SAVE THE INTIMATE

- Save money
- Save time
- Save temper

Used books cost you less, and the Intimate often drops the prices even lower when the supply is too big. Some new book prices have been cut, too! Shop the Intimate first!

Our folks run and find your books for you, to help you get the books you need and get rolling in a hurry. (We pick the best used book we can find, or new ones if the used are gone.)

We do our best to keep bureaucracy at a minimum and provide the quickest, most cheerful service to our customers.

We don't have them all, but we do have a big stock of used and new books, including a number of exclusive course listings!
