

**Battle's "Battlers" Win
Hard Fought Contest**

Emerson Field was the scene of an exciting post-season football game Saturday afternoon, between picked teams from the Battle and Ledbetter boarding houses. The game was called promptly at 3 P. M., the Battle boys receiving. By a succession of rushes and end runs, they carried the pigskin within the shadow of their opponents goal. However the Ledbetter team stiffened, and altho the "Battlers" made a determined effort for a touchdown, their opponents held them for downs.

The tow teams were about evenly matched, both sides playing good ball and neither side scoring during the first three quarters. In the last quarter with but one-half a minute to play, the Battle team successfully executed a forward pass, Walser running twenty yards for the deciding touchdown of the game. French kicked goal.

The line plunges of Smith and Elliott featured the playing of the Ledbetter team, while Massenber, French and Walser starred for the Battle boys.

**Faculty Work Given
Signal Recognition**

"Amrican Ideals", a book of 326 pages, published in 1917 by Houghton, Mifflin & Co., and recently revised and enlarged by the editors, Drs. Norman Foerster and W. W. Pierson, Jr., of the faculty, has recently been signaly recognized by the French Government through a request by it for permission to translate the book into the French language. "The desire of the French Government in the matter is to disseminate the political ideals of America as formulated by Americans themselves." Permission has been given by the publishers and editors for the translation, and it will soon be issued in French. It is interesting to note that the first edition was reprinted several times, and that a new edition considerably enlarged is now coming from the press.

**Societies to Give
Holiday Smoker**

With between thirty-five and forty new men initiated and three months of good work behind it the Phi Society will give a smoker on next Saturday week night as a farewell to the men before they leave for the Christmas holidays. The students in school are cordially invited to be present. In conjunction with the Di Society there will be several inter-society debates between the classes and one intra-society debate in each society. It has always been the custom for the societies to hold their intra-society debates about the last of the fall term, but owing to the aced-SIX—Tar Heel

emic situation this last fall these debates were postponed until after Christmas. The intra-society debate is between members of the freshman class. The best speaker receives a medal from the society.

Simultaneously with the Phi Society the Di Society will hold its farewell feed next Saturday week night. The public is cordially invited. The Di Society, although starting late on account of the epidemic of influenza, has done some good work this term and plans on a larger scale for the next two quarters.

**Debating Council
Elects Officers**

The University Debating Council met Wednesday night and organized and elected officers for the year. J. V. Baggett was elected President and W. C. Eaton Secretary. The Council decided to confer immediately with Johns Hopkins and other Universities in regard to arranging dates and queries for Inter-Collegiate debates during the coming terms. The outlook for debating this year seems very bright, and if the plans of the council mature there will be about six interesting debate contests on the "Hill" during the next two quarters.

The Debating Council is composed of: W. C. Eaton, J. W. Foster, and J. J. Rhyne, of the Di Society; J. V. Baggett, D. L. Grant, and E. S. Merritt, of the Phi Society.

ANNOUNCEMENT

Men leaving the Hill next week, wishing to get their Tar Heel, will please give name and address to Massenbur, Business Manager.
