

DEBATE PRELIMINARIES

The preliminaries for those going out for the Fresh-Soph debate will be held in the Di Society hall on Monday night, January 22. This is to determine the representatives of both classes in the finals to be held on Saturday night, February 17.

OVER TWO HUNDRED HIGH SCHOOLS ENTER CONTEST

Annual State-wide Debate Arouses Much Interest—Extension Material to Appear Soon.

From present indications the annual state-wide high school debating contests will be very successful. The query has already been announced and over 200 high schools have been enrolled in the contest. The query as announced is: "Resolved—That the Railroad Labor Board should be given power to enforce its decisions." The handbooks that are issued by the Extension Department on the subject will be out in a few days and will be sent out to the high schools as material for the subject.

It is not known just what will be done about a new cup. One thing is certain, however; that is, that the cup was won for "keeps" last year by the Durham High school. The committee will give out its decisions about the new cup, however, as soon as possible. The Aycock cup was given by the inter-collegiate debaters but it is not yet known who will have the honor of giving the new cup.

Zimmerman Will Stay At Carolina

Dr. E. W. Zimmerman of the Commerce Department has recently refused a request to join the staff of the United States coal inquiry commission. President Harding created the commission last fall for the purpose of gathering and studying the facts of the coal industry. Dr. Zimmerman was asked to undertake a study of the economic phase of distributing coal. The work was of such importance that it required residence in Washington, and could not be done on a part time basis. Dr. Zimmerman has elected to continue his work at the University.

Dr. Zimmerman has for some time been engaged in a study of Governor Morrison's steamer line plan. Tuesday he sent to Governor Morrison a report in which he outlined the ground that should be covered in an investigation of such a project. Also he sent a brief account of his recent visit to New York, where he interviewed prominent men in port and shipping circles.

FETZER AND SHEPARD TALK OF BASKETBALL

The finer points of the game of basketball were explained to the class of '26 in chapel Wednesday morning by Coaches Bob Fetzer and Norman Shepard.

Coach Fetzer impressed the fact upon the audience that basketball served to draw the student body in closer contact with each other than any other sport, thus resulting in greater school spirit. He attributed this to the fact that the game of basketball is played within a close radius of the spectators, where it is possible to see every play closely at hand and to witness fine points in the game which it is impossible to distinguish in other forms of athletic amusements where the participants are further removed from the spectators. The coach appealed to all freshmen to support basketball by at least attending the games, and thus enjoying the fellowship and close contact the sport holds in store for its supporters.

Mr. Shepard laid especial emphasis on the new rules which have been introduced within recent years to curb the roughness of basketball. He pointed out to the students that the University has a long tradition of the greatest sportsmanship as a part of its history, and that this tradition must be upheld throughout the future. Basketball he believed, serves as a medium through which this spirit of sportsmanship may be strengthened and more firmly entrenched in the University. As an example of this, he related to the freshmen the wonderful reputation for sportsmanship which Carolina basketball teams in the past have had.

ONGAWA PLAYERS HERE NEXT WEDNESDAY NIGHT

Something Out of the Ordinary to Be Given by Japanese Dramatic Organization.

The Ongawa Japanese Players in Chapel Hill—cherry blossoms in a cedar grove. They will be here on Wednesday night, January 17, under the management of the Playmakers. Holders of subscribers' memberships will receive a 10 per cent reduction in admission price.

The program to be given will be a bit novel on Chapel Hill boards—a sort of fantasy of the Far East, an optical dream.

The program will consist of two parts as herewith:

PART I

Feast of the Lanterns—A descriptive composition portraying one of Japan's great night festivals with ultra-realistic effects.

Historical Sword Dance—Narrative pantomime of striking beauty.

Monkey and Jellyfish—A Japanese story.

Up-side Downs.

Ancient Love Song—Moonlight and Waves.

Lady Picking Mulberries—A song.

Fold Dances—With songs and poems.

Japanese Feminine Fashions.

PART II

"The Fox Woman," a play of Oriental witchery.

This play is an example of the latest development of dramatic art in Japan, following closely the realistic methods of the West.

COURSE IN AGRICULTURAL CO-OPERATION GIVEN HERE

Will Give Opportunity to Learn Mechanism of Co-operative Agencies—Course Given by Hobbs.

S. H. Hobbs, Jr., assistant professor of Rural Economics and Sociology, is this quarter giving the first course in Co-operation in Agriculture ever given in the South. In fact, the University has practically the only department of Rural Sociology in the South. The departmental library is the second best on that subject in the entire United States.

The South has two of the greatest co-operative agencies in the world, but has few men who know how to manage them. There is an urgent need for men who understand the principles of such organizations, the success or failure of which is so important to the farmer and the South. Nevertheless, no southern school has previously offered courses for the training of such men.

During the holidays Mr. Hobbs represented the University at a meeting of the new Rural Sociology division of the American Sociological Society in Chicago.

A LA PUSH CART IS SWAIN'S NEW SYSTEM

All Food Placed on Table at Beginning of the Meal—First Come, First Served.

The management announces a change in the mode of serving meals at Swain Hall. Instead of having a waiter to every two tables as in the past, trucks will be used, and at dinner and supper all the food that is to be served will be on the table when the doors are opened, with the exception of bread and butter. Therefore, no dishes will be refilled during the meal, and the food on the table is supposed to be enough to satisfy the appetites of ten normal men. But, if some of the men have super-natural appetites and take more than their proportionate share, they will cause their unfortunate brethren to go hungry. So the management asks that every man have a heart and take no more than his allotted share; and they emphatically declare that the amount of food will not be cut down, so that no one need worry.

This change is made in order to make the lot of those members of the Royal Order of Hash-Slingers who are so fortunate as to have been awarded positions in the hall easier, and to improve the service. It is hoped that this new plan will prove more satisfactory to all parties concerned.

CHANGE IN LIBRARY HOURS

The library is now open on Saturday nights from 7 until 10 o'clock. The closing hour at night throughout the week has been changed from 11 to 10 o'clock.

CHICAGO PROFESSOR WILL GIVE WEEK'S COURSE HERE

W. A. Nitze, Authority on Romance Language and Literature, Will Conduct Seminar Course in February.

Professor William Albert Nitze, member of the Modern Language Association of America, head of the department of Romance Languages and Literatures at the University of Chicago, and author of "The Grail Romance Perlesvaus," "Glastonbury and the Holy Grail," and "The Fisher-King in the Grail Romances," will give an intensive course covering the Arthurian romances, both English and French, during a week in February. Professor Nitze is recognized as being the greatest authority on Arthurian romances in this country, and is, besides, a delightful personality.

Professor Nitze will have a class of about 30. It will be composed of graduate students and of seniors who have specialized in French. The class will meet two hours each day for six days. As well as listening to lectures, the students will take part in the discussions.

The course given by Professor Nitze follows out a plan which the University adopted six years ago. This plan is for some distinguished scholar from another university to give a short course covering some definite subject. It is probable that Professor Nitze will give an evening lecture while he is here.

DURHAM COUNTY CLUB FAILS TO SETTLE THE MED SCHOOL ISSUE

The Durham County Club failed to arrive at a definite decision in regard to the location of the proposed new medical school in Durham, at its meeting last Monday night. The medical school proposal came in for quite a lengthy discussion at the meeting, the matter finally being deferred until the next meeting of the club.

One definite step taken by the club resulted in the appointment of a committee, composed of J. M. Saunders, C. K. Massey, and W. J. Fauette, which was instructed to make arrangements for the staging of an essay writing contest among the schools of Durham county. This contest will be held under the auspices of the Durham county club, the subject to be selected being one which is expected to interest the state-at-large. It is hoped by club members to have the winning essay published in the Carolina Magazine.

Victor V. Young, president of the club, was selected as its representative to make a speech before the juniors and seniors of the Durham high school at an early date. The talk will be delivered with the purpose in view of interesting high school students in the advantages the University offers those who desire a higher education. Refreshments consisting of apples, oranges and fig cakes were served.

DEAN BRADSHAW BACK ON THE JOB AGAIN

Dean of Students Francis F. Bradshaw has just recovered from an attack of the flu. He was taken sick on Christmas night at the home of his parents near Hillsboro. He spent the holidays there and was confined to his room all the time. However, he was able to be out again last Tuesday for the first time since his sickness.

A wrestling match with Davidson was scheduled at Chapel Hill for the 22nd or 24th of February. Elon and Guilford will probably be played before that time.

CALENDAR

Saturday:
Literary Societies meet at 7 p. m.
Freshmen vs. Greensboro High School in Gym at 8:15 p. m.
Sunday:
Grail meets in 'Y' at 12:30 p. m.
Monday:
Ongawa Japanese Players at Playmakers Playhouse at 8:30 p. m.
Compulsory chapel attendance in Memorial Hall at 11:10 a. m.

BLOUNT'S RESIGNATION IS LOSS TO VARSITY FOOTBALL

Captain-Elect Leaves Carolina to Accept Position With Liggett-Myers—Morris Succeeds Blount.

William A. Blount, captain-elect of the Carolina 1923 football team, has accepted a responsible position with the Liggett-Myers Tobacco company of Durham and will not return next fall to pilot the Carolina eleven. His resignation was tendered to the football squad about 10 days ago.

Blount first entered the University in 1915, but it was not until his senior year, 1919, that he became a member of the football team. The next year found him teaching at Bingham, but in the fall of 1921 he entered the law school and has been one of the most valuable men on the team the last two seasons. And in each of his three years as a member of the Tar Heel eleven he was prominently mentioned as all-South Atlantic center.

His resignation leaves a wide gap in the center of the Carolina line which will be hard to plug. This year he has distinguished himself as an exceptionally capable kicker. On several occasions his goals from placement represented the margin of victory for his team, and he also made good about 90 per cent of his attempts to add the extra point after touchdown.

At a meeting of the letter men in football Wednesday night, Roy ("Casey") Morris of Gastonia was selected to succeed Blount as leader of the 1923 eleven. Morris is the first Carolina athlete to be honored with two captaincies in many years, and that alone is a great tribute to his popularity, ability and leadership. "Casey" has been catcher on the varsity baseball team for two years and will be captain of the nine this spring. His playing at left end has won him a position on practically every All-South Atlantic selection two years in succession. While the loss of "Bill" Blount was a serious blow to next year's prospects in the gridiron game, there is consolation in the fact that a capable man has been elected to fill the veteran center's shoes as pilot of the Fetzer eleven.

Frosh Will Reach Heights of Oratory

Two orators from Phi will oppose two orators from Di in what is expected to be a record-breaking freshman declamation contest, at 8 o'clock in Gerrard Hall tonight.

This will be the first annual freshman declamation contest to be held at the University. The contest is being held as part of the extended forensic program planned last autumn by the debate council.

Woodrow Wilson and Edward Kilder Graham, late president of the University, will live again in the minds of the audience, it is rumored. Two of the freshmen orators have speeches written by these men and will deliver them in the contest.

Judges for the contest had not been selected early in the week, but doubtless will be announced prior to Friday night.

The declaimers are: A. L. Groce, of Candler, representing Di; J. P. Pegg, of Guilford College, representing Di; R. L. Hollowell, of Ryland, representing Phi, and M. M. Young, of Durham, representing Phi. These speakers were selected in preliminaries held prior to the Christmas vacation.

PARSON MOSS FEEDS FRESHMAN DEBATERS

Rev. J. D. Moss, known in the University community as "Parson" Moss, was host to the Freshman Debating Society at a reception given Monday night in the First Presbyterian church.

A bounteous feast was enjoyed by all of those who were present as the guests of Parson Moss. G. M. McKie, coach of the club, gave a very interesting talk in which he pointed out the advantages of society work and encouraged society work among the class of '26. He predicted that the club would be very active during the present quarter.

joke-telling and a general get-together affair comprised the rest of the program. The club will hold a formal debate next Monday night, when the subject of tariff reform is expected to be heatedly debated.

CAROLINA'S SPEEDY QUINTET FINDS THE DURHAM Y. M. C. A. NO MATCH AND WINS 50-21

UNIVERSITY OF FLORIDA TO PLAY VARSITY HERE

Manager Ross Gives Out Revised Basketball Schedule—Wake Forest Next on the Program.

The revised varsity basketball schedule, just released by Manager Ross, includes a game with the University of Florida here on February 10. The first of the remaining games will be played with Wake Forest here on January 19. With the addition of the Florida contest, Carolina will have played only 14 games at the opening of the Southern Inter-collegiate Tournament.

The remaining games are as follows: Wake Forest at Chapel Hill, January 19.

Mereer at Chapel Hill, January 23.

Washington and Lee at Lexington, January 30.

V. M. I. at Lexington, January 31.

Lynchburg College at Lynchburg, February 1.

Trinity at Durham, February 3.

Wake Forest at Wake Forest, February 5.

Florida at Chapel Hill, February 10.

Trinity at Chapel Hill, February 17.

State at Raleigh, February 19.

State at Chapel Hill, February 22.

Virginia at Chapel Hill, February 24.

S. I. C. Tournament at Atlanta, February 28.

TOM THUMB WEDDING IS ENJOYABLE AFFAIR

Chapel Hill Children Stage Interesting Ceremony and Produce Quite a Few Laughs.

The wedding of Mr. Thomas Thumb and Miss Celia Midget was solemnized in the auditorium of the Chapel Hill High school last Tuesday night at 9 o'clock.

In the presence of the immediate family and a few friends the impressive ceremony was said. The bride entered on the arm of her father who gave her in marriage.

Miss Midget, played by Celia Durham, is the pretty daughter of Mr. and Mrs. Midget of this city. Mr. Thomas Thumb, played by Pilman Perry, son of Mr. and Mrs. Thomas Thumb, Senior, is a prominent and popular young man, also of this city.

All of the actors, none of whom will reach their teens in the near future, acted their parts well, and by their mis-steps, intentional and unintentional, kept the audience in a continuous state of laughter.

The play as a whole was an excellent satire upon the Chapel Hill married and courting population. The services were conducted by the Reverend Mr. Patton of the local Methodist church, pastor of the bride.

Towards the end, after the knot had been tied, the play began to drag and a few of the actors and actresses began to nod and show that their bed-time was before 9 o'clock.

The groom was very absent-minded and seemingly bored. He placed the ring upon the bride's thumb and allowed it to go at that. The bride condescendingly laid her bouquet down and corrected her newly-made husband's error. Following this the bride continually entangled herself in her train and kept the bridesmaid busy in assisting her out of the embarrassing dilemma.

The ring-bearer also chanced to spy her mother in the audience and caused no little mirth over her own glee. Well deserved refreshments were served at the end of the ceremony and were enjoyed by all excepting the best man, who turned down ice cream in his dreams of sleep. He was finally induced to partake by the ever-helpful bridesmaids.

Green, Carmichael and Sammy McDonald High Scorers For Carolina.

BITTERLY FOUGHT GAME

Durham Makes Only 7 Points in First Half—Carmichael Sure on Foul Shots.

Carolina completely outplayed, out-dribbled, and outshot the veteran Durham Y. M. C. A. team on the local floor Tuesday night, and finally triumphed 50 to 21. Urged on by the continual rooting of the spectators, both teams fought fast and furious throughout the game, but it was apparent from the start that the Blue and White five was superior. In the second half, the game was marred by the habitual protests of the visitors, and Referee Steiner had to remove two players from the floor for a slight conflict.

Captain McDonald's team started off with a spurt and ran up a large lead in the first 10 minutes. "Sammy" McDonald dropped the ball in the basket five times during the first half and Mahler rang up three. Two field goals were all that the Durham team could secure in the first period, but the Carolina defense was not so effective after the intermission. The score at the end of the half was 29 to 7.

Knight and Perry made six baskets between them early in the second half and play had been resumed five minutes before the Tar Heels could locate the hoop. Green came back strong in this period and obtained four goals, two being from difficult positions. Several times there was intentional roughness on both sides which prevented the smooth passing exhibited in the first half.

Captain "Mouk" McDonald played a strong defensive game and time and again dribbled the length of the floor, enabling his team-mates to shoot. Carmichael made eight of nine tries from the 15-foot line count, and performed in his usual graceful and effective manner. Sam McDonald and Green displayed good form on their shots and Mahler was exceptionally strong on defense. "Sis" Perry and Knight were the leading scorers for Durham, while Starling made an exceedingly long goal.

The line-up:
Durham Y (21) Carolina (50)
Perry L.F. ... McDonald, S.
Starling R.F. Green
Knight C. Carmichael
Mangum, L. L.G. Mahler
Hoffin, Capt. R.G. McDonald, A.(C)

Substitutions: Durham—Erwin for Mangum. Carolina—Purser for A. McDonald, A. McDonald for S. McDonald.

Scoring: Field goals—Perry 2, Starling, Knight 4, Mangum, Erwin, S. McDonald 6, Green 6, Carmichael 4, Mahler 4, Purser. Foul goals—Carmichael 8 out of 9, Mangum 3 out of 9, Referee, Steiner (Trinity). Time of halves, 20 minutes.

Nine Men Added To Fraternities

The annual mid-year initiations have been held by the fraternities and Carolina's fraternity roll is larger by nine men. It has been a matter of considerable speculation this fall as to how certain desirable men would go and Monday night when the colors were pinned on the new neophytes there were some surprised by the results and many "just-as-I-thought's." Each year after the fall term a number of men are initiated that would have been before had they been eligible. Six courses are required by the University for eligibility.

The following were initiated: Delta Kappa Epsilon—Martin Carmichael, of Durham, and John Clarke, Tarboro; Alpha Tau Omega, Scott M. Thomas, Rockingham, and Harry J. Watrous, Tampa; Sigma Nu, Paul Wells, Jr., Shelby; Theta Chi, Latta R. Johnson, Snow Hill, Homer C. Stallings and H. LaB. Wilcox, Florence, S. C.; Delta Tau Delta, Julius Ragland, Salisbury.

LAW REVIEW DELAYED

The January issue of the North Carolina Law Review has been delayed by the illness of its editor-in-chief, Mr. M. T. Van Hecke. But in the near future this number promises to be out and to equal, if not to excel the previous issue.
