

**Tar Heels Win 10 Titles in One Year**

A total of 10 titles—two Southern Conference championships and one Tri-State League and seven State championships—such is the remarkable record that athletic teams representing the University of North Carolina have made during the scholastic year now drawing to a close. Judged from the standpoint of titles won, it has been one of the most successful years in the recent athletic history of Tar Heel teams.

Southern Conference championships were won in boxing and cross-country, the Tri-State League championship was in baseball, and the State championships were in football, basketball, boxing, track, tennis (doubles and singles), and golf. Moreover, the Tar Heels won second place in Conference competition in track and baseball and made a fine Conference record in basketball. The outlook for next year is even more promising.

Pictured above are the captains of the championship teams and two men who are guiding forces in carrying out the University's athletic policies.

**SATTERFIELD WINS PATTERSON MEDAL**

**Durham Basketball and Baseball Star Wins Coveted Athletic Award.**

Henry Satterfield was selected this year from a list of more than a hundred varsity athletes to receive the much coveted Patterson Medal "for general excellence in athletics," regarded by many as the highest honor that can come to a Tar Heel athlete.

A shining light on Carolina basketball and baseball teams for three years, "Little Poison," as they call him, showed conclusively that sports isn't just a matter of brawn.

He stands but 5 feet 8 inches and weighs but 135 pounds. Yet he was a frequent mention for All-Southern forward in basketball and All-State in baseball. He has played short and third, fields his position in jam-up style, and hits consistently around the

magic .300 mark.

Satterfield, who is from Durham, has won honors in many other fields. He was voted the most popular member in the Senior Class this year, and was last year elected to Golden Fleece for outstanding work in University activities.

The Patterson Medal has numbered among its winners such star athletes as Monk McDonald, "Rabbit" Bonner, "Red" Whisnant, Ad Warren, and Galen Elliott. It was established in 1924, and is given each year by Lieutenant Commander D. F. Patterson, U. S. N., Albert F. Patterson, and Dr. Joseph F. Patterson to commemorate the memory of their brother, John Durand Patterson.

**Trustee Committee Pays Annual Visit**

The visiting committee of the University trustees meets today at 12:00 in President Chase's office. This committee meets annually just before commencement to inspect the Univer-

sity plant, to discuss University affairs, and to prepare a report for the general board of trustees.

Members of the visiting committee this year are G. K. Graham of Dunn, W. F. Taylor of Goldsboro, J. K. Wilson of Elizabeth City, William Dunn of New Bern, Henry A. Page of Aberdeen, and Alex Shuford of Hickory.

**STUDENT-ATHLETE GETS HIS REWARD**

**Satterfield, Henderson, Whitehead and Gray Win Grail Scholarship Medals.**

Henry Satterfield, Johnnie Henderson, Burgess Whitehead, and Mac Gray won this year's Grail Awards for the member of each major sport team with the highest scholastic average for the year preceding.

The four men have piled up splendid scholastic records and at the same time shined among the brightest of the sports luminaries.

Satterfield played varsity basketball and baseball three years, and rated an All-Southern berth in the former and an All-State in the latter.

Henderson last year ran the fastest two-mile ever seen in the South and this year captained both cross-country and track teams.

Whitehead made a regular berth on the baseball team as a sophomore and was a sensation in the shortfield as well as a consistent hitter.

Gray, the only non-regular, is well remembered as the savior of Tar Heel football games. Brilliant individual performances by the heady little

quarterback and end gave the Tar Heels a victory over Duke in 1926 and a tie with State last year when both times defeat looked certain.

Satterfield is from Durham, Henderson from Asheville, Whitehead from Woodville, and Gray from Statesville.
