The UNIVERSITY NEWS LETTER has reached a circulation of 4,000 which is still growing. This publication fills a long felt want and is inspiring very favorable comment throughout the state.

The University sermon which was delivered by Rev. J. J. Hurt of Durham last Sunday was very poorly attended on account of the inclement weather. Mr. Hurt did not preach the sermon he had intended to, because Gerrard Hall was unpleasantly cold. He, however, delivered a short sermon on Genesis 28, 11-22. It is a matter of regret that so excellent a minister had so few hearers.

Dr. Dey's reading from "Chanticleer" in chapel last night was highly enjoyable. This was the first of the faculty readings which have been arranged for. Dr. Dey's discussion of Rostand's latest work, which appeared for the first time in Paris in 1910, was especially illuminating. The readings by other members of the faculty later during the year are looked forward to with much pleasure.

Two concerts were given by the Glee Club, one at Newbern and one at Kinston. Both were well attended and received much commendation. Several new numbers, which added much to the strength of the program, were added.

The alumni in both cities were very active and made every provision for the success of the Club. The advantages of a private car contributed in no small degree to the comfort and enjoyment of the musicians.

JUNIORS WIN FROM SENIORS

Interesting Basketball Game Ends in Victory for Third Year Men

Wednesday afternoon the second game of the class basketball league which was played by the Juniors and Seniors resulted in a 25 to 19 victory for the former team. At the end of the first half the score stood 14 to 8 in favor of the Seniors and it appeared that they had the game sewed up, but the Juniors tightened up in the second half and swept their opponents off their feet. The game was rather loose as a whole and neither team seemed to have had much practice. Fouls were frequent, and individual play rather than consistent team work was the fault of both teams. Good material is possessed by both quintets, however, and with more practice they should show up in excellent form.

AMONG THE FIRST HUNDRED

Tandy Is One of A Hundred Players Picked By Camp as Season's Best

New York, Dec. 12. Walter Camp, Yale's noted football authority, has made a departure from his usual custom in the selection of his all-American football teams by naming, in addition, those whom he regards as the greatest 100 varsity football players of the year. This list, which has appeared somewhat in advance of his all American elevens, includes the names of seven Harvard players and of only four from Yale. *The Boston Traveler*.

In the list of players which follows, Tandy, one of Carolina's stars, is among the first ten centers.

Carolina Man Chosen

Alfred L. Stern, who chose the All-South Atlantic football team for the Washington Post, placed George Tandy on this all-star aggregation as a guard. He states that Tandy was shifted to this position from his regular berth at center because he had conclusively demonstrated that he could play any position in the line with equal facility. Roy Homewood was also mentioned in the article as a possibility for All-South Atlantic right end, but the position was given to Marshall of Gallandet. The other teams which had men placed on this fictitious team were Georgetown 3, Virginia 2, A. & M. 2, Wash. and Lee 2.

Sophomore Class Meeting

The Sophomore class held a business meeting Tuesday afternoon. A committee, composed of Messrs. Telfair, Lindau, and Rountree, was appointed to name the Freshmen. Messrs. Polk, Capps, and Hoover were appointed on the class stunt committee. J. E. Hoover was elected class statistician.

The Rowan County Club has decided to give a smoker to the high school boys of Rowan County during the Christmas holidays. Aside from serving sandwiches and hot chocolate, the club expects to talk up the University.
