## MR. HARTE SPEAKS FRIDAY

### Noted Religious Worker to Talk About India.

Mr. A. C. Hart, one of the foremost religious men of America, will speak to the Faculty and students in Gerrard Hall Friday evening at 7:30. Mr. Harte is a native of Pennsylvania, a graduate of Wesleyan University, Middletown, Connecticut, and for fifteen years was General Secretary of the Association at Mobile. It is not too much to say that his service there ranks with McBurney's in New York in the inspiring and transforming influence exerted on the city's men of affairs and youth alike. For fifteen years he was chaplain of the first infantry of Alabama and served in the Spanish American War, for six months as chaplain of the second Alabama U. S. Volunteers. He went to Colombo, Ceylon, December, 1907, and after one year of outstanding leadership, became general secretary of the India National Council.

A noted Christian leader and writer from America, travelling in India wrote, "Few men in the history of the association movement have succeeded in making friends of the organization as has Mr. Harte, a winsome personality with the graces and charm of a Southern gentleman. He has added the attractions which grow out of unselfish life service of an order. Mr. Harte has found it possible to make and keep friendships with simple hearted village Christians, with all sorts and kinds of students, with Rajahs and Maharajahs and all other native princes of all ranks as well as with the distinguished representatives of the British crown."

After representing the foreign work in one of the leading cities of North America, the general estimate of him in which all men who have heard him, will agree. "Mr. Harte preached in two of our largest churches. He addressed a conference of leading business men Monday evening and made good everywhere. Five different people who heard him Sunday morning said it was the finest address they had ever heard. Tell the secretaries of the associations that they can place Mr. Harte before their best audiences."

Dr. Claxton is a straight forward, forceful, and very talented speaker. His address was one of the most appreciated heard here recently. As U. S. Commissioner of Education he brought the University greetings and congratulations from the entire nation.

At the conclusion of his address the L. L. D. degree was conferred on him by the University.

President Graham then read telegrams of greetings, congratulations, and best wishes from Alumni and Alumni associations scattered all over the United States.

Mike Dunnagan '14, came back to college last week to take up graduate work.

## SENIORS PASS PEACE PIPE

### Held Enjoyable Smoker Last Friday Night.

The Seniors held forth mightily Friday night over punch and cigars with sandwiches and cigarettes as a sideline. With three co-eds to preside over the punch bowls and some forty-five members present to enjoy the occasion, Nineteen fifteen held its first smoker as Seniors.

The refreshments were light but were calculated to leave a good taste in ones mouth. After the refreshments several of those present improvised a quartette and sang apparently to their hearts content.

Speeches were then the order of the evening. Class athletics were discussed in full by members of the embryo championship team. The vexing subject of class hats was next brought up. The discussion waxed so warm that the president was forced to call a vote to halt it. Votes were taken with the result that the matter was turned over to a committee of nine with Field as chairman and the three co-eds as members. The financial management of the affair was turned over to the class treasurer and any assistants whom he should see fit to appoint.

The discussion of the stunt resulted in the election of a committee of three, J. S. Bryan, chairman, B. B. Holder, and W. P. M. Weeks, whose duty it shall be to see the "Stunt" through from start to finish.

Drs. Herty and Greenlaw were present to represent the faculty. The evening was fittingly ended with the election of Shep Bryan cheer leader to replace Bascom Field of the class football team. Of course yells were given for everything and everybody.

## You win \$500 by writing the best Fatima ad.

We believe the College Man who smokes Fatima ought to be able to write a good Fatima ad. He knows from experience that Fatima is of satisfying excellence—that for its superlative quality it is moderately priced. He of all Fatima smokers, should be able to write of Fatima convincingly.

So we are going to pay \$500 to the student who prepares and sends to us the best original advertisement for Fatima Cigarettes before June 1, 1915.

ILLUSTRATE your ad, if you can but if you can't draw, then use your kodak or describe your idea.

Any student of any college may compete for this \$500. There are no restrictions, whatever, no strings of any kind on this offer, other than this—every contestant must be a regularly enrolled student in an American College. We want a student—not a professional ad writer—to benefit from this offer.

Three prominent business men, whose names will be announced later, will act as judges.

\$5 for every ad published

\$500 for the best one submitted

The \$500 will be awarded June 1, 1915. In the meantime, some of the ads submitted will be published each month in college publications, together with the name and photograph of the writer—provided the writer will give permission for such publication.

For each ad so published we will pay the writer \$5. But, the publication of any ad must not be taken to signify that it stands any better chance to win the \$500 than the ads that are not published.
