Help Needed In Publicity

With no Tar Heel, publicity for the second session will be difficult.

To meet these needs, the Summer School Administration and Summer Activities Council will print a weekly news bulletin "of some sort," an official said yesterday. It will be written and edited by a committee of students.

Students interested in trying their skill at journalism are invited to join the committee. It will meet this morning at 10 o'clock in the YMCA office. Those who cannot attend are asked to leave their names at the Y office on the bulletin board.
