## Campus Briefs

### N. C. Symphony

wound up the year with a bank balance of several hundred dollars despite the fact that symphony orchestras all over the country this season reported staggering deficits and that the symphony got along on comparatively meager support.

### House Says

"The main highway to a successful and purposeful life is through your institutions—the home, the school, the church, the state. Addressing the graduates at Armstrong College, Savannah, Ga., Chancellor Robert B. House of UNC commented that one must "function in and through these institutions if you want to get out of the underbrush and onto the highway of life." He told the graduates that "life's secret is the power of love as implemented by thought and action. There are millions of things to study and to do. There are 20,000 occupations by which men

and women live. But what educates you and what you live by is what you love enough to study enough to practice enough to grow it into an art."

### First Class

of the third annual Realtors Institute, sponsored by the North Carolina Association of Real Estate Boards, continued today here according to Hoyt Boone, of Richardson Realty in Greensboro, president of the Institute.

Twenty-five hours of instruction, through five courses, have been scheduled for each of the first, second and third year classes. Erle Stapleton, Executive Secretary of the Association and Business Manager of the Institute, explained.

Instructing will be a faculty of experienced realtors and members of the University staff. Other Institute officials are Henry Koontz, of High Point, Dean, and Edwin Sink, Greensboro, president of the student body.

### Graham Pep Rally

There will be a Frank Graham pep rally at 8 o'clock tonight in the American Legion hut on Rosemary Street just behind Huggins Hardware store, it was announced yesterday.

Everyone is invited and it is hoped that a large turnout of Graham supporters will be on hand for the rally. Featured speaker of the evening will be Jean McLean, who will give a short talk backing Graham for the Senate.

## Summer Board To Administer Government

### Councils Same; Funds Available For Fun Series

The new constitutional student government organization will begin functioning within the next few days, Student Body President John Sanders said yesterday.

Under the new student Constitution, passed in the spring elections, a nine-man government board will handle all legislative and executive functions, and serve as a Student Council.

The Men's and Women's Honor Councils will function as usual, with personnel appointed by the president if vacancies occur during the sessions.

A budget of \$250 has been appropriated to the summer government board by Summer School Head Dean Phillips. The board has power to appropriate the fund as it sees fit. It will also handle the functions of all regular student government executive departments.

A special \$2,000 fund has been set aside for student entertainment. It will be administered by a committee headed by Graham Memorial Director Jim Rathburn. Any campus organization wishing to use money from the fund for entertainment purposes must apply to the committee. The committee will also direct such campus-wide entertainment features as the Watermelon Festival.

Personnel for the summer board and the entertainment committee will be announced by the President's office within a few days.

## Tennessee Valley Tour Is Planned

Director R. M. Crumman of the University Extension Division has announced plans for a Tennessee Valley field trip the weekend of July 7-9.

Although the trip—to be made by chartered bus—is primarily for geography students, there will be room for a limited number of others. J. Sullivan Gibson, Associate Professor of geography, is director of the trip, which will be sponsored by the Department of Geology and Geography and the Extension Division.

## Thomas Sets New Marks In Kessing Swim Pool

By Art Greenbaum

Jim Thomas has done it again. And it doesn't seem as though he will be stopped until the week is out. On Tuesday afternoon in the 50-yd. outdoor Kessing pool, record-blasting Jim Thomas, senior from Baltimore, Md., added two more marks to his long line of swimming accomplishments.

Starting at six o'clock in the evening, Thomas set a new mark in the 500 meter backstroke in the time of 6:39.7; breaking Adolf Kiefer's 1941 mark by over 12 seconds. His time at the end of 500 yards also set a new mark in the noteworthy performances category.

With Coach Dick Jamerson starting and Coach Ralph Casey timing, the Tar Heel splashed through the 11 lengths in excellent fashion as he showed little signs of tiring during the grueling race.

Last night, Thomas attempted to break Allan Stack's records in the 440 yards and 400 meters. Tonight, he will move indoors in an effort to establish marks in the same events. He will swim short course both tonight and tomorrow evening. The events will begin at 5:30 and spectators are invited.

## Art's Sports Shots

For the interest of local sports enthusiasts, intramural director Ben Perry has set up an interesting program for the summer session. Softball, tennis, and horseshoes head the list of activities while the possibility of a golf tourney is in the making. All three events will begin on Tuesday and the entries must be filed by Saturday at the Intramural Office in Woollen Gym.

While on the topic of golf, it seems as though the lassies over at the Women's College in Greensboro are taking up their clubs. Not for war this time, but to enter the Women's National Collegiate Golf Championships. Miss Nancy Maples and Miss Frances Fowler are Carolina's feminine entries.

In the tennis world, former Tar Heel star and captain Vic Seixas blasted his way to the front as he defeated John Bromwich in a tournament in the Netherlands. Another Carolina netter, Bob Luxenberg, was dropped from the ranks of the unbeaten in the Eastern Intercollegiate Championships at Syracuse, New York.

## Bill Albans, Kirk In Track Meet

Bill Albans and Bob Kirk accompanied by Coach Joe Hilton left Raleigh-Durham airport yesterday morning for Minneapolis, Minn., where they will participate in the NCAA championships on June 16-17 and the AAU's at Washington, June 23-24.

Albans, a 25 year-old sophomore, will also travel to Tulare, Calif., where he will probably be the favorite to cop the National Decathlon in which he placed third last year. This meet will be held on June 29 and 30.

Ward, barely qualifying for the tournament with a poor 79 when one of the lower scoring golfers dropped out to make a place for

## Skakle Is Summer Pro At Greensboro

Don Skakle, just-graduated tennis star from the University of North Carolina, has been signed as tennis pro for the Summer at the Greensboro Country Club. The former Tar Heel will be at the Country Club regularly three days a week—Sunday, Wednesday, and Friday.

Skakle compiled the best record of any player to enter the University. In four years of competition at Carolina, he amassed a sensational record. Out of 61 matches in dual competition he lost only one—and that was when he had to forfeit because of sickness.

## Harvey Ward Takes Title

Harvey Ward, former University of North Carolina senior and the 1949 national intercollegiate golf champion, who almost didn't qualify for the North Carolina amateur tournament in Wilson, was named the new champ of the Old North State last Saturday.

Ward, barely qualifying for the tournament with a poor 79 when one of the lower scoring golfers dropped out to make a place for
