

# 4,271 preregister at UNC Total enrollment not definite

by Gregg Davis  
Staff Writer

Raymond Strong, director of Records and Registration said that summer school enrollment for this year will probably not exceed last summer's enrollment.

Mr. Strong said 4,271 students have preregistered for the first session of summer school. "There may be 1,500 to 2,000 more people, but we'll have no way of knowing this early."

The number of students attending the first session of summer school in 1973 was 6,394 and 5,411 attended the second session.

The first session is starting a week earlier than last year. Classes are to begin 8 a.m. today. "The schedule change should have some effect on enrollment," Strong said, "but a final figure won't be available for about three weeks."

"The law school and other graduate school students are yet to come in and some people will cancel, so it is hard to make a projection."

Ben Perry, assistant director of records and registration, said no figures breaking down student enrollment are yet available. "At present, we can't tell how many people are regular students here and how many are from other schools. We just have an alphabetical listing right now."

Most students feel that registration has gone reasonably well. The registration process seemed to be easy to understand for most visiting students.

Gail McEwen is a transfer student from Georgia State University. She said she was very impressed with the campus. "Georgia State is in an urban area so it doesn't have a campus," she added. "I'm surprised that I didn't have trouble finding my way around here."

"The personnel here are very accommodating," Anne-Marie Davis, a rising senior from Meredith College, said. "The campus is sort of tranquil but the rooms are ratty."

Allen Eisenberg from New York City, is a student at Brooklyn Pharmacy College.

"This is a nice campus," he said. "It's pretty interesting to have a graveyard in the middle of the school."

"But I think the Student Union should have been open as soon as students got here," he added. "Where else can you play pool for a buck an hour?"

(Soundhaus's \$439 stereo system)

**More than you expect for less than you expected.**

Stereo systems in the \$400 price range, while not unpleasant to listen to, have not as a rule provided that last bit of musical accuracy for those who take their listening seriously. Our \$439 Advent / Pioneer / Garrard / Shure stereo system has changed all that, as many of our critical and satisfied customers who own it will testify.

The smaller Advent loudspeakers are a startling speaker bargain, of which highly respected Stereo Review Magazine said, "Any preconceived ideas you may have about the limitations of sub-compact speaker systems will, we think, be shattered." The Pioneer AM/FM stereo receiver provides sufficient power for 50

RMS watts of it) to handle the most tortuous musical passages in the average living room, and its sensitive tuner will capture your favorite radio stations with clarity. The Garrard 4LM automatic turntable with a Shure 75E cartridge and diamond stylus will treat your records gently and add no unpleasant sounds of its own.

Together, these remarkable components cost just \$439—a saving of \$63 over their usual individual prices. If you've thought that a stereo system in this price range couldn't provide quite enough sonic satisfaction, we invite you to visit Soundhaus and learn otherwise.

## Norm Gustaveson only winner in May local primary election

Norm Gustaveson was the only outright winner in the May 7 Democratic primary for Orange County Commissioner. Gustaveson, the Director of the UNC YM-YWCA, received 5,281 votes. Only 40 percent of the County's 24,000 Democrats voted.

The other two seats open on the Board this year will be filled in a runoff election to be held June 4. The

candidates in the June election and the votes they received May 7 are: Norman Walker (3,925), Melvin Whitfield (3,624), Tom Bacon (3,077) and Jan Pinney (3,027). Candidates needed 4,001 votes to avoid a runoff.

In the race for Orange County sheriff, Buck Knight defeated challenger Bill Ray by a 6,200 to 2,900 margin, winning 33 of the 35 precincts.

There will also be a runoff for State Senator. In the race for two seats, Charles Vickery (9,102), Russell Walker

(9,075) and Carl Smith (8,955) will square off June 4. The other candidates, Joe Monroe and Benjamin Swalin, were eliminated.

In the Republican race, Ed Tenney and Michael Budd won State Senate nominations.

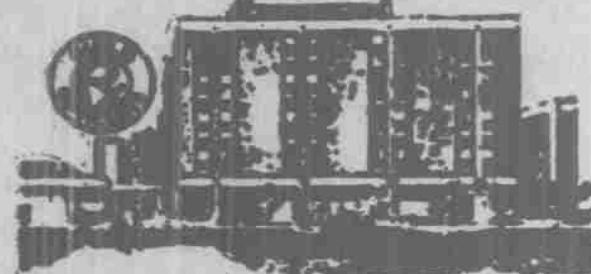

All Orange County voters who registered by April 7 can vote in the June 4 runoff. They vote at their old polling place, even if they have moved since the May primary. Registered voters can vote in the runoff even if they did not vote May 7.
