FRESHMEN CLASH WITH BINGHAM TEAM TODAY

ASHEVILLE TEAM HAS A STRING OF SCALPS—INJURIES HAVE WEAKENED RESERVE

OAK RIDGE WAS AN EASY VICTIM

Oak Ridge was an Easy Victim—Carolina Swamps Prep School—45-0 in Listless Game—Both Teams Badly Broken Up—Run by Simms Feature—Game at 3:00 Today

This is the way the two teams line up when Carolina meets the as yet undefeated team from the "Land of the Sky" this afternoon on Emerson field. The freshmen, although they have played but two games, came out with the large end of the score both times. Bingham has won the four games she has played by overwhelming scores, so this contest will mark the first defeat of one of the teams, unless a tie results.

Bingham is reported to have one of the best teams she has had in many years—weighty and fast. This team won from Carson-Newman by the score of 54 to 0, from the team at Camp Sevier 33 to 6, which is the only score registered against her this year, from Chick Springs 56 to 0, and from Lenoir college 65 to 0, giving her 208 points to her opponents 6.

Against this record of heavy scoring, the Freshmen have won from Davidson scrubs by the score of 6 to 2, and from Oak Ridge, 45 to 0. The advantage plainly rests with Bingham, but with the full drive and fight from beginning to end, the Freshmen can hold up their own end of the affair in a fashion that will bring home the bacon.

The coaches during the last week have been drilling their charges as much as the military affairs would allow. The ends have been working on the matter of spilling interference and catching forward passes. The line-coaches, Barton and Blount, have been putting the line through stiff practices of charging and tackling.

The backfield has worked on interference and handling the ball which were noticeably poor in the Oak Ridge game.

A good scrap is looked for by those who will witness the game Saturday. It will start at 3:00 o'clock.

County Rally Day Yesterday

The ceremonies and entertainments of Rally Day were pulled off in rather exceptional style yesterday. Of course there was the usual athletic meet—what Rally Day would be complete without it—and while no records were shattered, some close finishes were observed.

The singing contest in Memorial Hall showed much development of that phase of music known as close harmony—and the crowd was delighted.

One seldom sees so many vehicles as were parked out behind the South Building, those vehicles that brought so many good folks and good things to town for the edification and edible education of the people of Chapel Hill.

The crowning feature of the day was the parade by the battalion in honor of the visitors. Princess Pat's regiment might have done better, but we don't believe it.

Mr. Noble thinks it was one of the best and most complete Rally Days it has ever been his pleasure to see or take part in.

The November issue of the University Magazine War Number went to press last Wednesday, the 7th. War poems, war stories, and war feature articles make snappy reading matter. It will appear on the campus about the 21st.

Chemistry Department is Recipient of New Journals

Mr. W. R. Kenan, class of '94, of Lockport, N. Y., has presented to the Department of Chemistry a number of bound sets of technical journals, about 100 volumes in all. They include the Journal of Analytical and Applied Chemistry, the Journal of the American Chemical Society, the Journal of Industrial and Engineering Chemistry, and Chemical Abstracts. These journals will replace sets which have generously been placed in the library on deposit and which have been at the service of the University for many years. Forty additional volumes were presented by Dr. F. P. Venable and his son, C. S. Venable.

The activities of the Dramatic Club have been practically at a standstill for the past week, due to the fact that the play decided upon, "The Man Who Staid at Home," is under litigation in New York, the publishers refusing to release another copy until a question concerning a non-payment of royalty for its use has been settled in the courts.

In case this play is not secured within a short time another play will be selected. There are several which are receiving a good deal of consideration, including "Stop Thief," "Kick In," and "The Man of the Hour."

Sound does travel very slowly. One blows up on a quiz, and doesn't hear the report until about a week later.

Chapel Hill seems to be the only team in sight for the eastern championship in football.

CAROLINA RACQUETERS TWICE DEFEAT TRINITY

WHITE AND BLUE GET REVENGE FOR DEFEAT LAST YEAR IN FAST MATCHES

WILSON AND PRINCE THE STARS

Carolina registered a double victory over its opponents last Saturday when its Varsity tennis team defeated Trinity in Durham while the Freshman football team was scoring a victory over Oak Ridge here at the same time. After losing the doubles, 1-6, 6-4, 6-4, Carolina overcame jeering and personal remarks from the side lines and captured the singles easily.

Both teams exhibited nervousness in the beginning. Carolina's team is composed of two new men this year, Prince (Capt.) and Wilson, and the absence of a seasoned veteran to steady them cost them the doubles. Both Trinity players, Aldridge (Capt.) and Powell, served well. Their pretty lobbing, and their ability to smash from the back court counted strongly in their favor. In the singles Wilson won easily from Aldridge, 6-1, 6-1. Wilson's service was going finely, his drives were prettily placed, and his recovery was perfect. Prince defeated Powell in the singles, 6-1, 4-6, 7-5. Both served well, but the ability to last longer won the match for Prince.

Wednesday afternoon on her own courts the Carolina Varsity Tennis Team manifested its absolute supremacy over the Trinity representatives by taking both doubles and singles. The score of the doubles was 6-4, 6-3. The Trinity men were simply outclassed. In the doubles Wilson smashed with great certainty. Time and again Prince returned seem-

What's to Happen and When

Saturday, November 10—Carolina versus Bingham, Emerson Field, 3:00 P. M. Moot Court in Law Building at 8:00 P. M. Society meetings, 7:00 P. M.

Sunday, November 11—Bible Study in all churches at 9:45 A. M. Dr. Moss in Zeta Psi Hall at 12:30 P. M. on "The Letter of St. Paul to the Galatians." Sunday School Teachers' Training Class at 12:30 in the Sunday School Room of the Methodist Church.

Monday, November 12—President Graham in Chapel. North Carolina Club in Gerrard Hall at 7:30. Dr. Raper speaks on County Government.

Tuesday, November 13—Weekly Meeting of the Y. M. C. A. in the Reading Room of the Y. M. C. A. at 6:45 P. M. "Cutie" Price leads the discussion. Ministerial Band meeting in Mission Room of Y. M. C. A. at 7:30 P. M. Craven County Club in Y. M. C. A. at 9:30 P. M.

Wednesday, November 14—Thursday, November 15—Student Forum in Chapel. S. S. McClure speaks in Chapel on the Chances of Peace, 8:00 P. M.

Friday, November 16—Dr. McNider in Chapel.

Basketball Quiet But Active

Basketball practice continues to be promising, according to Captain Tennent. Coach Peacock has been putting the squad through stiff work in passing and blocking lately, and two teams have been selected that are exactly even in strength. The squad still holds on to its number of twenty-eight, and it is impossible to tell who will be on the 'Varsity five. The first game will be with Durham Y. M. C. A. early in December.

The University School of Pharmacy was admitted this month into the recently organized American Conference of Pharmaceutical Faculties. The object of this Conference is to standardize and elevate various pharmacy schools throughout the country. The eligibility rules are rather strict. Only five schools of Pharmacy in the entire South now hold membership in the Conference. They are the Medical College of Virginia, University of South Carolina, Mississippi, Vanderbilt, and North Carolina.

The third team beat the High School 6-0 last Thursday in a game featured by the playing of "Rattl" Ranson. Morrison made the scrubs' touchdown. The quarters lasted 6 minutes each. Bell played a great game at tackle—as long as he lasted.

Dr. Edwin Mims to Conduct English Seminar this Year

That Dr. Edwin Mims, professor of English in Vanderbilt University, will conduct the Seminar in American Literature this term is announced by the Committee on Degrees with Distinction. The subject for study will be "Nationalism in American Literature." It is planned for the Seminar to begin about December 10th, although the exact date is to be given out later.

Dr. Mims will be remembered as having delivered the University Day address here last year on, "The Uses of the Imagination," in which he made a profound impression on the University community. In selecting Dr. Mims for these lectures the Committee has secured a man who is thoroughly in touch with the ideals and aims of our country's literature. Especially in the field of Southern literature has he exerted a powerful influence. His "Life of Sidney Lanier" in the American Men of Letters Series, and his editions of "Southern Prose and Poetry" and of "Southern Fiction" have helped to bring the writings of Southern authors into greater prominence during the past decade.

The Seminar, which Dr. Mims is to conduct, will meet for two hours on each of five days. Only those who register in advance will be admitted to the Seminar, and students who desire to take this work should see Dr. Greenlaw within the next ten days.

In addition to the lectures under the Seminar course Dr. Mims will deliver a night lecture for the student body at large.

REGIMENTAL COLORS GO AS PRIZE TO COMPANY A

CAPT. G. HOLDING'S COMMAND AWARDED FLAGS—FIRST IN COMPETITIVE DRILL

MISS PATTERSON THE SPONSOR

Battalion Reviewed by Officers and President After Impressive Ceremony—Country Club Ridge was Stormed Last Monday—Digging Continues

"Company A, prepare to receive your colors." With those words Captain Allen featuring the impressive ceremony, the national and regimental colors were presented Wednesday afternoon at a ceremonial parade. Miss Mary Patterson received the colors from Captain Allen and handed them over to the color guard.

The colors were given to the military organization by two alumni of the University, Dr. Patterson, of the class of 1895, presented the national colors, and Mr. P. Schenk, law class of 1905, the regimental colors.

At the magic words of Captain Allen, indicating that Company A was the "pick of the pick," being the best drilled company on the field and that it was to be entrusted with the colors for the next two months, every man in the first company stood rigidly at attention while thrills travelled up and down the back of Captain G. and a smile played around the corners of his mouth. After the band had played "The Star Spangled Banner" and the color guard had marched to the designated company, the Battalion marched in review before the color party which was composed of President Graham, Miss Patterson, Capt. Allen, Commandant Leonard and Adjutant Whitfield.

There has been the keenest rivalry between the four companies since the announcement two weeks ago, that colors were to be presented to the best drilled company. Each company has been working hard to bring the coveted flags their way and until the last minute the lucky company was in doubt. The final effort was made this week when competitive drills were held Monday afternoon and Tuesday and Wednesday mornings.

In the eschelon movement Monday afternoon Company A defended the Country Club Hill while the other three companies attacked from the south. The movement was held to afford practice in skirmishing through wooded areas as well as in the open. The first company took up their first position on the hill in front of the club house but fell back as the enemy advanced and entrenched themselves behind a stone wall. That position was held until the final charge was made and the whites of their eyes were seen, when the defenders with a mighty shout, poured over the wall and met the superior force in hand to hand encounter in the open. Captain Allen reports the movement very satisfactory, and that marked improvement has been made since the first attack. The only casualties occurred when the pla-
