## — BRIEFS —

All Student Party members on the campus have been requested to contact Julian Mason, 306 Aycock dorm, as soon as possible.

Dr. George O. Doak, associate professor of experimental medicine here and an authority on the growing of lilies, addressed a meeting of the newly-organized North Carolina Lily Society held at the home of Mrs. H. R. Totten, president, Sunday.

Webb, Jr., director, College of William and Mary and the Virginia Polytechnic Institute in Norfolk.

Bill Roth, of Oteen, has been selected as successor to Jim Rathburn as director of the Graham Memorial Student Union.

Roth will assume on September 1 the duties of maintaining the building, keeping it open approximately 15 hours a day, keeping the Student Union in operation, and organizing a varied program of education and entertainment. One of the biggest jobs will be encouraging student initiative in organizing their own activities.

Roth has been active in the Alpha Phi Omega, national service fraternity, and is presently working for his master's degree in personnel management in the School of Commerce.
