

Snavelly's Footballers To Join Forces Monday

SPORT . . . SPINS

with Irwin Smallwood

Because of the absence of extensive varsity action, summer sports are always pretty nil in comparison to the rest of the calendar year, and a practically continuous rain during the past week has slowed things up even more.

However, Walt James' intramural softball tourney managed to get the ball rolling Monday with opening games—between showers. The tilts were continued Tuesday under the same circumstances, but old man weather won out Wednesday and Thursday, causing the cancelling of eight games. . . . According to James, these encounters will be played at a future date under the re-scheduling policy of postponed games. . . . Also along the intramural line, final plans for the tennis tournament were released today. In the tennis play, the students will get one of their only chances to get into direct sports competition with the faculty, Dr. Dudley Cowden holding the singles championship and the doubles title along with Walt James. . . . Back in the softball league, two of the faculty teams are looming as the top squads in the loop. Members of both seem to think they are the better. The Navy staff and the physical ed instructors comprise the teams, but since they are in different leagues, they will have to be victorious in their loop in order to meet in the final playoffs. . . . It should be a hot battle when and if it takes place.

After several weeks of hard work in preparation for competition Coach Willis Casey's Blue Dolphins will have their first test of the season this afternoon in Tarboro as they enter the National Junior and Open swimming championships. . . .

Lt. Comdr. Smith Named Pre-Flight Athletic Head

Lt. Comdr. Herman E. "Red" Smith, former athletic director and head football coach at Hampden-Sydney college, has returned to the Navy Pre-Flight School here to take over duties as athletic director, it is announced by Comdr. James P. Raugh, commanding officer.

He succeeds Lt. Comdr. Burton A. Ingwersen who was detached late last month for duty with a unit of the Naval Air Technical training command, Chicago, Ill.

Returning His previous assignment at this Pre-Flight School was back in 1942, when he served as an athletic officer in the mass exercise and testing phase of the program. After leaving Chapel Hill in December, 1942, Lt. Comdr. Smith became athletic director at the Naval Air Station, Miami, Fla., until February, 1944, and then was assigned as staff military and physical training officer with Fleet Air Wing 3.

From November, 1944, until taking over his present duties, he was military and physical training officer on the staff of Rear Admiral Felix B. Stump, Chief of Naval Air technical training. NATTC, with headquarters in Chicago, has cognizance over the training of all naval aviation personnel, except pilots.

Before War Before entering the Navy, Lt. Comdr. Smith was a well known athletic figure in the South, having served as head basketball and baseball coach, and varsity line coach at the Citadel from 1935 to 1937, and as athletic director and head football coach at Hampden-Sydney from 1938 to 1942.

He is an alumnus of Furman University where he lettered in football, basketball, baseball and track.

Swimmers Competing At Tarboro Today

Six Dolphins Trying Luck In National Meet

Locals Have Good Chance For Honors

Carolina's outstanding aquatic aces will be churning the water lanes in the National Junior swimming championships at Tarboro today and tomorrow in one of the Nations biggest summer tank meets.

Leading the varsity delegation in the competition in Tarboro will be co-captains Ben Ward and Snooky Proctor, who together with Mike Morrow and Jack Zimmerman will share the free style duties. Bo Jenkins and Dick Twining, freshman standouts, will be entering their first meet of a national calibre.

Outstanding Event

The outstanding event for the locals will be the 300 meter medley relay, in which the trio of Bo Jenkins, Dick Twining and Ben Ward will be gunning for the American record.

In addition to the Tar Heel varsity entries, Coach Willis Casey has announced that Ethel Laughlin, Frances Kenny and Randy Hudson will swim in the meet under the colors of the newly-formed Carolina swimming club. This Carolina swim club has just lately been formed by Coach Casey in an effort to promote interest in competitive swimming in this area. Besides these girls, four Chapel Hill boys will be entered in the Southern Junior boys championships and will also be representing this same Carolina swimming club.

First Time

It will be the first time in their 'short' careers that these lads have been in a swimming meet, but according to youthful undergraduate mentor Casey, it will pay to keep an eye on the youngsters as they are likely to pull several upsets. Those competing are Arthur Winsor, 'Red' Smith, Jack Cohens and Bobby Phillips.

This meet this afternoon and tomorrow will officially open the summer trip for Coach Casey and his Blue Dolphins, and the tank contest will be followed next week by another top-flight meet at High Point pool.

Carolina has had one of the top swimming crews in the country for the past few years, and unless things take a decided reverse, it should be the same this season. In fact, it is expected that a couple of the Dolphins may break and set some new records, including those established by Billy Kelly here last winter.

Intramural Tennis Tourney Planned

Plans for an Intramural tennis tournament have been completed, Walt James, head of the Tar Heel intramural program, has announced. This tourney, unlike the previous one, will not be team sponsored but will run purely on an individual basis.

Entries for the contest will be accepted at 307 Woollen Gymnasium July 23-28, and the first day of competition will be Tuesday, July 31. Prospective contestants are reminded of the following rules which must be followed:

- 1. Entrants must be student (graduate or undergraduate), faculty, or administration.
2. All entries must be in written form and in the office by Tuesday, July 28.
3. Address and telephone number must be stated on entry sheet.

The five tournament divisions open to participants are: Men's Singles, Men's Doubles, Women's Singles, Women's Doubles, and Mixed Doubles.

Last year's tourney was very successful, and it is hoped that this year's will bring forth an equal display of enthusiasm. In the previous contest, Dr. Cowden of the commerce department, defeated James in five sets to win the Men's Singles. In the Men's Doubles, James and Dr. Cowden paired off to defeat Ed Batey and Bob Cash for that title. The Women's Singles was won by Miss Jane Wideman, who defeated Miss Marianne Gutmann in the finals. Dr. Cowden, winning his third title of the tournament, teamed up with Miss Gutmann to cop the Mixed Doubles event.

STARS IN SERVICE

Softball Rained Out Two Days; Six Games Played

Phi Gams Topple Sigma Chi, 21-0; Med School Edges 'Two Brews,' 6-4

Hampers to a great extent by the heavy downpours which have enveloped Chapel Hill during the past week, the intramural softball tourney nevertheless got the first round of games out of the way.

The six contests held, however, produced a variety of results, ranging from a 21-0 defeat administered by Phi Gam to Sigma Chi, to a close 6-4 game in which the Med School team eked out a win over the "Two Brew" ten. In the former game, which was halted after three innings of play, Stockwell, Phi Gam third baseman, hit two homers and walked on his third trip to the plate to have a perfect day at bat, and Haigler, Phi Gam pitcher, held his opponents to one hit in chalking up the tourney's first shut-out. In the latter game, the Med School scored three runs in each of the first two innings, then staved off a late four run rally by the "Two Brew" aggregation to take the game.

The Leathernecks took a commanding lead in their League without even taking the field, as both SAE and Sigma Nu forfeited their games to the Marines.

The Delta Sigs battered the Betas in another one sided contest, finally emerging victorious by a 10-2 count. Three errors by the Beta crew aided the Delta Sig cause, but the latter's eight hits spelled the real margin of victory. Evans, the winning pitcher, twirled one-hit ball, his game being spoiled by Brittingham's single.

In another close game, Phi Delta Theta squeezed through three runs in the last inning to wipe out a one run deficit and hand them the win over Smith, 5-3. Both teams hit safely six times, and this contest was perhaps the most evenly matched of the day. Fahey, Smith hurler, struck out seven while walking an equal number, and his opponent, Snyder, fanned three while walking four.

In a very lopsided contest, second

Lassie Swimming Class Being Held

A girls' swimming class scheduled every day, Saturdays optional, is being taught by Mrs. Ewart at 12:15 in the indoor swimming pool. The class is taken as an elective for beginner and intermediate swimmers who wish to improve their style and diving. So far there are fifteen students enrolled.

The pool is open for recreational swimming from 12:40 'til 2:10 and from 5 to 7 every day during the week.

only to the 21-0 whitewashing administered by the Phi Gams, was a 21-2 game in which the Staff defeated the KA's. Dorsett, pitching for the Staff, held Kappa Alpha to five hits, all of which were singles.

The tournament, which is divided into four leagues, will really blossom into full swing next week, with future schedules announced as follows:

- Monday, July 23
Alexander No. 1—Ringers vs. Kappa Sigma; Alexander No. 2—Co. 2 NROTC vs. Zeta Psi; Intramural No. 1—Co. 3 NROTC vs. DKE; Intramural No. 2—Co. 1 NROTC vs. —; Intramural No. 3—Phi Gam vs. Staff; Intramural No. 4—Beta vs. Smith.

About 40 Men Expected Back From Spring

Thirty-Five New Players Included

Coach Carl Snavelly has issued a call to members of the University of North Carolina's spring football squad to report Monday, July 23, for four weeks of summer drills. After this the Tar Heels will take off two weeks for rest before beginning their regular autumn drills September 3 in preparation for their difficult schedule, opening with Georgia Tech in Chapel Hill on September 29.

Coach Snavelly and his four assistants are expecting approximately 40 candidates back from his spring practice squad and 35 new men who enrolled for the first time at the July 1 term.

The latter group, which is about equally divided between Navy V-12-ers and civilian freshmen, has been working out for the last two weeks, getting in shape and learning the fundamentals of the Snavelly system. It is too early to get much line on the July 1 reportees, as there has been no scrimmage or competitive work so far, but judging from the spring practice group, prospects are for a representative and creditable outfit.

Squad Young The squad is too young to expect a championship club, of course, but the two leading elevens both showed lots of hustle and scrap in their final 12-12 game, and Coach Snavelly appeared fairly well pleased with the results. The two lines looked particularly good on defense. Some of the blocking was sharp and crisp at times. Several of the backs ran hard, although Coach Snavelly has yet to find a wheel-horse triple-threat and sparkplug.

Bill Voris, who hits the line hard, is the only letter backfielder due back, but the line has a nucleus of four vet- See FOOTBALL, page 4
