

**MEDICAL SCHOOL ISSUE
IS UNCHANGED PENDING
ACTION OF THE TRUSTEES****Dorman Thompson Says School
Will Not Be Located in
Chapel Hill.****DURHAM-CHARLOTTE ROW**

Since the Durham offer was made public a few days ago, the situation in regard to the state medical school has remained practically unchanged. There seems to be no doubt from any quarters, however, that the school will be established, and the problem for the trustees to solve, when they meet next Tuesday, will be to decide which of the offers they will accept, or what plan they will pursue for the immediate erection of the school.

Both Durham and Charlotte are extremely anxious for the medical school. Both cities offer to supply and maintain a hospital needed in connection with the institution. The Charlotte proposal provides for a strictly state school connected with the University, while the Durham plan is for a state medical college in itself, independent of any college. Both offers are receiving careful consideration. Taking into consideration the present condition of the state's finances, it would be expedient, in the opinion of many prominent officials, to adopt some plan by which the state would not be called upon to supply the entire amount needed to build and equip an up-to-date medical school.

Although there has been some disagreement for the last few days as to the exact standing of the state's finances it is certain that the liabilities incurred by this state by bond issues at present amounts to something over eight million dollars. Therefore, to make the school what it should be, if the state should build it alone, in the opinion of many people, would require more than it is at present able to appropriate, however worthy the expenditure would be.

Although it would be better in a way to put the school at Chapel Hill, the majority of the board, according to Dorman Thompson, a member of it, is opposed to such a plan, and there are many reasons why Chapel Hill would not be a suitable place for the school. Since the last two years of a medical student's education includes the clinical schooling, a clinical college must necessarily be located in a place where all sorts of cases can be secured for treatment and observation. The objection to Chapel Hill is, that it lacks these facilities. Being off a main railway line and not in the center of an industrial region, patients could not be secured here in numbers. In this connection, it is doubtful whether any North Carolina cities would supply the sort of clinic needed to maintain an efficient college.

Whatever is done, however there is no intention of moving the present two year medical school from Chapel Hill.

**ABSENT FACULTY MEN
BUY BOOKS FOR LIBRARY****Dr. Brown Secures Some Unusual
Gains in Germany—Towles
and Harter Also Buy.**

The library is having its gaps in certain departments filled rapidly. G. A. Harter, professor of Latin; Oliver Towles, professor of Romance languages, and Kent J. Brown, professor of German, while abroad on a year's leave of absence, are buying books for the library. Dr. Harter is adding to the select list of incunabula from Rome. Dr. Towles, in Paris, is buying the French books of the 17th century, with an eye to their value in Romance languages. And Dr. Brown, in Munich, is having a veritable landslide in the cheapness of books. His last shipment, a set of 52 books, cost \$19. In this country they couldn't possibly be bought for five times the amount. But taking advantage of the present rate of exchange, he is buying many periodicals which are needed to fill in the gaps of the periodical list.

The library officials are bemoaning the fact that they haven't a large enough fund to purchase some of the very fine German libraries that are being sold for a song.

The freshman second team journeyed over to Mebane last Friday to play Mebane high school. Adams, Barber, Cordon, Huggins, Koonce, Underwood, Vest and Watt went. After a rather slow game, Mebane nosed out the second team by a score of 31-30.

**"UP TO STUDENT BODY" SAYS
PRES. CHASE IN CHAPEL SPEECH****Thinks the Only Way to Get Adequate Appropriation is to Arouse
State-wide Sentiment in Favor of It.**

"The student body must get busy." That was the essence of President Chase's speech in chapel Friday, when he explained the failure of the request for appropriations, and the reasons for it. He thinks that the University went about asking for this appropriation without enough agitation, in a rather half-hearted way. That was the reason, the President thinks, that the University did not receive her full demands.

**FACULTY MAKES NEW RULE
ON CLASSROOM STANDING****Student Dropping Course Without Per-
mission to Receive a "6"—More
Courses Required to Return.**

The faculty have put into effect two important regulations relating to the classroom work of students. The first of them is:

A student who drops a course without getting permission from the dean of the college or school in which he is registered will receive the grade of 6 on that course. The reason for this rule is that heretofore students have sometimes voluntarily had themselves dropping by incurring a certain number of absences and have been graded "absent." Now they will be graded 6. It is found that often a course which a student finds difficult is dropped when it is the very course which it is most necessary that he continue. Permission to drop a course will be given when the dean is convinced that there is a good reason, and the 6 will not be given.

The second regulation is that the requirements for re-admission to the University the following year have been raised. Henceforth, a freshman must pass at least five courses, and a member of an upper class must pass at least seven courses. The requirement that has been in force is four courses for freshmen and six for upperclassmen. The new rule will not go into effect until the fall of 1924. That is, this year's freshman who passes four courses, and this year's sophomore or junior who passes six, will be allowed to return in the fall.

**Zeta Psi Plans
Dance Friday Eve**

The Zeta Psi fraternity announces a dance to be given in their hall Friday night. Invitations will be extended and it is learned that a large number of Durham, Raleigh and other out-of-town girls have accepted invitations to attend.

A new orchestra organized and managed by S. E. W. Kenny will be the music-makers. The players in this new orchestra are known to be good, but as to just how good they play together will be shown Friday night.

The Zeta Psi hall is large and at present the best dance hall on the campus. The Zeta Psi's are known to give good dances. As to whether or not the Grail has developed their plans and will give two dances this week-end is not yet known. Their plan was to have this week-end or some week-end soon a number of dances making them as near as possible like a regular Carolina dance. It is their intention to have a number of visiting girls attend. Everyone except freshmen are to be invited and the dances made as reasonable as possible.

**THE CAROLINA CLUB
ORCHESTRA TAKES A
TRIP INTO VIRGINIA**

Wednesday night the Carolina Club Orchestra left for Orange, Virginia, where it will furnish the music for the Woodberry Forest mid-winter dances. Since the reorganization of the Tar Baby Five, the organization has become known as the Carolina Club Orchestra, which is composed of Hal Kemp, Jim Garrett, Billy Vaught, Will Hicks, Bob Dey, and Charlie Stephenson.

The orchestra furnished the music for all the Carolina fall dances and made a big hit with everyone attending. Since then it has become very popular in Chapel Hill, having furnished the music for all the Grail dances and most of the other dances given on the Hill. Throughout the entire state there has been a constant demand for the orchestra and it has furnished the music for many dances outside Chapel Hill. During the Christmas season the boys spent the entire time playing for different occasions in the largest cities of the state. It is rumored that they intend to take a trip abroad next summer as did the Tar Baby Five two summers ago. This new organization has already become a part of Carolina and is closely associated with the university.

**ONE HUNDRED POINTS TO
SEVENTY-TWO IS TOTAL
SCORE ON VIRGINIA TRIP****V. M. I., Washington and Lee,
and Lynchburg College Go
Down Before Tar Heels.****ALL GAMES EASILY WON**

The Blue and White basketball team returned home Friday after waging a brilliant campaign in Virginia. Carolina won every game played and piled up an even 100 points to her opponents' 72. V. M. I. was beaten 26 to 20 and a hard-fought win from Washington and Lee followed.

The Lynchburg College five furnished the Tar Heels some stiff opposition in the final game. The Hornets had the lead for about ten minutes of the first half, but baskets by Sam McDonald and Green gave Carolina the lead which was held to the last, the score being 50 to 31.

Sam McDonald played splendidly and made 16 points, tying Carmichael for high scoring honors. The latter was especially good on free tries. Every Carolina player secured at least one goal, while Witt, the Lynchburg center, rang up five baskets and five foul shots.

The line-up: Carolina (50) Lynchburg (31)
McDonald, S. (16) Thomas
Left Forward
Green (6) N. Oliver (6)
Right Forward
Carmichael (16) Witt (15)
Center

Mahler (4) Suttentfield (2)
Left Guard
M. McDonald (6) Woodside (2)
Right Guard
(Continued on page three)

**FRESHMEN BEAT RALEIGH
HIGHS BY ELEVEN POINTS****Game Starts Off Slowly But Interest
Picks Up—Game Above Average
for Fresh.**

The freshman basketball team followed the varsity's example in the Mercer game by defeating Raleigh high school by the same score, 33-22, Friday night. Like most of the freshman games, this one started off slowly, although the freshmen made a better showing in the first half than they did with Reidsville. Raleigh made the first goal, but Carolina soon began to pile up the score, so that by the end of the half the tally stood 17-8 in favor of the freshmen. The visitors picked up somewhat in the second half, but could not overcome Carolina's lead.

For Raleigh Young was the outstanding player, while Devin, Milstead and Cobb showed up well for Carolina. Cobb's shooting was not quite up to standard, but his dribbling was very noteworthy. The freshmen might have scored more if they had been more careful in following up shots. As a whole, however, the game was considerably above the average.

The line-up, substitutions and individual scoring was as follows:

Freshmen Raleigh
Milstead (8) Young (8)
Right Forward
Johnston (4) Grimsley (4)
(Yelverton) (Coley)
Left Forward
Cobb (16) Waring (2)
Center
Devin (5) Hawkins
Right Guard
Buchanan Spence
Left Guard
Referee, Lineberger; Timekeeper, Dr. Lawson.

**ELLSWORTH WILL TALK
TO JOURNALISM CLASS**

William W. Ellsworth, formerly head of the Century Company, who is to give lectures in Memorial Hall Monday and Tuesday nights, will also talk to the journalism class Tuesday morning at 9:20. His subject will be the art of writing.

All members of the faculty and students are invited. The journalism class room is on the second floor of the Alumni building, north end.

**MCDONALD ELECTED
CHIEF DANCE LEADER**

"Monk" McDonald, popular athlete and basketball captain of the University's quintet, has been elected by the senior class to act as the chief University dance leader during the Commencement dances.

Other dance leaders elected were Tom Turner, S. Whedbee, J. T. Barnes, H. Holderness, J. T. Little, and L. V. Phillips.

J. O. Harmon was initiated into the Masonic Club last Saturday night.

**ONE POINT IS NARROW MARGIN
OF VICTORY OVER TRINITY SQUAD****Rough and Tumble Contest Goes to Carolina by Close Score of 20-19
—Effects of Virginia Trip on Tar Heels Apparent.**

Carolina barely escaped defeat at the hands of Trinity on the Angier Duke gymnasium floor Saturday night in a furiously played game that was doubtful until the final whistle. With the Methodists leading 13 to 12 at the end of the first half, the Blue and White succeeded in eking four additional goals to only three by Tom Neal, and finally won by the score of 20 to 19.

The contest was a rough-and-tumble affair with little open play by either team. Carolina plainly showed the effects of the strenuous Virginia trip and often resorted to long shots instead of trying to work the ball up under the basket. Crute and Neal, especially the former, kept their men well covered, and while Winton Green scored five times, nearly all his shots were unusually long.

Trinity scored first on two foul shots by Simpson but Carmichael quickly evened matters with a beautiful goal from the center of the floor. Green secured three baskets in the first period and "Monk" McDonald also made a nice goal, but Simpson's seven foul shots gave Trinity a one-point lead at the intermission.

In the second half both quintets returned to the floor with greater determination to win, and playing degenerated into a species of football. Referee Corboy failed to penalize to any extent but held balls were of frequent occurrence. After the score had remained unchanged for several minutes, Green dropped one through and Mahler followed with a "crip" shot. Carolina added two more baskets and Neal rang up another. With but three minutes to play, Neal located the ring twice and barely missed another difficult shot, but the timekeeper's whistle ended the fray with the Tar Heels possessing a one-point margin.

Green's brilliant goal shooting and Captain McDonald's excellent floor work were the features of Carolina's playing. Mahler and McDonald formed a barrier against which the Trinity forwards could make no headway. Captain Jimmy Simpson was high scorer for the Methodists with one basket and seven foul goals out of 11 attempts. Neal's all-around playing in the last few minutes was the brightest showing made by the losers.

The line-up: Carolina (20)
Trinity (19)
Spikes Green
Right Forward
Simpson (C) McDonald, S.
Left Forward
Bullock Carmichael
Center
Crute McDonald, M.
Right Guard
Neal Mahler
Left Guard
Substitutions: Purser for S. H. McDonald.

Scoring: Field goals—Simpson, Bullock, Crute, Neal 3, Green 5, Carmichael, A. M. McDonald 2, Mahler. Foul goals—Simpson 7 out of 11, Carmichael 2 out of 4.

Referee, Corboy (Elon); timekeeper, Captain Card. Time of halves, 20 minutes.

**COACH BOB BEGINS
WORK OUT FOR TRACK****While basketball will hold sway for
at least a month yet, Coach Bob Fetzer
is working his men daily in preparation
for the track season which will open
March 8-9. At this time the annual
indoor track meet will be staged in
Durham.**

The prospect for a winning team is brighter than it has been for a number of years. Eight letter men from last year's team are back on the Hill. Besides, the freshman 1923 team was almost as good as the varsity and a number of these men will strive for varsity berths.

The only meet that has been settled definitely is the indoor meet at Durham. This is both a high school and an inter-collegiate meet. The high schools will contest in the afternoons and the college teams will show their wares at night. The time and place for the State meet has not been decided, but it will likely take place some time the latter part of April.

Negotiations are under way for dual meets with N. C. State, Washington and Lee, for a triangular meet with Georgia and South Carolina, but none of these dates has been fixed.

Professor Daggett is again appointed to registration board.

**PROFESSOR DAGGETT IS
AGAIN APPOINTED TO
REGISTRATION BOARD**

P. H. Daggett, head of the electrical engineering department, has recently been re-appointed on the State Board of Registration for Engineering and Land Surveyors. In the field of engineering this is one of the most important boards in the state. Professor Daggett was re-appointed to the Executive Department of this Board by Governor Cameron Morrison. Previous to this recent re-appointment he has served on the Board since 1921.

This Board of Registration is composed of the best authorities on engineering in the State, among whom are: Charles E. Waddell, chairman; Gilbert C. White, N. S. Mulligan, Professor Harry Tucker and Professor P. H. Daggett.

Miss Louise Latta, a student at Salem College, visited her mother in Chapel Hill last week-end.

**MANGUM ORATORS
HAVE UNTIL FEB. 15**

All seniors who intend to try for the Mangum Oratorical Medal at Commencement must hand their subjects to the dean of the school in which they are registered by February 15. Subjects were supposed to have been in on February 1, but it was decided to put the date off until the 15th.

**ONE POINT IS NARROW MARGIN
OF VICTORY OVER TRINITY SQUAD****Rough and Tumble Contest Goes to Carolina by Close Score of 20-19
—Effects of Virginia Trip on Tar Heels Apparent.**

Carolina barely escaped defeat at the hands of Trinity on the Angier Duke gymnasium floor Saturday night in a furiously played game that was doubtful until the final whistle. Center
Crute McDonald, M.
Right Guard
Neal Mahler
Left Guard
Substitutions: Purser for S. H. McDonald.

Scoring: Field goals—Simpson, Bullock, Crute, Neal 3, Green 5, Carmichael, A. M. McDonald 2, Mahler. Foul goals—Simpson 7 out of 11, Carmichael 2 out of 4.

Referee, Corboy (Elon); timekeeper, Captain Card. Time of halves, 20 minutes.

**HIGH PERCENTAGE PASS
BAR FROM UNIVERSITY****Fourteen Out of Fifteen Registered Is
Good Showing—Van Hecke
Gets N. C. License.**

Fourteen out of the fifteen Carolina men who stood the examinations for license to practice law, last week, were admitted to the bar. The successful applicants are as follows:

Joseph Thomas Allen, Gibsonville; John Earle Baker, Nashville; Alexander Eugene Cook, Fayetteville; Trench Charles Cox, Jr., Asheville; Ray P. Land Davis, Kinston; Preston Winfield Herman, Conover; Andrew Joyner, Jr., Greensboro; David Cunningham Sinclair, Jr., Wilmington; George Brabson Patton, Franklin; Edwin Irvin Monk, Asheville; John Hardwicke McElroy, Marshall; Raleigh Bradford Lee, Aurora; John Paul Trotter, Charlotte; Thomas Bernard Wright, Greensboro.

M. T. Van Hecke, associate professor in the law school, was granted a North Carolina license under the comity act, by virtue of his having practiced for five years in Illinois.

FRENCH CIRCLE MEETS

Le Cercle Francais met Wednesday night. The speaker of the evening was Professor Shapiro, who made an excellent talk on "Moliere." For refreshments hot chocolate and sandwiches were served.
