

# HIGH SCHOOL ATHLETES DESCEND UPON LOCAL CAMPUS TODAY

## COURT ENTRIES COMPETE TODAY

### Cindermen See Action On Track Tomorrow Morning at Ten O'clock.

The flying feet of the oncoming track athletes of North Carolina will be seen on Emerson Field tomorrow afternoon when the seventeenth annual Interscholastic Track and Field meet will be held. While the track men are using Emerson Field the high school tennis players will be playing the final matches of the fourteenth Inter-scholastic Tennis tournament on the Carolina tennis courts. This afternoon the tennis players will begin their matches.

Indications are that a record number of High School athletes will compete in the meet tomorrow afternoon. Likewise indications are that many records of the past will go by the boards before the onslaught of the newcomers.

Greensboro High School, winner of the 1928 meet, Charlotte winner of championships from 1923 through 1927, and Wilmington, runner-up for the past few years and already boasting two state championships, will be the favorites. Raleigh and Durham will also enter teams, while there are also several well known athletes from other schools who will gather points. However, Wilmington and Greensboro seem to have the strongest outfits with Charlotte close behind.

Two weeks ago Carolina fans saw what the two leading contenders will bring to Emerson Field when the Freshmen staged a meet with Greensboro and Wilmington. The Freshmen won, but before the day ended many old records were smashed and many others threatened. Then too the Charlie Farmer, former Wilmington High star, counted many points for the yearlings.

In the tennis matches a record number of entries have been received. Charlotte, twice winners of both the doubles and singles matches plan to enter a team this year. Other teams entering are Chapel Hill, Dunn, Fountain, Spring Hope, Wilmington, Raleigh, and Durham.

In the track meet thirteen or more teams will compete. Greensboro, Wilmington, Charlotte, High Point, Durham, Raleigh, Stem, Edward Best, Winston-Salem, Salisbury, Aulander, Oxford, and Fayetteville will all be represented.

## King Wins Country Club Tournament

By erecting their "tombstones" further down the course than the other contestants, A. K. King won first place and Dr. R. B. Lawson and H. G. Baity tied for second place in the "Tombstone Tournament" held at the Country Club last Saturday. In this tournament each player was allowed a number of strokes equal to par for the course plus his handicap. The contestants went as far as they were able on their limited number of strokes, and then placed a small peg with their names on them, the tombstones, at the place where the balls stopped.

Mr. Steen won third place and Jimmy Williams came in fourth. This was one of a series of tournaments that are being run this spring at the Club. At the end of the season Sutton's Book Store will give the prizes that are to be presented the winners of the spring tournaments. The next tournament is a two ball foursome to be played next Saturday afternoon. The two prizes for this tournament will be given by Sutton's Book Store.

## University Golf Team Retains State Title in Sedgefield Meet

### Carolina Golfers Hang up Low Team Aggregate; Meade Willis Wins Individual Honors.

Carolina's four horsemen of golf rode roughshod over the pick of the state opposition Saturday in the second annual Sedgefield North Carolina Intercollegiate Tournament to hang up a convincing claim to the 1928 intercollegiate golf title of North Carolina. By virtue of this victory, the University retains the supremacy it won last year in collegiate golfing circles of the state.

The Tar Heels romped through 36 holes during the course of the day for an aggregate score of 645, 15 tallies better than that of the Wildcats from Davidson, their nearest competitors. Duke trailed the procession with an aggregate of 685 strokes for the 36 holes.

Meade Willis, brilliant University golfer, carried off the individual low score for the event, and annexed the crown of the individual intercollegiate state championship by virtue of his 157 medal score for 36 holes. June Adams, of the Tar Heel four, tied for third place in low individual honors with 160 tallies for the event.

The University's showing Saturday was 37 strokes ahead of their aggregate winning score at last year's Sedgefield meet.

The summary of Carolina's scores in the tournament follows. M. H. Willis, morning, 80; afternoon, 77; total, 157. C. G. Chatham, 81-86-167. June Adams, 76-84-160. Luther Stewart, 80-82-162. Team aggregate, 317-329-646.

In somewhat the status of preliminaries to the Intercollegiate Tournament, Carolina engaged Davidson in Greensboro on Friday, and romped over the Sedgefield Country Club course through 36 holes to emerge winners by a 11 to 7 margin over the Wildcats, victors over Duke on the previous day. The matches in this meeting were hard fought battles, and it was not until the afternoon rounds that the University forged ahead and definitely left the spirited opposition in the rear of the procession. The morning 18 holes of play ended with both schools holding an even division of points, the score standing 6-6.

The best medal score of the day fell to the fine work of Charles Chatham, of the University, who brought in a nifty card of 151 for the 36 holes. During his afternoon round, Chatham hung up a brilliant 73, but three above par for the difficult Sedgefield course. June Adams, of Carolina, had the second best medal for the day with a pair of 79's for his rounds. Luther Stewart was effective in playing the role of big point winner for the University in the match with Davidson.

"Puny" Harper Breaks Record  
"Puny" Harper, Tar Heel weight heaver and basketball center, has started his record smashing early this year. Harper heaved the discus 135 feet 7 inches in the opening meet, bettering his own University mark by four full feet and topping his state intercollegiate record by more than four feet.

Sophomore Point Winners  
Ken Gay and Dave Neiman, sophomores on the University of North Carolina track squad, led the Tar Heel point winners in the opening meet with V. P. L's Gobblers. Gay won firsts in both sprints, while Neiman won firsts in the pole vault and the broad jump.

## COLLEGIATE NET TOURNAMENT HERE

### First Round Play Began Yesterday; Rogers of Duke to Defend Singles Title.

The University yesterday returned to the role it assumes annually as sponsor of the North Carolina Intercollegiate Tennis Tournament. Twenty-four court representatives of five state college and universities have arrived in Chapel Hill to contest for the crowns of supremacy in singles and doubles, which championships this tournament will determine. This invitation tournament does not propose to mark the state championships in team play, which, of course, can be determined only by a series of separate intercollegiate engagements.

Yesterday's matches constituted the first round of play, and served as a preliminary elimination before the upper brackets are reached. This afternoon, the survivors of yesterday's play will enter the second round and quarter-finals in the singles, and the quarter-finals in the doubles. Semi-final matches will be played tomorrow afternoon. Finals on Saturday will climax the tournament with the crowning of the champions.

Schools represented are N. C. State, Davidson, Duke, Lenoir-Rhyne, and Carolina. Each club has engaged several flashy foes during the early season, and a series of exciting matches is expected. Recent rains have handicapped the practice of the entrants, it is true; but yesterday's elimination contests should yield a group of speedy survivors.

## April 13 Is Lucky Day for Tar Heels

Whatever fears one may harbor concerning the dangers of the number 13 should be completely dispelled after the almost complete success of Carolina athletic teams on April 13th. Varsity track and baseball teams were in action Saturday and both were successful; the varsity golfers were also on the links and they won; the two freshman teams, relay and baseball, turned in victories to round out a completely successful 13th.

Meeting the Cavalier ball club for the first time this season and in the first of the three game series to be played between the two teams, Carolina won 5-4. Virginia began by scoring three runs in the opening frame. They added another in the fifth, but Carolina came back to score four runs on four singles and three errors. The day before Carolina kept its Tri-State League record clear with a 6-4 victory over the Old Liners from the University of Maryland. Phil Jackson's home run enabled Carolina to turn back the Terrapins for the second time this season.

Despite the absence of four varsity men, Henderson, Barkley, Wrenn, and Fisher, the Heels trackmen ran to a victory over the Generals of Washington and Lee. "Pot" Adkins and Dave Neiman's record-breaking performances aided the Heels materially.

If the men on Mars also have six legs apiece, as the eminent scientist assured us the girls have, we wonder how much a two-pants suit costs on our neighboring planet.—Ohio State Journal.

## 1929 PROSPECTS FOR BOXING AND WRESTLING GOOD

### Large Number of Lettermen Will Be Back.

North Carolina prospects for turning out a strong wrestling and boxing team for the 1929 season seem promising as many of the old men turn out for spring practice. In the past season Captain Brown led his mittmen to the Southern Conference throne, and Coach Ed Butler is striving hard to retain this crown of southern distinction for the Tar Heels in the coming struggles of next winter. The reappearance of Vaughn, Sheffield, Goodridge, Allen, Davis, and Warren in the ring promise a strong resistance to whatever threats may be made in 1929. Practices are being held each afternoon in the Tin Can and any new men wishing to try out for next year's team are urged to come out. As well as the necessity of filling Captain Brown's position, it is also possible that a new opening may be offered in the form of a 159 lb. class providing the Southern Conference adopts the changes advised by the National Collegiate Association.

Coach Quinlan is also holding practices regularly in the Tin Can. Although many of the lettermen of last year will be back again next season, there will be positions open or else positions which need the strengthening of new material. Woodard will lead the Tar Heel matmen during 1929-30.

### Freshman Track Flash

Charlie Farmer, flashy sprinter on the Carolina Freshman track squad, looks like a budding star for Coach Bob Fetzer's varsity. Farmer, who broke into the cinder game at Wilmington High School, won first places in the 100, 220 and 440 yard dashes in a recent meet, running the sprints faster than the varsity time that day. He bettered the state intercollegiate record for the 220 yard dash, breaking the tape in 21 2-5 seconds.

## Court and Cinder Champs in Recent H. S. Tournaments

The winners of the North Carolina High School Tennis Tournaments since 1924 are as follows:

- Greensboro High—winner of singles and doubles in the tournament of 1924.
- Lexington High—winner of the singles in 1925; Greensboro High winner of the doubles.
- Asheville High—winner of the singles in 1926; Chapel Hill High winner of the doubles.
- Charlotte—winner of the singles and doubles in 1927 and 1928.

## South Carolina Frosh Go Barefooted Today

Weather permitting, male freshman students at the University of South Carolina will be required to go barefooted on the campus all day tomorrow, it was announced today by Kappa Sigma Kappa, student organization that sponsors student activities and general class spirit. The stunt was also voted on by the student body.

Freshman co-eds will be allowed to wear footgear, but by informal discussion it was decided that they will be expected to have stockings rolled down.

The stunt will accompany the annual

nual election of May Queen which will be held tomorrow. Three candidates are in the field for the honor: Miss Harriet Whitaker, of Camden; Miss Rosallen Quattlebaum, and Miss Thelma Smith, of Columbia.

No faculty objections to the barefooted parade had been registered this morning. If the weather is cold it will be postponed.

"But I don't want an automobile, young man."  
"That's all right, mister. Maybe you won't get it."

## A vision come true

In a part of Africa little known to the whites, where obscure trails ran, Cecil Rhodes dared to envision a railroad. He lived to build it.

The railroad itself was part of a vaster dream, a dream of a far inland colony linked fast to existing coast settlements by rail and wire communication. And he lived to build Rhodesia.

First the dream, then the reality, is the

rule with telephone men too, as they work to greater heights of service. But in between, they know, must come periods of careful planning and smooth coordination of many elements.

Scientific research, manufacturing, plant construction, commercial development, public relations, administration—many varied telephone activities offer a widening opportunity to practical-minded visionaries.
