Interesting Meeting of the Latin-American Club Held

Elliot Cooper read an interesting and timely paper on the "Commercial Relations between Latin America and the United States," before the regular fortnightly meeting of the Latin-American Club Monday night. A warm discussion, led by William Bailey, followed Mr. Cooper's talk.

Quoting the Biblical phrase, "where thy treasure is, there also will be thy heart", Mr. Cooper said that commercialism is a tie which binds nations closer together than anything else. "A true and sympathetic understanding between nations cannot be gained by legislation alone", he said. "There must be some closer ties than laws and doctrines. Intimate communication through trade channels is the best way to promote friendly feelings with Latin America.

In every way we are more closely connected with the continent than any other nation, and it is only logical that we should secure this valuable trade," he said.

The speaker strongly advocated the possession of the Carribean Islands by the United States. They would mean more to us, he said, than to the nation by whom they are now owned, and the progress made by Porto Rico under our care shows how profitable it would be for these Islands to belong to the United States.

COMMENCEMENT DEBATING QUERY IS ANNOUNCED

"Resolved, That the U. S. government should conscript every male citizen between the ages 18 and 45 into some form of service during the period of the war," is the query selected for this spring's commencement debate. This debate will be a junior affair between the two societies held on Monday night of Commencement week. The Phi Society has the negative and the Di the affirmative. The preliminaries will be held in the two society halls about the first of May. The best speaker on the winning side in the final contest will be awarded the Bingham Medal for debate.

At a meeting of the International Polity Club on Wednesday night, John S. Terry led the discussion on "Japanese-American Diplomacy."

GOOD BASKETBALL IS SEEN ON CLASS COURT

(Continued from Page 1)

class game, 34-5. The Freshmen easily outpassed the Sophs, and it soon became a guess as to how many points the first year men would pile up.

Roberson, Erwin, and Van Noppen starred for the Freshmen, as far as field goals went. Fulton and Morris played good covering games. The Soph team showed lack of team work. The line-up and summary:

Freshmen—Erwin, l. f. (3); Van Noppen r. g. (4); Roberson c. (4); Morris, l. g. (1); Fulton, r. g. (2).

Soph—Martin, l. f.; Lindsay, r. f.; Phelps, c.; Martin, P., l. g.; Lay, r. g.

Substitutions: Stone for H. Martin; Kittrell for Phelps.

Senior-Fresh

The Seniors took another step towards the class championship Thursday by defeating the hitherto undefeated Freshmen, 31-22.

The Freshmen got the jump in the first half and at the end of 20 minutes play had the big end of a 11-5 score. But the fourth year

men came back strong in the last half and ended up with another victory.

Peacock, Hawkins, and Ravenel starred for the Seniors. Hawkins was especially deadly on foul shots, making 5 good out of 7. Roberson played the best game for the Freshmen, getting 14 of their 22 total. The line-up and summary: Seniors—Peacock, l. f. (5); Hawkins, r. f. (3); Ravenel, c. (3); Ambler, l. g.; Devereaux and Rrmstrong, r. g. (2).

Freshmen—Rourk, l. f. (2); Erwin, r. f.; Roberson, c. (6); Morris, l. g. (2); Fulton, r. g.

Soph-Junior

The Sophs showed a complete reversal of form Thursday and held the Juniors to a hard-earned 38-34 victory.

Both teams played a good passing game, though the Sophs were better able to make their shots count. Corpening was the individual star for the Juniors, obtaining nine field goals and five foul goals. Durham also played a good game. Kittrell and Stone did most of the scoring for the Sophs. The line-up and summary follow:

Juniors—Parker and Durham, (5), l. f.; Price and Hodges (1), r. f.; Corpening, c. (9); Wright, l. g.; Andrews, r. g. (2).

Sophs—Snyder and Lindsay (2), l. f.; Stone, r. f. (5); Kittrell c. (7); Harvey, l. g. (1); Martin, B., r. g.
