

THE SPORT PAN
By YARBOROUGH

A NEED
Perhaps at the University of North Carolina there is less organization of athletes than at any other institution in the south. True, there is the Monogram Club, composed of all of the lettermen in the University. But what purpose do they serve other than to have banquets now and then? They have put on football games now and then. They have on occasions celebrated Monogram Day for the old Monogram men, but usually the purpose of those days was to get more of them back for a football game or the like than to have a real reunion of all the old monogram men.

There is a big place on the campus for an active Monogram Club. A club that has authority and power. At the University of Virginia the Varsity Club is one of the most important organizations there. They handle practically all athletic contests other than varsity games. The letter men there are recognized much more so than here. There is a great need of recognition of athletes here. They contribute to the University life but they are yet to receive the recognition they deserve. This is not a plea for the athletes, but a plea for an active organization of the athletes. It is a plea for the use of the potential power of the Monogram Club. It is a plea for active leadership among the athletes and a greater regard for the Monogram.

THE BABY SPORT

With the appointment of Coach Kenfield as supervisor of the Golf team the sport promises to become one much more attractive to University students. Last year the team was recognized, but few students participated. A few men got together and organized a team and from then on few men other than the original team members participated. They simply weren't interested. However, with practice arranged for three afternoons a week in Kenan Stadium and the appointment of a supervisor the sport should appeal to more students.

Sometimes when we examine the list of athletes in the University we are surprised to find how few men really go in for some kind of competition. With practically every sport available to southern climate recognized here it is remarkable how few men participate in the sports. There are now on the campus the following recognized sports: varsity football, basketball, baseball, track, boxing, wrestling, cross country, tennis, golf, freshman basketball, football, baseball, track, tennis, boxing, and wrestling. Besides all these sports there are numerous intramural sports that should appeal to some of the non athletic students. Why not get out and see what you can do, it can't hurt you.

Practice for Track Men Held Each Day

Two practice sessions are being held each day for varsity and freshman track material. The first period begins at 3:15 p. m. and the second at 4:30 p. m. Group exercises are held at each of these hours for all members of the squad; a roll call is taken at these two periods. In view of the fact that the first meet is less than four weeks in the distance any new men not on the roll should report at once for regular practice.

Coach Ranson has for the past few weeks had sole charge of track activities, however with basketball a thing of the past and football rapidly drawing to a close, coaches Bob Fetzer, Belding and Quinland will be added to the staff. Coach Bob will again act as head coach.

Ten men are back this year to cover seven of the fourteen events; these ten men are as follows: Adkins

MATMEN CLOSE FINE SEASON

Wrestlers Defeated Some of the Best Teams of the South Atlantic.

By CRAWFORD McKETHAN
Now that the 1929 wrestling season has faded into the distant past it is in high order that we should review the ambitions and achievements either realized or attempted during the past several months. Taken as a whole and as compared with the preceding seasons, the campaign this year may easily be regarded as a success. Although the Tar Heels neither gained the State or Southern Championships, they had the pleasure of dethroning the 1928 monarch of Southern wrestling and also of defeating some of the best teams of the South Atlantic.

Too much credit cannot be given to Coaches Quinlan and Motsinger, who besides turning out a fairly successful team managed to work in six sophomores upon whom should rest the Southern Conference crown within the next two years.

The varsity met six major teams of the South and to their credit they have four victories. The only defeats of the season being administered in the last two matches by Duke and V. M. I. Below is the final result of 1929 season with the scores of each match.

Carolina 26	W. and L.	6
Carolina 22	V. P. I.	8
	(Southern Champs)	
Carolina 21	Virginia	11
Carolina 25	Davidson	3
Carolina 6	Duke	18
Carolina 9	V. M. I.	19

Duke and V. M. I. both claim first place upon the Southern Conference ladder; Carolina by virtue of this dispute clings to the second ring.

An individual summary of some of the results of some of the high scorers might also be in order. Abbot has to his credit three falls, two time decisions and one tie; Woodard has two falls, two time decisions and two defeats; Stone won four of his matches and lost two; Stallings won two by falls, two by decisions, has one tie and one defeat; Cowper, Zealy, Ferguson and Thompson each broke even in victories and defeats. It might be well to state that Captain Thompson was only able because of illness to engage in two matches; his one defeat was against one of the strongest wrestlers of the Conference.

The Tar Baby wrestlers turned in an even more successful season than the varsity having won all of their meets but one and claiming part honors on that one by a tie. The Carolina freshmen may easily bid for the State Championship and in an ambitious mood might even claim South Atlantic honors. Below is the outcome of the past season:

Carolina 20	W. and L.	20
Carolina 21	V. P. I.	11
Carolina 29	Oak Ridge	5
Carolina	State	
Carolina 18	State	14
Carolina 14	V. M. I.	14

Edwards, Allison, Norwood, Spell, and Leary by their individual victories were largely responsible for the successful season.

All indications point to a victorious season for 1930, since most of the varsity men will return to contend for their berths and in addition valuable material will come up from the yearling squad.

and Harper with the weights; Cowper, polevault; Smith, sprints; Harrison and Nims in the 440; Barkler and Fisher in the mile; Captain Henderson, the 2 mile; and Skafford, the hurdles. With seven positions open this offers a splendid opportunity to new men.

MONOGRAM MEN LICK YOUNGSTERS

Many Old Stars Don Uniforms To Help Win a 25 to 6 Victory.

The "Monogram Men" entirely outclassed the "Youngsters" in a 25 to 6 victory in the classic of the winter football season played last Saturday afternoon in Kenan Stadium. The old stars, among whom were Schwartz, Presson, Sapp, and Howard showed the same form as in those memorable games of last fall, and the younger and more inexperienced players were unable to compete with it.

Phil Jackson led the scoring of the veterans with two touchdowns and passed successfully to Wyrick for one of the others. The "Youngsters" were unable to stop this man whose passing, running, and defensive work caused him to be the outstanding player of the game.

Valiantly the "Youngsters" fought to score and their efforts were finally rewarded when in the first few minutes of the last quarter, Tabb received three successive passes from the diminutive Branch, scoring on the last one. Branch, who has starred throughout the winter season, was closely watched, however, and a swarm of orange colored jerseys met him at his every turn.

Approximately fifteen hundred spectators attended the game. "Monogram" (25) "Youngsters" (6)

Sapp	Left End	Nelson
Howard	Left Tackle	McKinney
Farris	Left Guard	Hutchinson
Schwartz	Center	Gilbreath
Eskew	Right Guard	Dunavant
Adkins	Right Tackle	Suggs
Presson	Right End	Runnels
Wyrick	Quarterback	Branch
Jackson	Left Half	Houston
Nash	Right Half	Slusser
Gresham	Fullback	Spaulding

HEEL RIFLEMEN TOPS SCORING

Engage University of Southern California and Lawrence College.

The Carolina rifle team held its third match of the season last Friday night by shooting against the University of Southern California and Lawrence College, Appleton, Wisconsin.

The match against Lawrence College was a three position match and the Carolina riflers scored 1,222 points. This score is the highest that has ever been scored by a Carolina rifle team since the existence of the rifle club at the University. The members of the team competing were (the five highest scores are counted): Hippy Parker, H. H. Miles, Martin Kellogg, Sam Wiley, William Cooper, E. H. Denning, P. G. Johnson, Alfred Mount. The results of the Lawrence College team have not been received.

The match against the University of Southern California was a four position match and the local riflemen scored 1,657 points. This is the first four position match that the team here has shot and the results are very gratifying indeed. The

members of the team competing were (names appear in the order of their scores): H. H. Miles, Hippy Parker, Martin Kellogg, Sam Wiley, E. H. Denning, William Cooper, P. G. Johnson, and Alfred Mount.

The results of the match against Cleveland Tech which was held week before last have been received by the manager. The Carolina team defeated the Cleveland Tech team by a score of 1,168 to 1,082.

The manager has also received from the offices of the National Rifle Association the official ranking of the teams in the South and West League. The ranking is:

	W. L.
University of North Carolina	1 1
University of Cincinnati	2 0
Sacramento Junior College	2 0
Cleveland Tech	1 1

Lawrence College 0 2
Temple College 0 2
This ranking includes all of the matches held up to last week.

MADGE BELLAMY . . . Beautiful Fox star in her latest release, "Mother Knows Best."

Madge Bellamy explains the growing popularity of Old Golds in Hollywood

"The 'hero' in a movie may easily become the 'villain' if he coughs at the wrong time. A cough isn't ever nice, but when it interrupts the taking of a movie scene, it's a calamity!

"The high tension of movie work makes smoking a vital relaxation. But we relax with OLD GOLDS.

They're as smooth as the polished manner of Adolphe Menjou, who himself is an OLD GOLD fan.

"While they're the most enjoyable of cigarettes, OLD GOLDS mean absolute 'fade-out' for throat-scratch and smoker's cough."

Madge Bellamy

Why not a cough in a carload...?

OLD GOLD cigarettes are blended from HEART-LEAF tobacco, the finest Nature grows . . . Selected for silkiness and ripeness from the heart of the tobacco plant . . . Aged and mellowed extra long in a temperature of mid-July sunshine to insure that honey-like smoothness.

ON YOUR RADIO . . . OLD GOLD PAUL WHITEMAN HOUR . . . Paul Whiteman, King of Jazz, with his complete orchestra, broadcasts the OLD GOLD hour every Tuesday, from 9 to 10 P. M., Eastern Standard Time, over the entire network of the Columbia Broadcasting System.

eat a chocolate, light an Old Gold, and enjoy both!
