Experience Gives Yellow Jackets Triumph . . .

It was experience Saturday, experience on the part of Bobby Dodd's veteran Yellow Jacket squad that decided the collegiate opener of Carl Snavely's Tar Heels. Carolina's lads fought and fought hard all the way, from the opening kickoff till the final whistle, but Tech took good advantage of the breaks, which were not too few, and the Golden Tornado pulled a close one out of the fire.

It was he, too, that snagged the bullet-like pass from Colfer to score first for Carolina. In summation, it was a hard, hard fought game. The going was tough all the way through, but the Tar Heels came through much better than predicted by most experts. They all showed progress, from the work of the backs to the tackling, and as Coach Snavely put it "they proved that they have the makings of a good team."

Elsewhere in the football world, two other teams of the Tar Heelia family took beatings over the weekend, with only Duke coming through with a win, over weak Bogue field. Tennessee's Vols pulled a lucky one from the coals over Wake Forest, 7-6, and Virginia battled State down, 26-6.
