### 6 Films On India To Be Shown In Outdoor Theater Tomorrow

Six short films on India will be shown at 8 p. m. tomorrow in Koch outdoor theater, across from the Monogram Club.

It will be the Summer's first outdoor film program and sponsors yesterday assured students "we won't have the technical difficulties we had at last week's program."

Students from India and University faculty members will answer questions from the audience after the movies. K. V. Ramachandran, Palghat, India, is in charge of the program. He is a mathematical statistics graduate student working on his doctorate. H. B. Walker of Florence, Ala. will be in charge of showing the films.

In case of rain the program

will be held in Gerrard Hall, next door to South Building. The program will last an hour and is free.

Movies to be shown are "A New Life", "Handicrafts of India", "Industrial Mysore" (II), "Madhya Bharat" (I) and "Our Heritage" (I & II).

#### Graduate Students

Monday night from 7 to 8 o'clock a meeting will be held in the YMCA Cabinet Room for graduate students and others over the age of 25. Purpose of the meeting is to plan Summer activities. It is in charge of Annie Tom Sowell of Savannah, Ga.

#### Toys Needed

Used puzzles and games for children from 6 to 11 years old are used by the YMCA to help in a recreation program. The program is for children who are living with their parents in Alexander Dormitory. Those wishing to donate such items are asked to call the Y at 6761.

#### Wesley Foundation

Beginning with coffee and donuts, Methodist college students will meet for Sunday School at 9:45 and will continue studying the Apostle's Creed. Wesley Foundation will begin at 5:30 in the student lounge. Vespers will be held Thursday at 5:45 in the chapel.

#### Baptist

The "Kupples Class" will meet in the Baptist Church student lounge at 10 a.m. Sunday. Claude Shotts, general secretary of the YMCA here, will speak on Europe.
