Outstanding Groups Cited At First Mural Banquet

By Buddy Northart

Awards representing outstanding Mural athletic achievements during the school year were presented to several managers and organizations at the first annual Intramural banquet, which was held the last week before the summer vacation.

Jim Horton, president of the Joint Intramural Council, presided at the banquet, which was attended by Mural managers, the Intramural Staff and guest. Jim Gill, football line coach, in the role of after dinner speaker talked on the evolution of football. Coach Gill made frequent references to the great "Pop" Warner, and told the interested group of the days of the flying wedge, fake footballs, and the first forward pass. He also mentioned the first Carolina forward pass, which was thrown in desperation, and considered by some to be the first forward pass thrown in football.

Intramural Director Walter Rabb presented the awards to the various groups and managers. Bill Kucyk, Mural assistant, was named to head the program during the summer and next year. He will succeed Ed Cloyd who has been recalled to the army.

The first trophies went to the managers of the winning organizations in the two divisions. Bud Ruffin, Zeta Psi, and Don Davis, A Dorm, received these awards. Kay Lewis, Sigma Chi, and Tom Kellam, B Dorm, received the trophies presented to the managers of the runner-up organizations.

Lewis came forward for the second of three trips to receive the Fraternity division award for the outstanding manager. Davis won this ward for the dormitory division.

The outstanding athlete awards were presented to David Collins from the Med School and Lewis. The winning organizations, Zeta Psi and A Dorm received large trophies as a symbol of their Mural prowess. The Zetas collected 1002.82 points during the school year, 2.87 points better than their closest rival Sigma Chi. A Dorm amassed 834.26 points, 79.73 points better than their closest competitor B Dorm.

The next three Fraternities in order were Chi Psi, 788.23 points; DKE, 753.09; and Phi Gam 737.65.

Med School was third in the dormitory division with 693.40 points, followed by Ruffin dorm with 604.40.

Mural Slate Announced For Summer

The summer Intramural program will move into high gear June 19, with softball tennis, and golf. Because of the limited enrollment fraternity and dormitory teams will compete in the same division.

Entries for softball and tennis must be turned in not later than 10 a.m. June 16 to room 315 Woolen Gym. Golfers must turn their qualifying scorecard to Mr. Kenney or Mr. Brown at the golf shop and pay an entry fee of 50 cents.

The only eligibility rule for softball will be that a player can represent only one team during a session. Games will be played at 4 and 5 p.m. Monday through Thursday. Teams may be entered from fraternities, dormitories or independent groups.

Only faculty members and students will be eligible for tennis competition with play limited to men's singles. The tournament will be conducted on a single elimination basis.

Qualifying dates for golfers are scheduled June 11-20. The tournament is limited to faculty members and students with single elimination match play by flights. Golfers will be placed with others of equal ability.

The Mural office has announced June 22-29 for first round matches. Thereafter four days will be allowed for each round of play. Awards will be given to each flight champion and runner-up.
