less and strong-minded in facing the problems of the world and be determined to make something worthwhile of our lives. The great crowds that have acclaimed his work at Greensboro have been an added incentive to bigger things for him he remarked. He further feels that he is bringing an uplifting healing message to a world that is in dire need of it. He said, "I wouldn't change places with the President of the United States."

In the near future Rev. Stephens will doubtless make another visit to the University.

Mr. and Mrs. Grumman's mother left yesterday for White Plains, New York. After a week's vacation Mr. Grumman will return. Mrs. Grumman will come back in July and his mother in the fall.

CAROLINA TRACK TEAM IS AGAIN STATE CHAMPIONS

retarded them. Gus McPherson, after equaling the State record in the hundred yard dash in Friday's preliminaries, was set back a yard for beating the gun in the finals and thus lost his chance to set a new record. All six of the entries in this event were set back a yard for the same offense as McPherson, an unusual occurrence. Carolina as usual copped most of the honors in the hurdles and the distance runs. She was severely handicapped in the hurdles by the absence of Johnny Pearson, who is ill with the mumps. Her five men entered in the hurdles, however, all proved themselves better than any thing else in the State. Lawrence Watt, with twelve points, was next to Spurlock in high scoring honors. He carried the Carolina colors to victory in both hurdles and was fourth in 440.

Once more Coach Bob has proven to the world that as far as track is concerned, Carolina is head and shoulders above any thing else in the State.

VARSITY TO PLAY COLLEGE THIS AFTERNOON

cause of an injury. Bill Poyner substituted on the mound, and four markers against the Tar Heel's five was the final count of the contest.

Besides presenting a wonderful baseball contest, this afternoon's affair offers further attraction to Carolina baseball fans. Cheerleader "Bob" Hardy will have his aspirants for the "vocal art" out in full force, and should "Kike" Kyser duplicate his exhibition of last Friday the spectators are in for a great treat. "Kike" kept the fans at last Friday's affair roaring with laughter for the last four frames of the contest, and his cheer-leading antics were alone worth the trip to Emerson field.

Further attraction for the game will consist of the presence of the University band. The Bandmen have learned lots of new music and number among their selections now some of the latest and most popular selections.

tion; but, if the usual order is followed, Dr. Rondthaler's address will come first, the ruling Jason's speech next, and the tapping last.

In 1924 nine men were tapped including: Merle D. Bonner, Henry Fuller, J. M. Saunders, A. E. Shakell, J. W. Deyton, H. A. Lineberger, J. E. Hawkins, Richard Y. Thorpe, and W. J. Coker, of which only Saunders, Deyton, and Coker remain on the campus.

In 1925, last year, eleven men were taken in, these being J. B. Fordham, C. R. Jonas, W. E. K. Underwood, L. E. Watt, J. R. Cobb, W. B. Pipkin, H. M. McIver, Jr., W. T. Couch, H. N. Parker, Spencer Murphy, and J. H. Lineberger. All of these men are in the present active Fleece with the exception of McIver, Lineberger and Murphy.

Membership in the Golden Fleece is, according to one of its number, an award for high achievement in student endeavor, and in the past this criterion has been faithfully, and rigidly adhered to. A man's complete college record is considered when such awards are meagerly handed out near the close of each year, and while some may have excelled particularly well in one single line of student activity, others may have achieved much in varied line. All Fleece men are looked up to by the campus as outstanding men of ability and character.

No registration fees will be charged the delegates, and the local Y. M. C. A. cabinet has been invited to join the meetings of the conference.

From the leaders of this outfit comes the news that they intend to put out the very best possible in dance music and that they intend to try to please. Mr. Trusselle states that he feels that they have a group capable of the best.

While on a recent engagement in Durham a man having something to do with a radio broadcasting station expressed his desire to get them to broadcast from Richmond.

Mrs. Paulsen's mother, Mrs. Walker, was given a surprise party one evening last week when about thirty members of her Sunday school class came to the Paulsen home to pay their homage to her.
