

Summer Activities

Organizational Meeting Set For Monday Night

A meeting will be held Monday night at 8 o'clock in the lobby of the YMCA building to organize committees for the Summer Activities Program for the second summer session.

All students are invited to attend this meeting and help outline the activities program for the remainder of the summer.

The Summer Activities Program is divided into six committees which work individually and together in sponsoring a well rounded program of entertainment and activities for the students. The committees are Social, Cultural-Educational, Religious, Sports, Service Projects, and a Special Entertainment committee.

Some of the features of these committees have been coffees, "Open Arboretum," card parties, and the Watermelon Festival, but any and all suggestions for improving on or adding to the list of activities will be welcomed.

Monday night the students will meet first as a group and later will divide into various committees. Following the meeting, refreshments will be served.

On Tuesday afternoon the Cultural-Educational committee will sponsor the first in a series of informal coffee hours for students and faculty. The "iced" coffee hours are held at 5 o'clock in the lounge of Graham Memorial, and are open to all students and faculty.

Community singing, a devotional, and refreshments combine to form the "Open Arboretum" to be held on Thursday evening at 7 o'clock.

Recreational supervision for the junior and teen-age groups at the

Negro Community Center is the weekly responsibility of the Service Projects committee. All interested persons are invited to join in this work.

Square dances are scheduled for each Friday night in the Y court, weather permitting.

Ideas for a student body entertainment for the second session similar to the Watermelon Festival held last session are in demand now, so attend the organizational meeting on Monday night and take part in the planning.

YW Cabinet To Hear Dr. Boyd

Dr. Bernard Boyd, professor in the University Department of Religion, will be guest speaker at the first weekly meeting of the YWCA cabinet on Monday afternoon at four o'clock.

All new and old women students are invited to attend the meeting to be held in the Cabinet room of the Y building. Following Dr. Boyd's address, committees will be set up for the second summer sessions projects.

Yackety Yack

The Yackety Yack office on the second floor of Graham Memorial building will be open every afternoon from 2 to 4:30, staff member Ruffin Woody announced yesterday.

All regular students who failed to pick up their Yacks last spring may do so at this time.

AROUND CAMPUS

By MARY NELL BODDIE

"And came the dawn"—the dawn of the second summer session, that is, complete with 2500 Tar Heels and plenty of that sweltering Chapel Hill weather.

Getting away from it all this weekend are the Pi Lams who are heading for Wrightsville Beach, and the Dekes who are planning a houseparty at Fayetteville.

The Summer Cotillion Club dreamer-upper, Weddell Harris, reports all went well at the Barefoot Ball last Saturday night. Approximately 250 students were in attendance and witnessed the most original "figure" in UNC history, as club officers and fraternity representatives emerged for presentation from the rope swing on the diving board and "casually" dropped into the lake. It seems four Yale men were visiting for spying purposes in hopes of sponsoring a similar social for old "Eli."

Pin-up of the week is Pi Phi Dodie Boyer of Miami, Fla., who now wears the white cross of Sigma Chi Hardy Hardison of Washington, D. C.

"Everything is swell," or so thinks former Daily Tar Heel managing editor Andy Taylor, who is now horizontal in the infirmary with the mumps.

Planning a September wedding are ADPi Melvarene Johnson and Chi Phi Pete Howard of Dunn.

"Spartanburg, S. C., will be the scene of the August 18 wedding of Phi Delt Harry Buchanan of Hendersonville and Ann Johnson. Ann attended St. Mary's and RPI in Richmond, Va.

We hear that Harvey Phi Bete Jack Marcus is learning how to drive. Why the sudden interest in four-wheel personalities, Jack?

Welcome back and Hello Here department. Brothers of Phi Delt seem to think it might be of some interest to the coeds to know that John Wilkins of Gastonia has returned to alma mater? Visitors at the Chi Phi house were alums Charlie Loudermilk and "Mo" Evarets. Just passing through but receiving an invitation from South Building and deciding to stay was Pi Phi Carolyn "Butch" Butcher. Glad to have you with us.

Brothers of Chi Phi will journey to Asheville Saturday for the wedding of Jimmy Willingham and Betsy Justice.

The TEPs are planning a party

at Myrtle Beach this weekend, and from the looks of things it might well be for the purpose of mourning the loss of a number of brothers to Uncle Sam's service. Just a few of those who have donned uniforms since June are Art Mackler, Smithfield; Joe Brady, New York; Ken Hoffman, New York; Judd Novins, Tom's River, N. J.; Earl Frankel, Miami, and Aubrey Bronstein of Kinston.

tive activity, in 33 liberal arts fields. Included in the survey were the state universities of North Carolina, Virginia, South Carolina, Georgia, Florida, Alabama, Tennessee, Kentucky, Louisiana, Mississippi, and Texas.

Ten departments here were rated among the best in the nation. They are botany, classics, drama, English, French, history, physics, psychology, romance languages, and sociology.
