GENERAL ALUMNI ASSOCIATION WILL MEET NEXT WEEK

Dr. Josiah H. Penniman, President University of Pennsylvania, is Chief Speaker

SCALES WILL PRESIDE

Conference Opens with Banquet at Inn Friday Night

The annual conference of the General Alumni Association will meet in Chapel Hill next Friday and Saturday, the 19th and 20th of November, for the purpose of perfecting a system whereby the responsibility for the administration of the General Assembly will be placed jointly upon the local organizations and the class organizations. It is expected that a good many alumni will be on the Hill for the meeting, which promises to be the most important held by the General Association until this time.

A dinner, served in the Carolina Inn Ball Room, will usher in the conference on Friday night, and the conferences will continue until Saturday afternoon when the delegates will be guests of the Athletic Association at the Virginia-Carolina Freshman football game.

Dr. Josiah H. Penniman, President and Provost of the University of Pennsylvania, will deliver the principal address. The General Alumni Association of the University is peculiarly gratified to offer those alumni in attendance the privilege of hearing such a distinguished educator, whose work with the alumni is notable. Dr. Penniman is the active, directing head of the University of Pennsylvania Fund engaged in raising \$46,650,000 for the University.

President Alfred M. Scales of Greensboro will preside over the two sessions of the Conference, and will treat two of the most important matters on the program. The past record of Mr. Scales in personal service for the University and the educational and civic life of the State has placed him in the forefront of our private citizens. It is expected that his talks will bear considerable influence on the actions of the Conference.

Other important parts of the program will be filled by President Chase, D. L. Grant, and Tyre C. Taylor, Field Secretary of the Association.

Red Cross Roll Call

Drive Conducted On Campus Yesterday Netted 160 New Members

The Annual Roll Call of the American Red Cross for 1926 was held on the campus yesterday by the Woman's Association and the Y. M. C. A. of the University. The Roll Call for Chapel Hill, sponsored by the local Chapter of the Red Cross, began Armistice Day and continues through the week.

Students were given the opportunity of answering the 1926 Roll Call yesterday at booths on the campus and at the Post Office from 10:00 a. m. to 4:00 p. m. Approximately one hundred and sixty dollars in memberships was contributed by the student body. This amount slightly exceeds the amount of the Roll Call for 1925.

ADDRESSES ALUMNI

Joseph H. Penniman, President and Provost of the University of Pennsylvania, will deliver the principal and opening address of the Alumni conference on Friday evening, November 19, in the ball room of the Carolina Inn.

SOUTHERN SENDS SPECIAL TRAIN TO VIRGINIA GAME

Through Train with Pullmans Will Leave Chapel Hill Wednesday Night

ROUND-TRIP FARE \$7.99

"On To Charlottesville" Slogan of Cheerios and Student Body

Now that the worry of mid-term grades is over, the poor University student has a new problem to face. According to the big, white, placards which have made their appearance on the campus, any student who can scrape up seven dollars and ninety-nine cents will be able to travel day coach deluxe to and from Charlottesville on Thanksgiving day.

Through the courtesy of the Southern Railway a special train will be run to and from Charlottesville for the Thanksgiving game at the reduced rate of one fare for the round trip, namely \$7.99.

The special train leaves Chapel Hill Wednesday night at 9:45. The getaway will be made from Pittsboro street at the railroad crossing just in back of the Carolina Inn. The train will arrive at Charlottesville Thursday morning at 7:00. Thursday night at 11:30, all students not extinct, will take the train back to Chapel Hill and will arrive University at 7:00, bright and early Friday morning.

A large number of students have already expressed their desire to accompany the football players and the Cheerios to Charlottesville via the \$7.99 route. That means that during the next ten days, the campus is going to settle under a cloud of economy, and the slogan made famous by the German soldiers of "on to Paris" will be replaced by a slogan of "on to Charlottesville." The latter slogan it is hoped will meet with more success than its predecessor did.

Endeavorers Have Social

The Christian Endeavor and Bible Class of the Presbyterian and Christian churches respectively entertained the local young girls at a social held in the social room of the Presbyterian church Wednesday evening. After the joyous crowd of co-eds, secretaries, stenographers, and high school girls along with the Misses Apperson and Miss Lingley of Durham had enjoyed the games and entertainments, hot chocolate and sandwiches were served.

GLEE CLUB TOURS EAST CAROLINA

Company of Thirty Men Goes to Raleigh for Concert at St. Mary's Monday

TO SOUTH CAROLINA ALSO

Additions Are Made to Personnel of Executive Department

The University Glee Club under the direction of John Paul Weaver will leave on Monday, November 15th for Raleigh, where the first concert of the Carolinas tour will be presented at St. Mary's School. The Club will return to Chapel Hill over Tuesday and begin the actual tour with a concert at E. C. T. College of Greenville, N. C. From there the itinerary is as follows: Wednesday at Goldsboro, Thursday at Fayetteville, Friday at Lumberton, Saturday at Wilson, Monday at Charleston, S. C., and Tuesday at Columbia, S. C. The entire trip will be made by bus, and the Club will probably return in time for the Thanksgiving holidays.

Thirty of the forty men who were retained for intensive practice during the past weeks will be chosen to make the trip. Nelson O. Kennedy, pianist of the music department, will accompany the Club and will present a group of piano solos.

The program presented this season is unique. Besides the folk-songs and negro spirituals in which the Club has always specialized, a group of Finnish and Russian folk-songs will be given. "The Song of the Volga Boatman," in an attractive arrangement by Mr. Weaver, will be sung in the original Russian, as no suitable translation is now available. The program has been lightened and made more popular by the addition of some new negro spirituals and work-songs. However, these all conform to the high standard of musical quality maintained by the Glee Club.

Additional Officers Elected

Due to an expansion of effort and scope, the Club has found it necessary to make the following additions to its executive staff: Wm. Way, Jr., assistant business manager, who will be in charge of the above mentioned trip, due to the inability of E. F. Young, Business Manager, to leave the Hill; Dan Brawley, publicity manager; and Joe Johnson, librarian. The election of these men, who will serve for the remainder of the year, is expected to greatly facilitate the administration of the club's affairs.

Rifle Club Holds First Match Today

The Carolina Rifle Club will hold its first match between members this season today at 3:00 P. M. on the Club range. Any member who has paid his dues, and anyone who joins the Club and pays his dues by 2:00 o'clock today, will be allowed to compete for the prizes offered. Those who are to take part in the shooting are to report at the Club office in the basement of the Alumni building at 2:00 P. M. to receive the guns and ammunition.

All visitors are cordially invited. The easiest way to get to the range is to follow the old Raleigh road for two miles and then to turn sharply to the right, going through a private road for about one-half of a mile.

TAR BABIES WILL MEET MARYLAND FRESHMEN TODAY

Game On Emerson Field This Afternoon Promises to Be Hard-Fought Battle

MANY YEARLINGS OUT

Young Liners Have Unusually Strong Team This Year

If there are any Carolina students who can resist the temptation of going to Davidson today, they will be well rewarded for their stay on the Hill by the freshman football game scheduled to be played this afternoon on Emerson field between teams representing the Universities of North Carolina and Maryland.

The Tar Babies have their big chance today to get even with the Marylanders for the defeat handed the Carolina Varsity by the Maryland Varsity a few weeks ago. Their work is cut out for them, however, because the Maryland freshmen are bringing a powerful aggregation to do battle with the best that the Tar Babies can offer. The Navy Plebs, with a team made up of several bright college stars; was only able to defeat the first year Old Liners by the score of 12 to 0 last week. Rumor has it that their visiting freshmen have often been a source of trouble in daily scrimmages to their varsity brothers that handed Yale a sound 15 to 0 licking Saturday. At all odds, the Carolina coaches have been working hard to uphold the precedent set by last year's freshman team that defeated the Maryland freshmen team on the same Emerson field.

The Tar Babies showing up to date has not been very impressive. Three games have been played. The South Carolina Biddies and the State College Wolfpack enjoy victories over Carolina's first year representatives. Their only win is a 7 to 0 victory over Fort Bragg Soldiers.

At no time this year, however, has the full strength of the

Carolina Third Varsity Wins Over Raeford In Armistice Day Battle

The University's third Varsity swamped an all-star team representing the Raeford Athletic club in an Armistice Day football game at Sanford by the score of 34 to 0.

The Tar Heels threatened several times in the first half, but were only able to score one touchdown. Near the close of the game, with Tom Cox, "Mac" Gray, and Coker Dick carrying the ball for repeated gains, four more touchdowns were shoved over. Three of these markers came in the last quarter.

Oliver, fullback for the Raeford eleven, was the bright star for the losers.

Coach Bill Cerney started a backfield composed of Satterfield, quarterback; Sapp and Dick, halfbacks; and Butler, fullback. Kessler and Beam started at the ends, Harper and Lockhart in the tackle positions, with Huss and Thompson at guard, and McIntosh at center. When Tom Cox and "Mac" Gray were injected into the Tar Heel line-up, Sapp was shifted to left end. Beard and Twiford also did some nice work at guard for Carolina's third varsity.

Tar Heels Are Pitted Against Presbyterians in Annual Battle At Davidson This Afternoon

A BACKFIELD FIND

"Red" Ellison has been showing a world of stuff at Halfback in several games this year. The remarkable thing about his work is that up to this year he has never played in the backfield, confining his efforts to the position of end.

PLANS FOR LAST CHEERI-O-SHOW BEING COMPLETED

Dr. Chase Promises to be Back—Several other Dignitaries to Speak

BIG TIME IS PROMISED

Proceeds of Show Will Be Used to Help Send Cheerios to Virginia

All plans for the big Cheerio-O-Show to be given in Memorial Hall on Monday Nov. 22, are well under way and indications point to a successful show. This show will be the last one to be presented before the Thanksgiving game and will mark the close of the Cheerio program on the campus for the football season of this year. The proceeds of this performance will go to help defray the expense of carrying the Cheerios to Virginia for the Thanksgiving game.

This show will be in the form of a short Revue, there being about nine acts to be presented. This group of acts will include such things as the opening Chorus of last year's "Black and White Revue," composed of twelve girls and twelve boys; eccentric and soft shoe dancing by eight men; "French Apache Dance of Death," an emotional dance; a burlesque on this same dance; two comedy acts; a good quartette; an acrobatic clown act; comic monologue by a girl; comedy and musical act by Kike Kyser and His Orchestra, etc.

At the conclusion of the above mentioned acts, there will be a short pep meeting. This will be the last opportunity of the student body to see the team and coaches before they leave for Virginia and the plans are to have this the biggest meeting of the year. The entire squad will be there, all the coaches, the band, the Cheerios, and several speakers. Included in the speakers will be such men as Dr. Chase, M. C. S. Noble, C. T. Wollen, Dr. McIntosh, Mr. Frank Graham, and several others, making one minute talks.

INTEREST IS HIGH

Thirty Men, Coaches and Three Managers Left Here Yesterday Afternoon

CAROLINA IS FAVORED

Davidson Has Never Lost but One Game in Her Present Stadium—Carolina Turned the Trick Two Years Ago

Thirty Carolina football men, accompanied by the coaches and three managers, left Chapel Hill for Charlotte at three o'clock Friday afternoon. A light drill on Emerson Field, immediately before the team's departure, marked the last practice before the game with Davidson today.

Hotel Charlotte served as headquarters for the team Friday night. Today coach Collins will transport his men to Davidson in time for a light lunch before the contest starts.

Interest runs high to the outcome of this meeting of Wildcat and Tar Heel. Football dope in North Carolina has been treated to so many upsets of late, sports authorities are developing a decided aversion to the forecasting of scores.

The records which trace the progress of the two teams through this season give Carolina a decided advantage in comparative scores. Davidson succeeded in holding Wake Forest conquerors of the Tar Heels, to a 3 and 3 tie; but Carolina defeated V. M. I. by four touchdowns the week after V. M. I. had subdued Monk Younger's charges.

Many strong teams are vivid witnesses to the fact that the Wildcat eleven is a thorny proposition when met at Davidson. Only once has an invader returned victorious from a contest in the present Davidson stadium. Two years ago Carolina succeeded in registering a pair of field goals, and emerged winner by that margin.

The Tar Heel team is in good shape. The men are unanimously confident of victory, but a close struggle. It is probable that coach Collins will employ the same system that has proved so effectual in the past two games; the second string backfield will start the game and will display its strength until the moment is opportune for reserve strength. At this juncture

Fifth Faun Flops, Finds Finances Flat

The editorial board of the Faun announced yesterday that publication of the "independent organ of criticism and opinion" has been temporarily suspended. This suspension is not due, it was added, to a lack of material suitable for publication but rather to financial difficulties which the board has encountered.

The business staff will put on an extensive advertising campaign this coming week, and it is expected that the next issue will make its appearance a week from today.

It is not expected that the Faun will appear regularly each week from now on, but the board announces that subscribers will be taken care of and that at least ten more issues will be published during this school term, if the staff can maintain any degree of solvency whatsoever.
