

## Coach Ranson Uncovers Good Material in Frosh Tryouts

Track Tryouts Reveal Many Freshmen With Unusual Ability; Coaches Pleased.

Of the six hundred freshmen who participated in the decathlon tournament held by the gymnasium instructors and Coach Dale Ranson at Emerson Field this past week, fifty seven of the men showed exceptional promise in track and field events.

In the fifty yard dash, L. S. Weil with the time of 5.6 seconds, T. L. Parsons, F. M. Whaley, and F. C. Lockwood with 6.0 seconds led the field. There were nineteen men hit the tape at 6.1 and six others made the distance in 6.2. The remainder of the men came in much slower.

The fifty yard hurdles brought out some promising looking men in L. S. Weil, W. M. Bliss, J. B. Sherrill, F. M. Prouty, and C. L. Todd, all tied with 6.4. There were eight others who came in under 7.0.

In the high jump event J. M. Brock won first place by clearing the bar at 5.3 inches. F. N. Owens at 5.2. W. T. Myers and C. H. Koonce tied at 5.1. There were three others tied at 4.11; seven tied at 4.10; six tied at 4.9; and three tied at 4.8.

W. T. Case and R. W. Goebel were tied for the lead in the broad jump with 19 feet. L. S. Weil with a leap of 18 feet and nine inches, J. M. Brock at 18 feet closely followed. There were fourteen others to jump 17 feet or over.

H. J. Stultz with a heave of 38 feet led all contestants in the shot put. J. R. Strusinski closely followed with a mark of 37 feet. Fifteen others had a distance of 30 feet or more.

In the discus throw H. J. Stultz led with 97 feet, while several more men had a good distance in this event.

The following men in addition to those previously mentioned took part in the meet: Midgett, Lankford, Barnes, Goodwin, Webb, Howell, Liskin, Gully, Dannenbaum, Gilchrist, Rosser, Jarvis, Stewart, Dunlop, Woodley, Shields, Wilmot, Tayloe, Wall, Davis, Brookes, Crawford, Dodson, Dressler, Burwell, Moore, Brooks, Anderson, Wiggins, Atkinson, Brown, Forsythe, Johnson, Layton, Arrington, Johnson, Taylor, McLaughlin, Whisnant, and Smith.

Coach Ranson said that all of these men had shown sufficient natural ability to warrant the request that they report for practice at either 3 or 5 o'clock each afternoon, if they wish to try their skill out further in track. The coaching staff will be glad to give instruction to all freshmen who are interested in the work enough to report regularly. However no first year men at the present time will be excused from gym classes though further selection will perhaps warrant such action.

Coach Ranson also stated that the Varsity squad is working out at 3 and at 5 each afternoon and urged that all upperclassmen in any way interested in track work report at this time.

### Monogram Section Rapidly Filling

The special section of Kenan Memorial Stadium reserved for former Carolina monogram men attending the Carolina-Georgia Tech game is rapidly filling up, according to a statement issued yesterday by the alumni office.

This get-together of ex-monogram men is being sponsored by the student Monogram Club. O. Max Gardner, Democratic nominee for governor, has already signified his intention of attending, as has Dr. Lacy L. Little, of Mangum, captain of the team of 1888, now on furlough from his mission post in China.

Reservations have been pouring in daily and it is expected that the stadium as well as the reserved sections will be well filled by the time of the game.

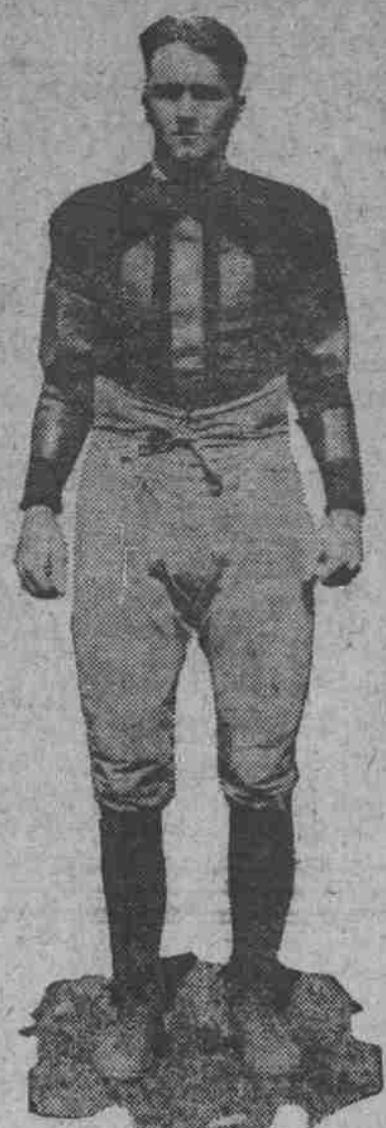

### First Y Deputation Team Back from Trip

The Y. M. C. A. Deputation Team that journeyed to Hamlet last Wednesday to hold a series of meetings last night. Only two men represented the University on this trip, Grady Leonard and Aubrey Perkins. Both of these delivered talks before the high school student body and the Kiwanis Club. Thursday evening the members of the Hi-Y club were guests of the Kiwanis Club and Mr. Leonard delivered a short talk on "We Build—the Community."

This is the first team that has been sent out from the Y this year; however during the coming months other trips will be made to all parts of the state.

Now is the time to subscribe to the TAR HEEL.

### V. P. I. Quarterback

Hooper, field general for the Blacksburg team, showed his wares against the powerful Colgate eleven last Saturday. He is likely to give the Heels trouble this afternoon as Gustafson has taught the Gobblers a bunch of tricks.

### U. N. C. HARRIERS TO DEFEND TITLE ON TRACK TODAY

Tar Heel Runners Meet V. P. I. In Season Opener—Miss Last Year's Stars.

Starting a campaign for a third consecutive Southern Conference championship, the University cross-country squad will meet the V. P. I. Gobblers in a five-mile race over the Tar Heel course here Saturday afternoon.

The Tar Heel harriers, with a record that shows no dual defeat in five seasons, will miss the services of such stars as Galen Elliott, Hoyt Pritchett and Phil Gallagher, all members of the conference winning aggregations of last year and the year before but Coach Dale Ranson is grooming an up and coming bunch of distance men this fall.

True it is that a squad cannot lose such men as Elliott and Pritchett without leaving a huge gap. The two lanky Tar Heels together hold practically every distance record in the Conference now, but Coach Ranson still has Captain Johnnie Henderson as the leader of the team. Henderson finished second to Elliott in the Conference meet last November and looks like a good bet for individual honors this season.

Six of the Tar Heel squad finished a time trial over a four and three-quarter mile route this week in less than 28 minutes, and several others were just over that time. The Southern Conference record is 26 minutes and 26 seconds.

The six men, all of them slated to start against V. P. I. here Saturday were Captain Johnnie Henderson, Minor Barkley, Henry Brown, Herbert Cox, Creighton Wrenn, and Johnnie Baucom. The first five are lettermen, and Baucom is a sophomore. June Fisher, who finished third behind Elliott and Henderson in the Conference last year, has not rounded into shape in time for the Gobbler meet.

### Gobbler Grenadier

Looney, fullback for V. P. I., is the third of the three Grenadiers representing the Collegians this year. He plays a big part in the Pony Express' offense.

Seven men will enter Saturday's meet, with five counting in the scoring. The six men above are practically sure to run, and the other entry will be Lowrey. The race will start just before the half of the Carolina-V. P. I. game, and will finish in Kenan Stadium during the intermission.

### Chapel Hill Will Have Apartments

A force of workmen have been busy for the past few months on McAuley Street, and as a result of their labors Chapel Hill is soon to have a real city-like apartment house.

Residents of that street declare that they will be glad when the building is completed as the pounding and hammering has begun to be a bit irksome, beginning as it does at seven o'clock every morning. They also, however, are beginning to boast of living on the only Chapel Hill street having such a fine apartment house.

The structure, of red brick, is to be three stories high, and is laid out on a rectangular plan with an open court in the middle.

"Such popularity must be deserved!"

Down deep in the Kongo the native sons believe that anybody who has an explorer for dinner will absorb all the brains, courage and other success-assuring virtues of the unfortunate victim.

We wish we could say the same of Chesterfields—that all their popularity is conferred upon whosoever smokes them. Frankly, however, this is not invariably true. Several Chesterfield

smokers have recently been discovered who are not ambassadors, steel kings, or even bank presidents.

But—since Chesterfields are so satisfying, mild and different—we'll all of us continue to enjoy them for these sound smoke-virtues alone.

Popularity? Six million smokers are enjoying 'em today. Such popularity must be deserved. Make it six million and one?
