Cadets Still Undefeated, Having Scored 236 Points on Opponents— Formidable Rival For Carolina's "Wonder Team."

Many bloody battles were waged in the vicinity of Richmond during the early Sixties that disturbed the inhabitants and laid waste the lands of the Old Deminion. Once again the war cries of the Southerner will resound over the waters of the James River when Tar Heel meets Cadet at the Virginia Capitol Saturday. The fight will not deter +

mine the sovereignty of states but it will probably determine the South Atlantie championship.

V. M. I. has an eleven that may rival the famous "'Flying Squadron'' of 1920 that ran roughshod over everything in this section of the country. True, there is no Jimmie Leach to bewilder his opponents with brilliant runs, but the Cadets have White, the best fullback in Virginia, and Ryder, a speedy half who will be hard to stop. The V. M. I, line is one of the strongest in the entire South and Captain Harrison is a rival of Pritchard for the best gnard in the South Atlantic states.

Conch B. B. Clarkson's outfit has chalked up 236 points to its opponents' lone touchdown which was made by Lynchburg in the first game of the sea son. State and Virginia are the only major elevens that have faced V. M. I and both met defeat 14 to 0. State is the only team that has played both Carolina and V. M. I., and of course the Red and White's showing furnishes the only basis for comparing the strength of the two grid machines that will battle to the last ditch at Richmond on Armistice Day, Both Coacl Fetzer's charges and the Cadets made two touchdowns against State. The Wolfpack scored nine points against the Blue and White but could not pene trate the V. M. I. defense, although getting within scoring distance two times. The Virginians' first touchdown came when White raced 65 yards late in the third quarter.

V. M. I. and Carolina are the only two teams that still have an opportunity to win a clear title to South Atlantic honors. The former defeated Virginia which later downed Washington and Lee 22 to 6 in their first encounter for several years. Both Carolina and V. P. I. won from Maryland, but the Gobblers could only tie Davidson one week after holding Centre to
