pay their Freshman Yackety Yack bill. The pin problem was taken up. It was the opinion of the class that an effort should be made to establish a permanent pin. A Committee was appointed to choose a design to submit to the three lower classes. The class voted to hold a smoker at some future date. A permanent smoker committee was appointed.

The Sophomores held their first meeting on Saturday afternoon in the Y. M. C. A.

Tom Boushall, representing the Athletic Association, was present, and spoke concerning the raising of a fund of one hundred dollars in conjunction with the Freshman class for the support of class football. The class agreed to raise this fund and voted an assessment of seventy five cents to cover this amount and the debt carried over from last year. Mr. Dewitt Kluttz was present and spoke in behalf of class football. After this the class adjourned.

On Tuesday afternoon the Freshman class held their meeting at which Oscar Leach, President of the senior class, presided. Although the upper classmen did not prevent the Freshmen from holding their election, yet their conduct was not guided by the strictest rules of deportment. The officers elected were Oliver Rand, President; W. R. Allen, Vice-President; William Monroe, Treasurer and C. F. Andrews, Secretary. Tom Boushall was present and made the same proposition in behalf of the Athletic Association which he had made previously to the Sophomores. The class voted to accept the offer of the Athletic Association and levied an assessment of fifty cents a member to cover this amount.

The Law class which met on Saturday elected Ezra Parker, President; L. E. Jones, Secretary

DRAMATIC CLUB MEETS

Hundred Men Attend. Decide to Have Constitution.

Over one hundred members were present at the meeting of the University Dramatic Association which was held last Tuesday afternoon at 2:10 in Gerrard Hall. The object of this meeting was to appoint a committee to draft a constitution for the Dramatic Association, which step has for its aim the establishing of a firmer organization of Dramatics here in the future. The meeting was also called to explain to candidates the method to be used in selecting the cast. The constitution committee having been appointed, Prof. McKie then outlined the new method of selection.

The plan he proposed and explained is called the "Harvard Method," being the same as used by the Dramatic Club of that Institution. Each candidate, to show his Dramatic talent, his intelligence in grasping and interpreting a Dramatic scene, and his especial adaptation in one particular line; is required to pick any piece of Dramatic literature that he thinks he can show his Dramatic talent in and to put his work before the committee on selection without having had any coaching from the committee. This method was thought by the coaches to be the shortest and best possible way to really get the best talent in college.

At a meeting next Tuesday at 2:10 all candidates will be given a try out for the cast, and it is expected from the turn out last Tuesday, some "good stuff" will be gotten off.

The specific play has not been decided on yet, though the nature of the play will be somewhat as that of the roaring comedy presented last year. "What Happened to Jones."

J. S. Bryan, the manager this year, is pushing things aggressively. He is planing a big trip for the Club.

GLEE CLUB HAS TRYOUT

Abundance of Good Material Reported.

Monday night lots of music seed (not roots) were planted, and with lots of good weather ahead of us we ought to have a Glee Club this year in keeping with progressive Carolina. Something like 35 men came out to answer the first call. Among these were some of last year's men who will form the nucleus for a Glee Club that promises to be greater and more gleeful than ever before. Besides the regular orchestra, quartet and chorus the plans this year include a larger mandolin club than last year. We have three soloists with big reputations and bigger calibre from last year and may strike others in the tryout. Mr. Sueath is ready to give any body a tryout, and if you can carry a tune in a molasses jug keep the stop-

"PAPER" PROSPECTS OF COMING GAME.

Wake Forest Team Probably Lightest They Have Had. Four Old "W" Men.

TEAMS STARTED PRACTICE SAME DAY.

Indications Point to a Strong Line for Carolina. Heavy and Experienced Material. Backfield More of a Problem. Quarter Back the Hardest Nut. Team Still a Little Slow.

With a remembrance of the closeness of last years game with Wake Forest and a sneaking feeling that Carolina's victory was due more to luck than good playing the student body is looking forward with unusual interest to the game Saturday. On paper Carolina prospects look pretty good. Seven N. C. men are back. There is a great abundance of new material.

The line undoubtedly promises to be good. With Little "Ab" and Tandy to pick from for center, Captain Abernethy and "Big" Edwards at tackles, Cowell and Ramsey at guards and Huske and Homewood on ends somebody is going to get into trouble. Ervins offensive work at Full has been fine. The half backs will be two of the following three Tayloe, Burnett and Pope. Tayloe is fast. Orr will probably start at quarter although Lord has been showing good form these last few days. He did some clever open field running Wednesday.

With Wake Forest the proposition is different. With only four "W" men back and a majority of their squad new men they have a difficult task before them. Their squad numbers only thirty. The old men are Carter, center and Captain; Moore, tackle; Britton, guard; Cuthree, end. For quarter back their prospects are poorer than those of Carolina.

The News and Observer of Wednesday says in part:

"The team is probably the lightest that has ever represented Wake Forest on the gridiron and many of them lack any college experience, but the student body is hoping that it will develop into a team which will make a good showing during the year." Still Carolina don't get too confident. Remember the Spanish Armada.

Notice

Coach Trenchard asks that all men who won sweaters last spring call at the Athletic Store at once and give their numbers so that the sweaters may be ordered.

per in till you see him. There are two trips lasting a week each, one before and one after Christmas, for those that make the Club, not to mention the fun and real practice they will have in going out for it.

Whatever You Do, Don't Miss Star Course Amusements
