**Prof Winston of University
Is State Tennis Champion**

Prof. P. H. Winston, of the University of North Carolina, won the tennis championship of North Carolina today by defeating E. E. Folk, of Wake Forest, three straight sets.

The match was played on the courts of Trinity College at Durham, neutral territory, selected by the contesting players. The match is a continuation of the tournament of the North Carolina Tennis Association held in Greensboro about two weeks ago, which was not finished because of bad weather, and the doubles will be played in Greensboro tomorrow.

Winston held the upper hand through the match though Folk was at his best in the third set, which he once led at 3-2.

The Carolina player's steadiness and uncanny accuracy were more than a match for his opponent, who was wild, though he made brilliant shots at times.

**Y. Financial Drive
Moving Toward Success**

Reporting that the first night of the Y. M. C. A. financial campaign was a success in every sense of the word, Director John P. Washburn was able to announce Thursday night that two thousand dollars of the thirty-five hundred had been raised by pledges and cash payments. The canvassing is in the hands of thirty men and it is thought that these men can cover the student body in such a thorough manner as to insure success to the campaign. Four thousand and five hundred dollars is the amount in total that will be raised for the Y. M. C. A., and of this amount the faculty will give five hundred and the alumni five hundred, thus leaving thirty-five hundred to be raised by the students. The campaign closes on the night of November 7th.
