BATTALION STARTS BIG SPRING TERM OFFENSIVE

GROUPS TO LEARN MUSKET, BAYONET, BOMB FIGHTING—NEW TRIPODS READY

NEW BUGLES DONATED TO CORPS

The spring drive has begun; the offensive has been launched against the strongholds of military ignorance. This new attack is directed along the sector held by the forces of Modern Warfare. Flushed with victory over the fundamental forces in their fall attack, the veterans of the Carolina Battalion are eager for the big push forward.

Capt. Allen says the morale of his forces is splendid and that he expects great results this spring. By the beginning of next week the work of specialization will be taken up. The battalion will be divided into specialized groups to carry on their own line of work. These specialized groups will offer instructions in engineering, musketry, bayonet fighting, bombing, special drill, and signalling. After about a month's work of specialization the battalion will return to the same company formations and take up further work as a whole, in trench warfare, bayonet fighting, and firing on the range. The men who qualify in the special schools of bayonet fighting and musketry will probably act as instructors when the whole battalion goes into the study of bayonet fighting and musketry.

Re-enforcements have just arrived in the form of an awkward squad of 22 men. When these men reach the necessary stage of efficiency they will be placed in the different companies to fill up the vacancies.

About thirty wooden tripods, which are to be used for rifle rests in determining the triangle of error, have been made and are stored in the rifle rooms at headquarters. These stands, Capt. Allen says, will be used indoors when the weather is bad and outdoors in good weather.

The band has a new room fitted up for its own use at Headquarters where some of the instruments will be kept and practices will be held. Through Lieut. Leonard Mrs. John Stuart Kennedy, of New York City, has presented to the Bugle Corps four handsome bugles. The members of the Bugle Corps are highly pleased with the new instruments and have expressed great appreciation of Lieut. Leonard's thoughtfulness and Mrs. Kennedy's generosity.

The following Carolina men have been promoted to the rank of First Lieutenant in the National Army: W. B. Umstead, L. A. Blue, Jr., E. T. Cansler, Jr., H. H. Crawford, R. T. Allen, L. C. Bryan, J. O. Dysart, H. M. Smith, J. M. T. uTrbyfill, K. C. Royall, F. C. Shepherd, G. M. Norwood and R. P. Brooks.

Billy Yord led the Y. M. C. A. discussion on Tuesday night in the reading room of the Y. M. C. A. on the subject, "The College Man."

Students' Editorial Work Wins Publicity

Regular Space in Greensboro Daily News Reserved for English 29-30 Students

Editorials in the Sunday, Jan. 20th, edition of the *Greensboro Daily News* by members of the class of English 29-30, have served to call attention to the widening activity of University men. By these publications a new avenue of contact with the affairs of the State has been opened up for the University.

Through the efforts of Prof. R. H. Thornton, who is in charge of the class in newspaper editorial writing, the *Greensboro News* has offered to reserve a space in its editorial page each week for selected articles by members of the class. The editor of the *News* in commenting upon these articles says that the paper intends to make their publication a permanent arrangement, in order that the thoughtful men and women of the state may have an opportunity to become acquainted with the viewpoint of young college men.

In the editorial page of Sunday, Jan. 20, were published two columns by the editorial class including articles by J. C. Kennedy, R. L. Young, William Bailey, W. H. Williamson, C. F. Crissman.

Over 275 high schools have enrolled in the High School Debating Union thus far, and all indications point to a most successful state-wide debate this year on the question of compulsory arbitration of industrial disputes. April 11 and 12 are the dates set for the finals in the 6th annual contest for the Aycock Memorial Cup. High school week will also be featured by the sixth annual inter-scholastic track meet and the third inter-scholastic tennis tournament.

ON TO BLUE RIDGE!

Pneumonia Claims J. McIver

Julian McIver died of pneumonia at the Infirmary last Wednesday morning between two and three o'clock. He had been in a very critical condition for three days, but was thought to be improving until late Tuesday night. Then his condition changed for the worse. His mother and brother, of Sanford, were at his bedside when he died. Captain Allen announced the news in Chapel on Wednesday morning. The announcement brought a sense of loss to everyone.

The battalion passed a resolution to use the funds in the treasury to send flowers. C Company, of which McIver was a member, met just after Chapel exercises and chose a committee to take appropriate action in behalf of the Company. This committee added a wreath to the floral offerings.

McIver was popular with all who knew him. He was frank, open, and possessed a fine strain of loyalty in his friendship. He was a member of the class of '20. Dean Stacy, in a tribute to the deceased, said that he died in preparation for the defense of his country—a death as noble in spirit as a death on the battlefield.

BASEBALL LETTER MEN ELECT POWELL CAPTAIN SEASON OUTLOOK ROSY

BATTERY PRACTICE IS HELD IN GYM—SCHEDULE DEVELOPING—5 OLD MEN BACK

Jack Powell was elected captain of the baseball team by last year's letter men recently, in a meeting presided over by Dr. Mangum. Five of last year's team were present: Jack Powell and Beanie Kinlaw, pitchers; Walter Feimster, third base; Holmes Herby, short, and Youree, catcher.

Practice is to start as soon as possible under the direction of Coach Bun Hearn, who showed last year what he could do with a new bunch.

The cheerful sound of ball hitting mitt can be heard at the Gym every afternoon now from 2:30 to 3:30, where prospective pitchers and catchers are getting in shape. Six pitchers and two catchers reported for practice to Coach Hearn last Thursday, and Billy Steele will be warming up his pitching arm in a few days.

FIVE EMINENT PROFESSORS ARE RAISED TO KENAN RANK

DRS. VENABLE, WILSON, CAIN, GREENLAW, AND MacNIDER HONORED BY TRUSTEES

With Governor Bickett, Chairman, and Dr. Graham present, the Executive Committee of the University Trustees met in the Senate Chamber of the State Capitol Tuesday, January 22nd, and raised to the Kenan rank five of the most prominent members of the University faculty. They are: Drs. F. P. Venable, Chemistry; H. V. Wilson, Biology; Prof. William Cain, Mathematics; Dr. Edwin Greenlaw, English, and Dr. W. B. MacNider, Pharmacology. These men will now receive \$3,500 a year and each year following an additional \$250 and they will be known as Kenan professors.

At her death Mrs. Robert W. Bingham (Mary Lily Kenan, of Wilmington, N. C.), bequeathed to the University \$75,000 income annually for twenty-one years and thereafter an amount to be invested as a permanent endowment sufficient to yield \$75,000 annually. According to the announcement of President Graham, the money is left for the purpose of strengthening the faculty through establishing a number of Kenan professorships. Its main and ultimate object, in the language of the will, is "in the interest of the education of the youth of North Carolina."

The significance of such a large bequest given for the purpose expressed cannot be overestimated, both as it affects the State at large and the University. It goes to the very heart of public education in North Carolina. "Her method of carrying out her great thought

CHAPEL PROGRAM

Monday—President Graham.
Wednesday—Rondthaler and Parker in a clarinet-cornet duet.
Thursday—Student Forum in Chapel.

Carolina Summer Camp to Locate at Asheville

Younger Boys to Get Six Weeks of Military Training Under Direction of Capt. Allen

The University will conduct a training camp for young men at Bingham School, Asheville, next summer. This scheme for military preparation for North Carolina's younger men has been approved by the faculty here and has been passed upon favorably by the Trustees. Capt. Allen will have active charge of the camp and will be assisted by Prof. Hickerson, Bill Blount, and Bingham McKee.

This course is designed primarily for fellows in the high schools of the state but men of draft age who have not been called will be eligible for the course which will last from June 14 to July 26. The whole plant of the splendid equipment of the Bingham School will be turned over to Capt. Allen and his assistants. The number of the camp has been limited to 150.

The training will be very intensive and will include besides the drill fundamentals, all the finer points of modern warfare which Capt. Allen has acquired during his three years of active service on the western front.

Mr. John S. Terry has recently succeeded Mr. Cutey Price as president of the Di Soicety. As a result, the seating capacity of the presidential chair has had to be doubled. The office of president now carries weight with it.

There's one man on the campus who's wise—he carries an Ingersoll for the bell time and a watch for the correct time.

"Red" Pemberton, Fayetteville, has been initiated into Alpha Tau Omega.

H. S. Basketball Pot Boiling

With the final contest for the High School State basketball cup only a few weeks off, keen interest and rivalry are being manifested in every quarter. Through the process of elimination two teams, representing the east and west, respectively, will come to the Hill about March 10 to contest for the honors in the final State championship game.

This struggle will mark the fourth annual high school championship contest held on the Hill since the inauguration of these championship series. Winston-Salem has walked off with the laurels twice, in '15 and '17, defeating Raleigh in the first instance and downing Durham in the latter contest. Durham won out over Winston-Salem in 1916.

Dr. William D. MacNider, of the faculty, was married to Miss Sally Ford, of Salisbury, January 23, the ceremony taking place in Salisbury. Dr. and Mrs. MacNider went north on their honeymoon.

Josh Tayloe, Washington, N. C., has been initiated into Sigma Nu.

TAR HEEL FIVE CRUSHES EMORY AND HENRY 63-21

FAST TEAMWORK, SHORT PASSING AND ACCURATE SHOOTING WINS FOR N. C.

ENTIRE SCHEDULE IS ANNOUNCED

The fast Carolina quint opened its regular college season by crushing the Emory and Henry College team here Thursday night 63-21.

Opening up with an amazing bunch of good passes and accurate shots, Carolina got the lead on the visitors and never relinquished it. The visiting team played a scrappy game, but they were simply out-classed. The speedy University five relied mainly on the short, swift pass. This, together with their ability to make every easy shot count, netted them 38 points to their opponents 7 in the first half.

The Emory and Henry team started a spurt at the beginning of the second half. Some pretty floor work gained them five baskets in quick succession. Then the Carolina defense tightened, and two goals were the sum total of the remainder of the game. The visitors excelled in defensive work, but they seemed to pin their faith to long shots. Time and again they secured the ball and worked it down the floor, only to lose it in a long try for the basket.

Coach Peacock sent in his entire second team in the last five minutes of play, with the exception of the center. The scrubs showed up well, making three baskets in as many minutes. There were no stars on the varsity; each member of the team showed up well.

The line-up and summary follows:

Carolina	E. and H. Carmichael
Left Forward	Jackson
Lynch	Groat
Right Forward	
Liipfert	Hooley
Center	
Cuthbertson	Knight
Left Guard	
Tennent	Grobom
Right Guard	

Field goals—Carolina: Carmichael (5), Lynch (10), Liipfert (5), Tennent (7), Cuthbertson (3). Emory and Henry: Jackson (2), Groat (3), Hooley (5).

Goals from fouls—Carolina: Lynch (3 out of 6); Emory and Henry, Jackson (1 out of 4).

Substitutions for Carolina: Ferrington for Tennent, Morris for Cuthbertson, Hodges for Carmichael, Gwynn for Lynch.

Manager Kinlaw has at last announced the completed basketball schedule for the season. Three games have already been played, eleven remain on the schedule, two are pending. The games of perhaps the most interest are those with Georgia and Davidson here, and the one with Virginia in Lynchburg. Georgia has not lost a game yet this season. Davidson is said to have even a stronger team than she had last year. Virginia has defeated the strong Elon team, who in turn has defeated the V. M. I. quint. The Lynchburg Athletic Club defeated V. P. I. by the score of 39-16, and she
