Along the same subject is an article by G. A. Martin on the bettering of the methods of choosing debaters, That some such method is needed is amply vouched for by Caroignominious defeat last year. Half serious and half humorous is the description of Venice during August by T. C. Linn, who happened to be on the scene when the war broke out and was kind enough to pass along his impressions of the vermicelli city. The best poem of the month was that by J. N. Wilson on the time-worn subject of the sunset at the close of day. A. R. Brownson's article on a real library is a true statement of a sad fact which all would do well to heed. The Editorial and and Around the Well departments are of course up to their usual high standard while the Exchange department announces that it is going to concern itself in trying to encourage High School literature. To summarize the Magazine in a few words, it is a magazine that few equal, none excel. and that any college would be justly proud of.

Special Train to Run.

Manager Boushall announces that arrangements have been made for a special train to run from Chapel Hill to Winston next Saturday for the accomodation of students desiring to see the Davidson game. DAVIDSON GETTING READY

Red and Black Hopes to Show up Well Against Carolina

Davidson is practising hard and looking forward to the game next Saturday with not a great deal of pleasure. It seems to be the concensus of opinion that gained 5, Fuller made 3 over left Davidson stands no chance of winning from Carolina. There is every reason why she should not. Carolina has a student body of over nine hundred men to select its players, the best coaches in the South, and has had summer practice.

> The line-up that will most probably meet Carolina is as fol lows: Creighton, R. E. who playing on the varsity for the second year; Anderson, R. T for whom this is also the secon season; Van de Vanter, R. G., member of the 1912 team; McKay G., a sub of last year; Gray, L. G., who has never played foot ball until this year; Glover, G., a second year man and the so called "Lillipution elephant" of "The Red and Blacks"; White, C., who is playing on the varsity for the first time this year; Cap tain Howell, R. T.; Austin, R. E., a freshman. In the backfield will probably be Walker, R. H. B., a second year man; Black, L. H. B., a freshman who formerly played at Fishburne; Laird, H. B., a sub-varsity man of last year. McKennon, F. B., who is playing on the team for the second year.

> The Clemson game left several of the regulars in bad shape. The Newberry team gave Davidson somewhat of a surprise by scoring 7 in the first half to Davidson 0. In the second half Fetzer had to send in two of his regulars who had been kept out on account of injuries received in the Clemson game, and "The Red and Black" machine had to strain to the utmost to gain a victory. The game last Saturday with Citidel was a gruelling contest from start to finish, and many bruises and sprains were received by the Davidson players.
