Tar Heel Boxers Face Army Cadets At West Point Today

Locals Close Season With Army Matches

Murnickmen Boast Five Undefeated Leather Slings

By Stanley Colbert

The Army cadets play host to Carolina's undefeated boxing team this afternoon at West Point as a fitting climax for this year's Southern conference champions.

Boasting of five undefeated boxers, the pugmen will attempt to outfight the cadets and present an undefeated season as a present to Army-bound Coach Joe Murnick.

Replacing Ed Twohey at 155 pounds will be John Richardson, a civilian. Richardson will be making his initial start for the boxers and appears a possible dark horse in the meet.

The cadets of West Point were previously beaten by the University of Maryland, and should not prove too tough an adversary for the fighting Tar Heels. However, an upset might occur.

Starting at 120 for the Tar Heels will be Ed Keyes, undefeated in his last three bouts. The flashing south-paw has looked good in practice and is favored over his opponent.

At 127 the Tar Heels are starting Bob Thomas. Thomas lost his first two bouts, but tied the third and may be due for a win.

Jim Lodge, Marine trainee, is starting at 135 for Coach Murnick. This will be Lodge's second bout of the year.

Dynamo Jim Worley will be at 145 in his last bout for the University of North Carolina. Worley has received orders that transfer him to Princeton University Pre-midshipman school at the end of this trimester.

Captain Walter KO Kraus makes his final appearance on the squad, starting at 165. Kraus has piled up the enviable record of seven wins in six minutes, a new Southern conference record.

Del Leatherman will seek his fourth consecutive win when he faces his cadet opponent. Leatherman, the subject of a past Tar Heel feature article, has displayed excellent form and is being counted upon heavily by Coach Murnick.

Knocking out his sparring partner Thursday, Thad Ellis has shown steady improvement at heavyweight and by virtue of beating his last three opponents, he is favored in his bout.

This will be the last year of boxing at Carolina for Coach Murnick, who received his orders and departs for

SAE's Burdin Tops Scorers In Cage Play

Final Intramural Leaders Announced

Jim Burdin, of SAE, with 83 points, has been named top scorer in the regular season intramural basketball play by John Kenfield and Walt James, of the University athletic department.

However, lanky Lew Mendler, star for PiKA, came through with 68 markers to place high in the final standings. Only nine points behind for third and fourth place are Winslow, of the Phi Deltis, with 57 points, and Earl Elliot, of the ATO quint, with 56 points to his credit.

Qualifying for fifth place is Dick Elliot, of the Admirals, with 54. The last three top scorers in the big ten were Blair Gammon, of SAE, and Halcomb, of Battle Dorm, both with 52, and J. C. Green, of the Hillel House, with 51 markers. Two men, Stockwell of Phi Gam and Hobkirk of Battle, hit the fifty mark on the nose.

Other top scores were: Gus Lacy of KA (48); Folsom of Jones (45); Letty of Phi Gam (45); Taylor of Zeta Psi (45); Carroll of Whitehead (44); Ackley of Phi Delt (43); Larry Probststein of Hillel House (43); Powell of Old East (42); Smith of Med School No. 1 (42); and Mitchell of Sigma Nu (41); These figures do not count tournament scores.

The Intramural Basketball league playoff tournament approached an end yesterday as Pi Kappa Alpha and Battle Dorm locked horns for the championship. Battle beat Phi Delta Theta, 33-26, Sigma Chi, 23-20 and then nosed out Whitehead No. 1, 24-20, to gain their berth in the finals. PIKA won from the Kingsmen, 35-20, and then went on to beat SAE, 22-18, and stave off a late Med School rally to win, 36-31.

In the first round of the tournament, the Admirals beat Sigma Uu, 33-26, Whitehead beat Phi Gam, 36-23, and Sigma Chi edged out Hewes Hall, 28-27. In the second half of the bracket, Med School upset a strong ATO team, 26-25, and Old East and SAE took their games as expected. In the quarter-finals Whitehead knocked off the previously undefeated Admirals in a hotly contested game, 23-22. Battle took Sigma Chi, Med School advanced at the expense of Old East, and PIKA took another step toward the finals by whipping SAE, 22-18.

The semi-final round saw Pi Kappa Alpha take an early lead to beat Med School No. 1, 36-31. Battle, meanwhile was having a nip and tuck fight with Whitehead, finally getting the victory, 24-20.

the armed forces very soon. Murnick can leave with the knowledge that a job was well done, for the boxing team brought him six Southern conference championships and the unofficial championship of the South.

TRACK STARS—These half dozen athletes pictured above will more than likely be high in the win column in the Annual Indoor track classic slated for Woollen gym this afternoon and tonight. They are, top row, left to right: Frank Irwin and Nordin, Duke; Hirschner, Pre-Flight; Ted Schultz, Carolina, center; Charlie Beetham, Pre-Flight, bottom left; and Bynum Hunter, bottom right.

150 To Enter Woollen Gym Indoor Classic

Approximately 42 Carolina Entries Will Participate

By Wayne K. Brenengen

The merry-go-round will start whirling this afternoon at 2:30 o'clock when the Annual Invitational Indoor track meet takes the spotlight in Woollen gym.

With a dozen college, university and service teams, including a total of approximately 150 athletes, today's meet picks no definite winners. Competition will be so close and evenly divided that any team may cop the championship.

Sponsored by the University of North Carolina, this meet is a wartime successor to the Southern Conference Indoor Games, held at the University since 1929 and long recognized as the indoor track classic of the South.

Although the meet as a whole is expected to turn out a number of better performances, there probably won't be more than two or three records broken, as compared with the five last season.

Beetham Enters

Charley Beetham, North Carolina Pre-Flight's great middle-distance runner, who was awarded the Rodman Wanamaker International trophy as the outstanding athlete in the Millrose Games in Madison Square Garden last Saturday, will run today.

Sharing the spotlight with Beetham, Earl Mitchell, a former University of Indiana star now stationed at Camp Lejeune, will show his heels in the field in the one mile and two mile events. His best time in the two-mile is 9:13, in comparison with the meet record of 9:58; and his top effort in the mile is 4:8.6, as compared with the meet record of 4:25. Then there's Alvin Smith, Georgia Pre-Flight's two-mile star, who is calculated to give them both a run for their money. Something's just going to give come this afternoon.

The pole vault event will provide some strong competition as Staff Sergeant John Montgomery, of Cherry Point, winner of last year's event with a mark of 12 feet, six inches, will be back defending his laurels only against a stronger field than faced him last year. Curry, of Duke; Donehue, of Georgia Tech; Nowers and Miller of Carolina Pre-Flight; Bagnaud and Collins, of North Carolina, and Carrington, of Virginia, are expected to be his top contestants.

Shultz Runs

Ted Shultz, University of North Carolina star who won the 70-yard low hurdles in the meet last winter, has a good chance of repeating this season. He is also favored in the 60-yard dash event. In a recent meet Shultz ran the 60-yard dash in 6.5 seconds, just one-tenth of a second slower than the meet-winning time last season.

Other leading contenders in the 60-yd.-dash, in which a total of 21 men will be vying for honors, will be Hanson and Bill Mitchell, of Cherry Point; Ambrose and Stevenson, Duke; Brown and Carpenter, Georgia Tech; Wanger and Nazor, Virginia; Appenzeller, Wake Forest; Strudlow, Camp Mackall, and Chief Specialist Jimmy Lyle, unattached. With such a large group of entrants as this, four heats will probably be required, with three men selected from each. These will take part in the semi-final heat, from which the first six men will be chosen for the finals. There can be only six men in the finals of a running event, and five men in finals of a field event.

There will be an admission for the annual running affair, 50 cents for Pre-Flight cadets and students—\$1 for reserved seats. Athletic Director Bob Fetzer announced yesterday that since this meet was not subsidized by the athletic department it would be necessary to charge in order to pay the expenses.

The meet will be continued tonight at 7:30 o'clock for the majority of the running events. However, several trials in the track events will be held this afternoon along with the broad jump, shot put and high jump.

Prince Nufer Swimming In National Junior Meet

Dolphins Trounce Duke In Final Meet

Prince Nufer, Carolina's esteemed lady Dolphin, will travel to Emory University in Atlanta, Ga., to compete in the National Junior 220 freestyle championship and the Southeastern 100-yard race tonight at 7 o'clock.

This will be Nufer's first entry in National competition since her accident in 1941. The Emory event will draw competitors from New Orleans to Washington, D. C., and a strong field is expected.

Prince, who hails from Goldsboro, won the 50-yard freestyle event in the Carolinas AAU meet last week, nosing out Evelyn Barbee, also of Goldsboro.

Carolina's potent merman team captured their sixth straight Southern conference crown as they handed an outclassed Duke University tank squad a 50-25 beating last Wednesday afternoon in the final meet of the season.

The Blue Dolphins finished their second straight season with a clear record and the Tar Heel fishes have copped 42 of their last 43 meets, losing only to Navy in 1943 for an astonishing record unequalled by any pool team in the nation. Last year's swimmers were rated as the top team in the country and this season's team, under the leadership of Coach Willis Casey, also might be classed as one of the strongest swimming outfits.

Billy Kelly, outstanding member of the Blue Dolphin crew, set a new Southern conference and Duke pool record in the Tar Heel victory over the Blue Devils. He swam the 200-yard breaststroke race in 2:25.9, 9.2 seconds better than the Southern conference record and 11.7 seconds better than the former Duke pool record. He missed the world's mark by 3.4 seconds.

Also outstanding for the local swimmers against Duke, and during the rest of the season too, was Pete Hexner, who swims with Kelly in every meet. Hexner has been second only to Kelly this season in the South and has produced a good record. The Duke meet was Hexner's last as he leaves for the armed forces shortly.

The Hatchet of the George Washington University has just published the new motto of the bus companies — "The public be jammed!"

Carolina White Phantoms Show Improvement In Home Finals With Davidson and Catawba

Playing with a rejuvenated spirit, Carolina's White Phantoms closed the home basketball season last week with overwhelming victories over Catawba and Davidson.

In a non-conference skirmish Tuesday night, Coach Ben Carnevale's lads jumped to an early lead and held easily all the way to trounce Catawba of Salisbury, 64-30. Catawba was able to tally barely 13 markers during the first half, while the local hardwood crew dropped in 34.

Immediately with the opening of the second half, Carolina continued on a scoring spree to mount up the 34-point margin of victory. Jim Jordan, outstanding player and one of the top scorers in the Southern conference, played true to form against the Indians from Catawba, making a total of 19 markers. Don Anderson, Manny Alvarez and John Dillon also figured in the win with some commendable play under the basket and in hitting the hoop.

Wednesday night, the potent Phantoms, fast improving after a mid-season slump, piled up the largest score ever recorded by a Carolinian basketball team and ever scored in Woollen gym in smothering totally outclassed Davidson, 89-20, in a Southern conference encounter. This was UNC's ninth loop win against three defeats.

JORDAN

Jordan, who is gunning for the leadership in conference scoring column, played superb ball against the weak, inexperienced Davidson squad. The lanky Carolina guard tallied 27 points to raise his average considerably.

The Davidson cagers held the local

quint to nine points during the first six minutes while tallying two themselves. However, Coach Carnevale's boys piled on the steam and had run the score to 36-3 at the end of 15 minutes. Then with the reserves playing, Davidson put on a spurt for eight points to bring the halftime score to 38-11.

In the second half, the game was virtually turned into a scoring splurge, with Jordan leading the way. The Phantoms made fast work in scoring 10 more points in the first three minutes of the second half and bringing the margin of victory to 72-13 at the end of 13 minutes. Davidson had tallied one field goal in the 13 minutes.

Carolina spurred to beat the 80-point score recorded recently in the waning minutes of play, with the reserves playing much of the way. Other stars of the game included John Dillon, Don Anderson, Manny Alvarez and in fact all the remaining members of the team. In this encounter, as in the past couple, the Tar Heel crew showed definite signs of improvement.

The final game of the regular season play will be played against Duke in Durham next Wednesday night. Carolina will be seeking to revenge an earlier setback at the hands of Duke and hand the Devils their first defeat.

major Don Robertson.

The program marks the opening of the band's 42nd concert season since its organization early in 1903. During this period the band has performed under the leadership of four directors, the present director, Mr. Slocum, having come here in 1933.

Since his arrival Mr. Slocum has made a constant effort to promote an interest in band and orchestra music, not only here in the University, but throughout the high schools of the state as well. He has directed a number of high school music clinics, and in previous years, he has arranged extended state-wide tours for the band.
