

Private Courses in X-Ray This Winter

Two Students Installing Apparatus for Giving This Technical Training.

An x-ray laboratory will be established in Chapel Hill in the near future, and will offer courses in that field to all students interested, according to a statement by G. C. Hughes and Frank Wilson, who will be the operators of the concern. The location will probably be over the Carolina Theatre.

Mr. Hughes, a student here, has just returned from attending the national meeting of the Radiological Society in New Orleans.

This laboratory will be the only one in the vicinity, and will handle all local work in addition to the courses in instruction. Equipment for it will cost two thousand dollars. Medical, pre-medical, and B. S. med. students are expected to take quite an interest in this new subject, as knowledge of it is getting to be more and more valuable in the practice of medicine, and such instruction cannot be obtained elsewhere in the state, so far as is known here. The tuition for the full course will be thirty dollars.

UNIVERSITY STUDENTS ENTERTAIN LIONS CLUB

The Lions Club of Durham was entertained Wednesday by a group of Carolina students carried to the Bull city by Lion E. C. Smith, manager of the Carolina theatre. The show, according to newspaper accounts, would have done credit to any vaudeville house and was keenly appreciated by the civic organization.

Carolina's tumbling cheer-leaders, Peyton Abbott and Guy Fulp, first put on an exhibition of antics which proved beyond a reasonable doubt, the Herald states, that the college cheer-leader deserves his athletic letter. They drew long applause.

Paul Michaels' orchestra, an eight piece affair, next presented a program of dance music, being followed by Jack Wardlaw and his troupe of banjo players, who brought down the house with several selections.

LETTERS GIVEN IN FALL SPORTS

Sixty-seven Athletes Given Monograms and Numerals By Council.

Sixty-seven members of the University of North Carolina varsity and freshmen athletic teams have just been awarded monograms and numerals by the University Athletic Council. Twenty-one went to varsity football men, twenty-eight to freshmen football men, and nine each to the varsity and freshmen cross-country team.

Fifteen varsity football players who have previously received letters were given stars, while five players and Manager D. E. Hudgins, of Marion, received monograms for the first time.

Those receiving stars were Captain Garrett Morehead, Charlotte; S. E. Presson, Charlotte; G. D. McNiel, Albany, Ga.; A. E. Warren, Edwards; N. L. Howard, Tarboro; C. T. Lipscomb, Greensboro; J. E. Shuler, Salisbury; H. L. Schwartz, Charlotte; S. L. Furches, Statesville; J. T. Gresham, Warsaw; E. G. Foard, Charlotte; J. W. Ferrell, Petersburg, Va.; T. B. Young, Monroe; J. H. Lassiter, Charlotte; and E. G. Shuford, Lincolnton.

Monograms were given C. O. Sapp, Winston-Salem; R. S. Farris, Charlotte; M. E. Donahoe, Asheville; A. M. Whisnant, Charlotte; J. K. Ward, Florence, S. C.

The 28 freshman gridmen to receive the "1931" class numerals were J. M. Warren, Edwards; E. R. Lipscomb, Greensboro; B. Schneider, Gastonia; H. C. House, Weldon; G. Dortch, Jr., Raleigh; H. A. Nelson, Oak Park, Ill.; A. W. Michael, Talladega, Ala.; E. S. Nash, Charleston, S. C.; R. A. Parsley, Wilmington; R. J. White, Omaha, Tex.; P. Sher, Durham; J. H. Sears, Raleigh; J. H. Sears, Raleigh; J. V. Wilson, High Point; W. S. Tabb, Wilmington; G. O. Davis, Omaha, Tex.; L. W. Sams, Winston-Salem; J. L. Harper, Winston-Salem; C. H. White, Townsville; Otis Baker, Carthage; C. McKinney, Leaksville; R. P. Packard, Watertown, Mass.; J. J. Pionke, Chicago, Ill.; C. L. Wyrick, Greensboro; E. D. Fysal, Wilson; H. E. Bates, Jr., Winston-Salem; Morris Wolf, Brooklyn, N. Y.; J. S. Hudson, Dallas, Tex.; and C. G. Blackwood, Winston-Salem.

Five stars and four monograms went to nine members of the Tar Heel varsity cross-country squad that won the Southern Conference title for the second consecutive year. Captain Galen Elliott, Washington, N. C.; H. B. Pritchett, Greensboro; J. M. Henderson, Asheville; H. E. Coxe, Erwin, Tenn.; and H. N. Brwn, Chapel Hill, received stars.

J. V. Fisher, Salisbury; M. Barkley, Statesville; P. H. Gallegher, Charlotte and Creighton Wrenn, Garner, received monograms. Elliott, Henderson, Pritchett, Fisher and Barkley all received special white sweaters for scoring in the Conference meet.

The nine members of the state championship freshman cross-country team to receive "1931" numerals were C. R. Baucom, Marshville; W. Carbine, Charlotte; F. L. Crane, Waxhaw; D. G. DeRossett, Dunellen, N. J.; Ed Ferrell, Chapel Hill; R. B. Fisher, Salisbury; C. H. Fisher, Salisbury; S. G. Hatem, Greenville; and A. W. Tilley, Bahama.

The University athletic authorities regard the past football season as a success, despite the fact that the Tar Heels were rather slow in striking their stride. Defeating Davidson, Duke and Virginia in a row in the last three games, they wound up the season in a blaze of glory that made everybody forget the defeats of the first of the season.

Moreover, prospects for next year are distinctly encouraging. Five lettermen have already been lost from this year's squad, but the reserve material looks good and so do the upcoming freshmen.

The Carolina Cross-Country varsity team continued its fine record by turning in the second consecutive Southern Conference title, along with another State championship. In the race for Southern honors, the Tar Heel runners defeated Georgia Tech, Georgia, Virginia, Maryland, Washington and Lee, and N. C. State.

Christmas Alumni Meetings Being Planned over State

Plans for the Christmas meeting of the Alumni Associations over the state are now being completed thru the office of the Central Alumni Association. J. Maryon Saunders and Tyre C. Taylor are making an extensive tour of the western part of the state, holding a series of meetings in Asheville, Statesville, Greensboro and other towns in that section. The entire state will be organized in these Christmas programs and members of the faculty will go over the state making addresses at the meetings.

Nature Hike

The Nature Club will go on a hike tomorrow afternoon at 2 o'clock, it was announced Friday by members of the club. Prospective naturalists are asked to meet in front of Davie Hall where the walk will start.

Dr. H. R. Totten will be in charge of the hike. All who are interested in becoming members of this new club are invited to be at Davie Hall at the appointed time.

DEAN BRAUNE AT ENGINEERS MEET

Address Georgia Section of American Society of Civil Engineers in Atlanta.

As the speaker of the evening before the Georgia section of the American Society of Civil Engineers in Atlanta Monday evening, Dean G. M. Braune of the School of Engineering delivered an address on the progress and advance of engineering in modern times and on the development and work of the American Society of Civil Engineers.

Mr. and Mrs. Braune were invited to Atlanta as the honor guests of the Georgia section of the Society at a special meeting and dinner dance so that the Georgia members could meet Mr. Braune. He is Director for the Tenth District, which includes North and South Carolina, Florida, Georgia, Alabama, Mississippi, and Tennessee, and has held that office since January, 1925. The term of office is three years.

While in Atlanta Mr. and Mrs. Braune were guests in the home of Mr. and Mrs. F. H. MacDonald, the host being a prominent consulting engineer of Atlanta. On Sunday afternoon Mr. and Mrs. MacDonald held a small informal reception for the North Carolina visitors. They were again honor guests at a luncheon at the Atlanta Athletic Club Monday afternoon. On Monday evening at seven o'clock the Georgia section gave the dinner dance at Druid Hills Golf Club. Mr. Braune as the speaker of the evening, told how, to a great extent, modern civilization seems utterly dependent on the engineer, since engineering has made possible such important phases of modern life as our transportation systems, vast municipal water supply and sewage systems, etc.

Mr. Braune speaking with reference to the seventieth meeting of Con-

gress, stated that he had often wondered what a blessing it would be for our country if our Congress was composed of approximately twenty percent expert engineers. He stated he would not hesitate to say that the saving in money in the conduct of our governmental affairs would amount to many millions of dollars.

In telling of the value of the American Society of Engineers, Mr. Braune spoke of the Society as being the most important contributing factor in the recent advance in prestige of the civil engineering profession. There are over 11,000 A. S. C. E. members in the United States of which 728 are in the Tenth District. The Society maintains the highest standards of professional and personal conduct for its members; it fosters and supports many committees for research and investigation in the study of problems which effect advance and improvement in the profession; and it also takes an active part in numerous questions which are continuously arising and affecting both profession and the community at large.

"TILLIE THE TOILER" AT THE PICKWICK

"Tillie the Toiler," an exceptionally amusing comedy based on the famous Russ Westover comic strip, with Marion Davies in the title role, comes to the Pickwick Theatre today. Hobart Henley, director of "A Slave of Fashion," "His Secretary," "The Auction Block" and other screen hits has directed this new Metro-Goldwyn-Mayer picture with a cast that includes Matt Moore, Harry Crocker, George Fawcett, George K. Arthur, Bert Roach, Estelle Clark, Claire McDowell and others.

The picture celebrates Miss Davies' first venture into pure comedy and proves her to be one of the screen's most delightful and talented comedienne. As Tillie, a thoughtless and frivolous steno who wreaks havoc in business, Miss Davies is superb. Her costumes, of the flapper variety exaggerated to the verge of absurdity, will, it is prophesied, set new styles for flappers both on and off the screen. The story is fast moving romance, containing pathos, humor and thrills in abundance.

Mrs. W. A. Eliason of Statesville, who attended the meeting of the Literary and Historical association in Raleigh this week end, visited her daughter Miss Nancy Eliason, Sunday.

We can't imagine what other nations mean by speaking of "lawless Americans." Haven't we got more laws than all of them combined?—Cincinnati Times-Star.
