

# Cinder Team Turns in A Record of Victories

### Captain Henderson and His Heel Cohorts Capture State Title, and Come to Within 2 1/2 Points Of Bringing Home the Conference Crown; Nims to Captain 1930 Team.

In keeping with its usual high record in track the University of North Carolina has recently completed another successful season. By missing first place in the Annual Southern Conference Track meet held at Bir-

mingham, Alabama, by 2 and 1-2 points Carolina succeeded in placing well above fifteen other strong Southern Conference teams which were entered in the meet. In addition to its record in the Southern Conference meet, Carolina won the State Championship title for the eighth consecutive year at Greensboro by a score of 65.8 over its nearest competitors' total of 30.5. As usual the dual meet record which has been established by the University was sustained by recording four wins and no defeats in meets this season.

With one of the most well rounded teams in action and one of the largest squads entered in the meet Carolina took her share of the individual places in the Conference meet. Carolina sent 17 men, Coach and manager to the meet at Alabama and was one of the few schools which could boast of such a well rounded aggregation. With thirty-three entered in the State Championship meet at Greensboro, Carolina walked away from all of its competitors by taking first place with 65.5 points to Davidson's 30.5, N. C. State's 28.5, Duke's 23 1-3, and Wake Forest's 11.8 points.

Carolina can number such outstanding schools as W. & L., V. P. I., Ga. Tech, and Duke among its victims. V. P. I. was defeated in the opening meet of the season by the overwhelming score of 79 to 47. In spite of the absence of four star distance men in the Washington and Lee meet the Tar Heels came through with five out of six places in the one and two mile runs, and then won 3 places in the pole vault and piled up enough points in the other events to defeat W. & L. by a score of 72 1-2 to 53 1-2. Perhaps the most complete victory of the season was over the Duke Blue Devils when they were shoved under by a score of 92 1-2 to 33 1-2. The Georgia Tech aggregation also succumbed to the whirlwind finishes of the Tar Heels by a score of 90 to 36.

Following a rule which has long been practiced by the University track Coaches almost every man that tried out for the squad was given a chance in varsity competition, thus accounting for the large number of men which have points to their credit. Twenty-seven men accounted for the amassing of points which Carolina made in the past season. Out of the eighteen men that were given letters during the past year only six will be lost by graduation. This six include Captain Johnnie Henderson, "Puny" Harper, Vernon Cowper, and Harrison. In addition to these Cox and Brown will also graduate. Johnnie Henderson will be succeeded in the captaincy by Capt.-elect Dave Nims. Henderson's successors in the two mile will probably be Baucom who has shown up exceedingly well in competition during the past year. In addition to Baucom, Phoenix, Pierce, and Farris will be outstanding competitors for places in the varsity mile and two mile event. "Puny" Harper will have as his successor from the varsity squad Dameron, and from the freshman class Theron Brown. Although Brown did not compete with the freshmen this year he took workouts during the spring and has shown good style in keeping with the brilliant

Workmen of Paris are complaining against the mounting cost of living.

record which he made in high school. In spite of the loss of the holder of the new University pole vault record, Vernon Cowper, the pole vaulters will still be consistent point gainers for the Tar Heels as they regularly piled up first, seconds, and thirds in the meets this past season.

Although Carolina's four high point men, Gay, Neiman, Stafford, and Nims, will return next year they will be pushed hard for their usual first and second places by the wealth of material which comes up from the freshman squad. Charlie Farmer, the 100, 220, and 440 yard sprint star, is probably the most outstanding freshman coming up to next year's varsity. In on meet this season Farmer turned in the good time of 10 flat for the 100 yard dash, 21.4 for the 220 yard dash, and 51.2 in the 440 yard dash. His time in the 220 was only one-fifth of a second slower than the record in the Southern Conference for that distance. Tye Reid, the Tar Baby high scorer, will push Perry and Stafford in the hurdles and will also show up to good advantage for the Tar Heels in the broad jump. Every man that went out for the freshman squad during the past season was given a chance in competition and will have some experience to his credit at the start of the season next year.

New University records set this year were in the discus, shot, pole vault and broad jump. Puny Harper broke his own record in the discus with a distance of 136 feet 7 inches, and Pot Adkins shattered the old record in the shot by throwing it 40 feet 5 1-2 inches. Vernon Cowper broke the record twice this year in the pole vault, once in the indoor invitation meet and again at Ga. Tech when he pole vaulted 12 feet 5 inches. Dave Neiman set a new record in the broad jump breaking the old record which was set by Wright in 1916 jumping 22 ft. 5 1-4 in. By breaking this record in the broad jump all of the University records are dated within the last five years. The summary of the season and the individual scores of the season follows:

Dual Meet Scores:  
Carolina 79..... V. P. I. 47  
Carolina 72 1-2..... W. & L. 53 1-2  
Carolina 92 1-2..... Duke 33 1-2  
Carolina 90..... Ga. Tech 36

State Meet at Greensboro:  
Carolina 65.8; Davidson 30.5;  
boro: Carolina 65.8; Davidson 30.5;  
N. C. State 28.5; Duke 23 1-2; and  
Wake Forest 11.8.

Southern Conference Meet at Birmingham, Ala.: L. S. U. 35; Carolina 32 3-5; Auburn 28.2; W. & L. 21; Ga. 20; Miss. A. & M. 14.1; Duke 13; Tulane 11; Vanderbilt 10; Sewanee 7.6; Tennessee 7; V. P. I. 5; N. C. State 4; Alabama 4; Kentucky 3; Ga. Tech 3; and Clemson 3.

Score of individuals during season:  
Gay 46; Neiman 45; Stafford 45;  
Nims 34; Harper 29; Perry 29; Cowper 24.5; Smith 24.5; Barkley 23;  
Capt Henderson 21; Bagby 20.5  
Adkins 20; Baucom 18; Harrison 16;  
Garret 13; and Dameron 12.

The other nine men scored less than nine points.

## COFALL RESIGNS AT WAKE FOREST

### Former Notre Dame Football Star Decides to Devote Time To Business and Relinquishes Coaching Work.

Stanley Cofall, head coach of football last season at Wake Forest College, left last night for Cleveland, where he has made business connections. He has resigned at Wake Forest and proposes to give up coaching for business.

Coach Cofall, who came to Wake Forest from Loyola College (Baltimore) last year to replace Jim Baldwin as head mentor of Deacon athletics, recently spent a week in Cleveland in negotiations for the connections which he will assume upon arrival in the Ohio city.

The Wake Forest coach told of his plans while chatting before the N. C. State-Carolina baseball battle on Riddick Field yesterday. "I think I'll stick to business. I've coached around a long time and now I believe the connections I've made in Cleveland will be better than continuing in the coaching game," he said. He was rather enthusiastic about it and stated that he expected to take over his new role next week.

The resignation of the Deacon mentor had been expected, as during the last fortnight it was indicated he was considering such a step.

Archie Allen

## CAROLINA BOXERS TO HAVE SIX MEN RETURNING IN '30

### Archie Allen to Lead Pugs in 1930; Coach Rowe Returns.

Coach Crayton Rowe will return next year to find many good boxers under his tutelage after having been absent for a year. The only man that the Southern Conference champions will lose is Captain Charlie Brown. Captain-elect Archie Allen will find such fighters as Evan Vaughan, Noah Goodridge, Sheffield, Obie Davis, and John Warren with him next year.

Captain-elect Allen has starred on the team for two years in the 135 and 145 pound-classes and will be finishing up a very successful boxing career. Vaughan and Sheffield were real nightmares to everyone that they met during the season. The determination with which they went into their bouts indicates what real ability they have, and Coach Rowe will be glad to have these men next winter.

Goodridge has been termed by many sports writers as one of the fastest and most elusive boxers in college circles, and he will be heartily welcomed back to the squared-circle in January. John Warren is learning much about the game from his famous brother, and is expected to give more heavyweights a lot of trouble ere he graduates.

Obie Davis is one of the gamest fighters that the Heels had this year. He fought in the light-heavyweight class and was weighing far less than the maximum 175 pounds. Coach Rowe may see fit to let him fill the place of Charlie Brown.

The boxers brought to the Hill a goodly share of the ten titles which were won during the year. They were undefeated in all meets, and the crowning victory of the season was the swamping defeat over Duke, the most likely contender in this section, by a 5-2 score.

## FINAL BATTING AVERAGES SHOW JESSUP LEADING

### Jessup Tops Heel Attack With .412 Average for 21 Games.

Bob Jessup, veteran outfielder, compiled a .412 batting average to lead the University of North Carolina nine in hitting for the season just closed.

Other Tar Heel hitters, in 10 or more games, were Barnhardt, .368; Sher, .357; House, .357; Maus, .321; Whitehead, .319; Captain Lufty, .300; Satterfield, .289; Jackson, .265; Rand, .231, and Cox, .190.

Henry Satterfield and Tom Cox, third baseman and outfielder, are the two regulars who graduate in June. All others are due to return, among them Maus, catcher; Lufty, first base; Rand and Jackson, second base; Whitehead, shortstop; House, Jessup, Barnhardt and Sher, outfielders, and Ball, Wright and Fleming, pitchers.

Among the more promising members of this year's freshman team, coming up to the varsity next spring, are Kushner, catcher; Wall and Branch, infielders; Belton, outfielder, and Greene, pitcher.

A Chicago automobile dealer advertises that he stands behind every automobile that he sells. Good thing he doesn't sell mules.—American Lumberman.

W. O. Woodard

## MAT PROSPECTS INDICATE STRONG TEAM FOR 1930

### W. O. Woodard, Sophomore, to Captain Wrestlers.

Carolina's wrestling team closed a very successful season this year by winning all meets except that with the strong mat team from Duke. Captain Gene Thompson lead the team to a large number of victories, and he, with Peyton Abbott will be the only wrestlers who will not be back next year.

The diminutive Stallings, who gave much trouble to all men in his weight this year, will be eligible for two more years. Captain-elect Woodard is a sophomore and is also eligible for two more seasons. His ability in the 125 pound class made him the most likely candidate for the 1930 mat leader.

Bob Zealy will be fighting his last season next year, and it is believed that he will give much trouble to contenders in the 135 class. Cowper will be working again in the 165-lb. class. He was one of the most consistent wrestlers on the team this year, and several falls are marked up to his credit.

Roy Moore will again be fighting in the 145-pound group, and his past performances indicate that he will show up well next winter.

George Thompson and Ferguson will both be working in the unlimited classes and many good bouts are expected in this class.

The team will miss the good fighting of Captain Thompson and Peyton Abbott, and Coach Chuck Quinlan will meet a great deal of difficulty in filling these vacancies. Several promising substitutes and a good freshman team are being counted upon to strengthen the matmen in these divisions.

## Prospects Bright for Strong Foot Ball Team

### Coach Collins Expects to Have Fast Backs; May Have Some Trouble in Filling Line Vacancies; Ray Farris to Lead 1929 Gridders.

On being interviewed recently by a Greensboro sports editor concerning next year's football team, Coach Chuck Collins seemed to be a bit pessimistic about his line, but very optimistic about the backfield. There are several gaps in the line for next

year that will be hard to fill, but there is a good amount of inexperienced material to be trained for these positions. With all but four of last year's backs returning it seems that there will be little worry in that part of the line-up.

Coach Collins will have sixteen letterment around which to build a team next September. They are Captain-elect Ray Farris, Jimmie Ward, Fenton Adkins, Bob Blackwood, Bud Eskew, Chuck Erickson, Pap Harden, Don Holt, Henry House, Jimmie Hudson, Phil Jackson, Bill Koenig, Jim Magner, Jimmie Maus, Strud Nash, and Pete Wyrick.

One of the hardest places on the team to fill will be center, Captain Schwartz's old position. There are Ned Lipscomb and Bernard Schneider from last year's squad, and Gilbreath and Belton from the freshman team, who are likely candidates for center.

The guard positions will have much the same group of men again next fall. Bud Shuler will be the only guard not to return in September. Ray Farris will hold his old post at left guard, with Eskew, Blackwood, and Hudson as other veteran contenders for the place. The freshman team will send up good guard material in Dunavart, McIver, and Hutchinson.

Tackles will give the coaches something to worry over a bit although

Koenig and Adkins are returning. Some little difficulty will be met in building up a good reserve in this part of the line. Reserve tackles that are returning are Puny Harper and Dortch, and freshman tackles returning are Alexander, Roach, and Daniels.

Don Holt will be back to play right end, but some difficulty will be met in filling the place of Odell Sapp at the other flank. Holt is the only monogram end returning, so the flanks must look to such varsity reserves as Packard, Parsley, Tabb, and Nelson. Johnson, Runnels, Reid, Huffman, and Morris will come up from the frosh team to give the more experienced men a fight for their places.

Nine of the sixteen men to return are backs. Seven of these are the highly praised sophomore stars, so there is a good amount of material for these posts. Monogram backs who are not returning are Gresham and Foard, fullbacks; Gray, halfback; and Whinnant, quarterback.

Pete Wyrick will be the only varsity quarterback to return, but Phil Jackson has had some experience at the signal calling place as well as at left half. Johnnie Branch, star on the freshman team, will be a candidate for quarter, and will push the old men for their regular berths.

Right half will find Strud Nash, Jim Maus, and Chuck Erickson contending for it again, and Jimmie tending for it again, while Jimmie will probably be alternating at left half next fall. Redfern, McCormick, Coley, and Smith are varsity reserves returning. Frosh halves coming up next year are Yost, Remsen, Houston, Slusser, and Green.

Henry House and Pap Harden are the veteran fullbacks who will don their moleskins again. Yank Spaulding will be a strong contender at full also. A good reserve supply of full backs will be composed of such men as Estes, McAllister, and Suggs from the freshman and they may push some of these men for their places a great deal. Coach Collins will probably shift some of these big fullbacks to line positions.

The Tar Heels will have another difficult schedule next year. They do not have a long northern trip, but they are playing the strongest teams in the southland, and some of these very close together. The season opens here with Wake Forest and then they travel to play Maryland and Georgia Tech on successive week-ends. After these trips they return to meet Georgia, V.P.I., and N. C. State in Kenan Stadium. Trips to South Carolina, and Davidson are followed by a ten day rest before playing Virginia here on Turkey Day.

## The New Management of the University Barber Shop Invites Your Continued Patronage

TO THE STUDENTS OF THE UNIVERSITY OF NORTH CAROLINA CHAPEL HILL, N. C.

Dear Fellows:

I have taken over the UNIVERSITY BARBER SHOP which has been owned for the past year by Dr. Linwood Sutton.

When you return in the Fall, you will find a modern shop, minutely equipped to perform every sort of barber work. Extensive repairs are to be made to the shop as soon as conditions permit. The door will be moved nearer to the street, and large plate glass windows will take the place of the small frame windows now used. The entire interior will be done over in the latest decorations. Two more barber chairs and a fully equipped Beauty Parlor will be installed if conditions warrant. We also specialize in ladies' and children's work.

Sanitary conditions as used by the largest shops in the North will be installed here at once. Sanitary cases have been provided for all instruments and cloths.

The shop will be serviced by the same barbers as before the change in ownership. Mr. Smith, better known to the students as "Smitty," will remain in charge of operations.

These men will endeavor to give the same, if not better service than ever before. I, as well as the other men, hope you will use the first opportunity to sample our work under the new conditions before you go on your vacation. Make this place your barber shop in the future.

Sincerely

J. J. NEBENS,  
Formerly of Glen Falls, N. Y.
